INDIQUE UN NOUVEAU PRODUIT
INDICATES A NEW PRODUCT

COMMENT VOUS SERVIR DE CE CATALOGUE:

1. Pour trouver un type spécifique de produit, consultez l'index à la fin du catalogue.
2. Pour trouver une gamme de produits, référez-vous à la codification "couleur" tel qu'illustré à gauche.

HOW TO USE THIS CATALOG:

1. *To find a specific type of part, use the index in the back of this catalog.*
2. *To find a product category, use the color-coded indexing shown at left.*

PROTECTEURS POUR CAPOT / *HOOD PROTECTORS*

AeroSkin

Utilise un ruban 3M de calibre automobile; installation facile sans perçage et sans outil. Disponible en fini acrylique fumé ou en fini chromé, l'AeroSkin est la touche finale parfaite pour n'importe quel véhicule.
Using 3M automotive grade tape, the AeroSkin will hold its own; no drilling, no hardware makes installation a breeze. Available in tough acrylic smoke or classic chrome finishes, the AeroSkin is the perfect finishing touch for any vehicle.

ENSEMBLE DE DÉFLECTEURS NOIR MAT POUR PORTIÈRES ET CAPOT
MATTE BLACK HOOD AND RAIN DEFLECTORS COMBO-PACK

- Un fini mat tamisé offre une allure furtive et élégante qui s'agence avec les garnitures noires d'origines et les roues.
- Fabriqué à partir de matériaux durables qui protègent contre les rayons UV et qui résistent à la décoloration.
- Les produits sont emballés ensemble comme un seul numéro de pièce.
- Fabriqué aux États-Unis.

- *A flat, subdued finish provides a stealthy and stylish look that coordinate with OE black trims and wheels.*
- *Made from a durable UV-protected, proprietary material that is fade resistant.*
- *Products are packaged together as one part number.*
- *Made in the U.S.A*

AUTOMOTIVE ACCESSORIES

DÉFLECTEURS CHROMÉS POUR TOIT-OUVRANT / *CHROMED SUNROOF DEFLECTORS*

Déflecteurs pour toit-ouvrant conçus et fabriqués pour laisser entrer le soleil et garder le vent à l'intérieur. Profilée pour s'adapter, nos déflecteurs pour toit-ouvrant s'ajustent de façon précise à la taille du lit de chaque véhicule.

Sunroof wind deflectors are designed and manufactured to let the sun in and keep the wind out. Contoured to fit, our Sunroof Wind Deflectors are engineered to be an exact fit for each vehicle's bed size.

- Conception à profil bas
- Fabrication robuste en acrylique souple, mais résiste aux impacts
- S'installe facilement avec le ruban adhésif 3M pour véhicule
- Résiste aux égratignures. Durable et stable aux ultraviolets
- Réduit le bruit et la turbulence du vent dans le véhicule

- *Low profile design*
- *Made from tough but flexible high impact acrylic*
- *Installs easily with 3M OEM automotive trim adhesive tape*
- *Scratch resistant. Durable and UV stable*
- *Reduces wind noise & turbulence inside vehicle*

ENSEMBLE DE 4 EXTENSIONS D'AILE / *SET OF 4 FENDER FLARES*

Ces extensions d'ailes sont le rehaussement parfait que l'on peut faire soi-même. Démarquez-vous avec les extensions d'aile d'EGR fait de matériel approuvé d'origine contre les rayons UV. D'un fini noir légèrement texturé, facile à nettoyer et prêt à être peinturé. Toutes les extensions d'aile viennent avec une garantie à vie limitée.

These fender flares are the perfect do it yourself upgrade for your vehicle. Stand out from the crowd with EGR's fender flares made from UV protected and OEM approved material. They feature a lightly-textured, black finish that is easy to clean and come paint-ready to be custom painted to match your vehicle. All EGR's fender flares feature a limited lifetime warranty.

OEM

L'aérodynamisme des élargisseurs d'ailes est un choix gagnant pour ajouter la touche finale parfaite.

Streamlined fender flares are a winning choice for adding the perfect finishing touch.

BOLT-ON

Affichez le côté agressif que vous recherchez. Véritables boulons en acier inoxydable pour détail sans compromis.

Make that bold statement you are looking for. Features real stainless bolts for uncompromising detail.

CARACTÉRISTIQUES ET AVANTAGES / *FEATURES AND BENEFITS*

- Toutes les applications s'installent sans couper ou modifier les pièces originales des véhicules.
- Les encavures des « Bolt-on » sont prépercés pour facilité l'installation.
- Les norme environnementale ISO14000 sont atteintes.
- Les écrous « Nylock » utilisé par EGR assure que chaque boulon en acier inoxydable est fixé correctement.
- La précision robotique de positionnement des trous laisse une finition lisse sans rebord dentelé.

- *All applications install without cutting or modification to original OEM vehicle parts*
- *Bolt-on or pocket style cavities pre-drilled for bolt installation*
- *ISO14000 Environmental standard achieved*
- *EGR uses "Nylock" locking nuts to assure each stainless steel bolt is secured properly.*
- *EGR's precision robotically machined hardware mounting location holes leave a smooth finish without jagged edges*

CONÇU POUR DURER / *BUILT TO LAST*

Les extensions d'aile de LUND sont fait du matériel thermoplastique Tri-Flex™ en ABS pour permettre un maximum de résistance, de flexibilité et de résistance aux rayons UV.

LUND fender flares are made with Tri-Flex™ ABS thermoplastic material to allow for maximum strength, flexibility and UV resistant.

S'INSTALLE EN QUELQUES MINUTES / *INSTALL IN MINUTES*

Matériel de montage spécifique au véhicule est inclus avec chaque ensemble. Facile à installer sans perçage ou coupe nécessaire. Les extensions d'ailes SX-Sport de LUND s'installent sur les trous déjà existants avec des attaches. Les attaches d'origine sont utilisées en conjonction avec notre matériel pour assurer un montage solide sur le véhicule.

Vehicle-specific mounting hardware is included with every set. Easy to install with no drilling or cutting required, LUND SX-Sport Style fender flares mount to existing factory–drilled holes–attaching with clips. Factory original fasteners are used in conjunction with our hardware to ensure a solid non "fly-away" mounting to the vehicle.

FINI STANDARD / *STANDARD FINISH*

Nos finis standards sont conçus pour apporter style et fonctionnalité sans faille à votre véhicule. Cette finition offre un accent noir à votre véhicule ou ils peuvent être peints sur mesure pour correspondre à la peinture originale de votre véhicule.

Our standard finish flares are designed to bring today's seamless style and function to your vehicle. This finish offers an "as is" black accent to your vehicle or they can be custom painted to match your factory paint.

FINI TEXTURÉ / *TEXTURED FINISH*

Notre finition texturée est très similaire à la finition que certaines marques utilisent sur leurs couvre-caisses et d'autres accessoires automobiles populaires. Cette finition unique réduit considérablement les possibilités de marque d'impact et rayures tout en maintenant les couleurs noires semi-brillantes pour une plus longue durée que les autres finis.

Our textured finish is very similar to the finish that some brands use on their tonneau covers and other popular auto accessories. This unique finish greatly reduces the possibilities for scuffs and scratches while maintaining a vivid semi gloss black color for a longer period of time than other finishes.

RX-RIVET STYLE

Les extensions d'ailes RX-Rivet Style de LUND sont un complément parfait pour les camions surlevés, leur donnant un look audacieux unique.

Ces extensions d'aile offrent une couverture supplémentaire sur les camions ayant des roues et des pneus plus larges. Rehaussez votre véhicule avec un look impressionnant tout en protégeant des débris de la route. La hauteur supplémentaire des extensions d'aile est aussi une solution rapide pour couvrir la rouille et les dommages mineurs des ailes de votre camion.

LUND's RX-Rivet Style fender flares are the perfect addition to lifted trucks, giving them a bold, unmistakable appearance.

This rivet style fender flare provides extra coverage on trucks with larger wheel and tire packages. Update your vehicle with an awesome, wide-body look while shielding it from road debris. The extra height of the flares is also a great quick fix for covering rust and minor damages on the fender.

SX-SPORT STYLE

Les extensions d'aile SX-Sport Style de LUND ajoutent un style d'origine. Ce style d'extensions d'aile est parfait pour ceux qui recherchent des accessoires qui se marient bien avec leur véhicule. Les extensions d'aile profilées complètent la conception originale et les contours de la roue en ajoutant un style distinctif.

LUND's SX-Sport Style fender flares seamlessly add OE style. This fender flare style is perfect for those looking for clean line accessories that blend well with their vehicle. The flares' lowprofile complements the original design and contours of the wheel well while adding a distinctive style.

Rugged Ridge

TAPIS FABRIQUÉS SUR MESURE POUR TOUT TERRAIN
CUSTOM FIT ALL TERRAIN FLOOR LINERS

Épouse parfaitement votre plancher de véhicule pour un ajustement précis et sécuritaire. Crochet de plancher autoscellant garde l'humidité à l'extérieur tout en sécurisant la doublure. Ces tapis en thermoplastique de qualité OE sont moulés par injection qui leur donne une allure et une sensation de caoutchouc et procure une surface antidérapante.

Perfectly contoured to your vehicle's floor for precise, secure fit & protection. Exclusive self sealing floor hook attachment keeps moisture out while securing the liner (where applicable). These liners are high pressure injection molded from OE-quality thermoplastic that looks and feels like rubber and provides a nonslip surface.

Le contour élevé offre une protection maximum et la rétention d'eau.
High perimeter wall provides maximum protection & water retention.

Les lamelles de 3/8" sont 2-3 fois plus haute que ceux des tapis régulier.
3/8" tread is 2-3 times the tread height of regular vacuum formed liners.

WeatherTech®

PLATEAU POUR BOTTES / *BOOT TRAY*

BootTray™

Le BootTray est fabriqué à partir de TPE résistant, flexible et durable pour les entrées de maison les plus tumultueuses. Le BootTray est conçu avec un système de rainures qui retient la boue, la neige, l'eau et la saleté pour permettre à vos chaussures de sécher.

The BootTray is made from a strong, yet flexible TPE material that is durable for even the most rough and tumble household entry. The BootTray is engineered to keep mud, snow, water and dirt contained and features channels that keep the mess away from your shoes, allowing them to dry.

TAPIS D'INTÉRIEUR / *INDOOR MATS*

IndoorMat™

Avec confort et protection à l'esprit, le WeatherTech IndoorMat a été conçu pour répondre aux besoins de n'importe quelle porte d'entrée. Placez le tapis à l'entrée du vestiaire pour conquérir n'importe quels crampons de soulier de football ou bottes de pluie; devant la porte avant afin de recueillir les débris de feuilles; ou dans le lobby d'affaires pour recueillir l'eau laissé par la clientèle. Le tapis d'entrée IndoorMat est fabriqué à partir d'une résine recyclable à 100%. Il offre des rainures profondes de 0,38" pour contenir fluides et saletés pour protéger vos planchers

With comfort and protection in mind, the WeatherTech IndoorMat was designed to fit the needs of any doorway. Place the mat in the entrance of the family mudroom to conquer soccer cleats and rainboots; front door to collect visitor's leaf crunching debris; or business lobby to catch the leftovers of customer's walking through puddles. the IndoorMat entry mat is made from a 100% recyclable resin. It features a fully wrapped raised lip perimeter of 0,38" to contain any fluid and dirt to protect your floors from tracked-in messes.

TAPIS D'EXTÉRIEUR / *OUTDOOR MATS*

OutdoorMat™

Fabriqué à partir d'une résine recyclable à 100%, le WeatherTech OutdoorMat dispose d'un rebord élevé (0,42") spécialement combiné avec des cônes semi-rigides pour éliminer les débris sous les chaussures. Les gouttières qui entourent le tapis permettent aux liquides de s'écouler avec facilité.

Made from 100% recyclable resin, the WeatherTech OutdoorMat features a specially designed scraper edge (0,42") combined with semi-rigid cones to remove debris from shoes. Perimeter vents surround the edges to allow liquids to drain from the mat with ease.

WeatherTech®

FLOORLINER™ (Noir / *Black*)

- Le FloorLiner™ de WeatherTech recouvre précisément et complètement le tapis intérieur en donnant une "protection intérieure absolue".
- Les mesures des surfaces intérieures au laser numérique donnent toujours une forme parfaite !
- Un matériel haute densité triplement extrudé qui permet une base rigide pour la résistance, un frottement superficiel du tapis et un sens tactile à la surface.
- Les canaux soigneusement placés amènent les liquides et les débris dans un réservoir inférieur les gardant ainsi loin des chaussures et des vêtements.
- Applications pour les voitures VUS, les camions, les camionnettes et plus !
- Disponible en noir, gris, tan ou cocoa
- Garantie 3 ans
- *The WeatherTech FloorLiner™ accurately and completely lines the interior carpet giving "absolute interior protection".*
- *Digital laser measurements of interior surfaces offer a consistently perfect fit!*
- *A patent pending High-Density Tri-Extruded material allows for a rigid core for strength, surface friction to the carpet and a tactile feel to the surface.*
- *Carefully placed channels carry fluids and debris to a lower reservoir trapping fluids away from shoes and clothing.*
- *Applications for Cars SUV's, Pickup Trucks, Minivans and more!*
- *Available in black, grey, tan or cocoa*
- *3-year warranty*

Comment vérifier la disponibilité pour une autre couleur
How to check availability for other colours

- Choisissez un no. de produit dans le guide d'applications.
- Connectez-vous à notre site web – **www.rthibert.com**
- Lors de la recherche, remplacez les 4 premiers caractères de votre no. par **WT43**, **WT45** ou **WT46**.

- *Choose an item no. in the application guide.*
- *Login to our website – **www.rthibert.com***
- *When searching, replace the first 4 characters of your item no. by **WT43**, **WT45** or **WT46**.*

WT43_ _ _ _ Cocoa | **WT44_ _ _ _** Noir / *Black* | **WT45_ _ _ _** Tan | **WT46_ _ _ _** Gris / *Grey*

TAPIS NOIRS TOUTES SAISONS
ALL WEATHER BLACK FLOOR MATS

- Fabriqués de caoutchouc ultra résistant, les tapis possèdent des bandes profondément sculptés pour retenir l'eau, le sel de déverglaçage, la boue et le sable.
- Fait de résine brevetée pour faire en sorte que ces tapis ne gondolent pas, ne se fissurent pas et ne durcissent pas dans des températures sous zéro.
- Les stries d'antidérapage préviennent les déplacements dans le véhicle.
- Un protecteur, au fini non-collant pour un nettoyage rapide et facile.
- Disponible en noir, gris ou tan pour les voitures, les camions et les camionnettes ainsi que les VUS.

- *Made of heavy duty rubber and have deeply sculpted channels to trap water, road salt, mud and sand.*
- *Made of proprietary engineered resin to ensure these mats do not curl, crack or harden in sub-zero weather.*
- *Anti-skid ridges prevent shifting in the vehicle.*
- *A protective, non-stick finish make clean up quick and easy.*
- *Available in black, grey or tan for cars, trucks, minivans and SUVs.*

PROTECTION POUR CHARGEMENT
CARGO & TRUNK PROTECTION

- Couvre complètement le coffre et la zone de protection de chargement.
- Numériquement conçu pour s'ajuster au véhicule, le tapis a un rebord élevé pour maintenir l'excès d'eau, la saleté et la graisse à l'intérieur.
- Fabriqué à partir d'un mélange personnalisé de TPO qui résiste à l'usure et qui reste souple sous les températures extrêmes.
- Dispose d'une finition texturisée qui empêche les déplacements du chargement pour transporter à peu près n'importe quoi.
- Disponible en noir, gris ou tan pour la plupart des voitures, camions, camionnettes et VUS.

- *Provides complete trunk and cargo area protection*
- *Digitally designed to fit the vehicle and have a raised lip to keep spills, dirt and grease off the interior.*
- *Made from a custom blend of TPO that is wear resistant and remains flexible under extreme temperatures.*
- *Features a textured finish wich helps keep cargo from shifting making it perfect for hauling just about anything.*
- *Available in black, grey or tan for most cars, trucks, minivans and SUVs.*

WARRANTY

Absolute Grip

Le dessous en fibre breveté de Maxpider empêche le tapis de glisser et procure l'ultime sécurité.
Patented Maxpider fiber bottom layer prevents the mat from sliding and provides the ultimate safety.

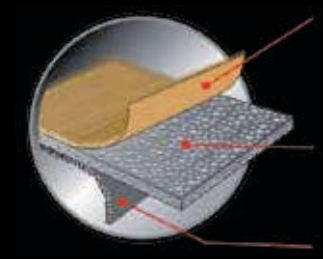

STRUCTURE BREVETÉ À 3 ÉPAISSEURS

Dessus: Solide, durable, résistant à l'usure.
Centre: Fabriqué de couches de XPE. Étanche, assourdissant, amortissant les chocs et thermostatique.
Dessous: Contient les fibres brevetées MAXpider qui s'accrochent à tout genre de tapis et mainti nt fermement le tapis en place, sans endommager le tapis d'origine

PATENTED 3-LAYER STRUCTURE

Surface Layer: *Strong, durable, wear resistant.*
Inner Layer: *Made of layered XPE. Waterproof, sound insulating, shock absorbent, and thermostatic.*
Bottom Layer: *Contains the patented MAXpider fibers that grip all types of carpet and keep the car mat firmly in place, yet without harming the original car carpet.*

Conception Sécuritaire **Ultime!** ***Ultimate Safety Design!***

HUSKY LINERS
VEHICLE ARMOR™

TAPIS PROTECTEURS NOIRS POUR PLANCHERS
BLACK FLOORS LINERS

La seule marque de protecteurs avec des pointes moulées sur le revers qui s'agrippent au tapis et aide le protecteur à rester en place.

The only brand of liners with molded in StayPut Cleats™ that help keep your liner from shifting around underfoot like lesser liners.

WeatherTech®

ENSEMBLE DE TAPIS UNIVERSELS NOIRS EN CAOUTCHOUC
UNIVERSAL BLACK RUBBER FLOOR MAT KIT

WT11AVMSBCA

- Une conception intelligente combinée aux lignes de finition permet un véritable ajustement personnalisé.
- Les crêtes et les creux contiennent les fluides afin de protéger le revêtement intérieur du véhicule.
- Souple et flexible qui ne courbera pas, ne se fissurera pas et ne durcira pas même à des températures sous zéro.
- Fini texturé pour empêcher les tapis de se déplacer.
- Approuvé pour l'équipement d'origine (OEM).

- *Intelligent design, combined with trim lines allow for a truly custom fit.*
- *Tall outer ridges and channels contain and keep fluid away from vehicle's interior.*
- *Soft flexible compound that won't curl, crack or harden even in sub-zero temperatures.*
- *Textured finished and raised areas prevent cargo from shifting.*
- *OEM approved.*

GARDE-BOUE 12" / *12" MUD FLAPS*

Nos garde-boue protègent votre parcours de la rage de la route. Sur route ou hors route, vous êtes le patron de ces garde-boue. Quand vous possédez un super camion, vous avez besoin de garde-boue à la hauteur. Amusez-vous sans vous préoccuper des éclaboussures. Allez-y pour une protection extrême.
Our mud flaps protect your ride from the rage of the road. Whether on or off-road, you're the boss of these mud flaps. When you have a monster of a truck, you need a monster of a mud flap. Play, don't spray.... Go for extreme protection.

GARDE-BOUE FORMFIT™ / *FORMFIT™ MUD GUARDS*

Les garde-boue FormFit de Husky Liners® sont fabriqués à partir de matériaux durables, résistant aux chocs de toutes saisons le thermoplastique est aussi robuste que les clous (ou des pierres). Ils sont faciles à installer, se conforment parfaitement à vos ailes et protègent votre promenade et ceux autour de vous.
Husky Liners® FormFit Mud Guards are made from durable, impact resistant all-weather thermoplastic that's as tough as nails (or rocks for that matter). They're easy to install, conform perfectly to your fenders, and protect your ride and those around you.

3M

PROTECTEUR DE TISSU SCOTCHGARD™ *FABRIC PROTECTOR*

12-4340
396g (14oz)
Aérosol / *Aerosol*

Une méthode facile, sécuritaire et efficace de traiter les tissus soi-même. Une protection pratique et durable contre la boue, les taches et la pluie.

An effective, safe, easy do-it-yourself-at-home method of treating fabrics. Offers convenient and lasting protection against soil, stains and rain.

NETTOYANT À BASE D'AGRUMES *CITRUS BASE CLEANER*

12-4335
142g (5 oz)

Dissout saleté, graisse et goudron. Nettoie et dégraisse les pièces de métal, moteurs, outils, béton ou toutes surfaces sales ou graisseuses. S'émulsifie lorsque rincé à l'eau.

Dissolve and flush away dirt, grease, tar. Clean and degrease metal parts, motors, tools, concrete, or any dirty or greasy surfaces. Emulsifies when flushed with water.

ADHÉSIF EN AÉROSOL *SPRAY ADHESIVE*

12-4300
515g (18oz)
Adhesif #76 *Adhesive*

Adhésif puissant et résistant aux températures élevées. Peut être utilisé pour coller tapis, revêtements de porte et tissus, revêtements de piscines et isolants de tuyau.

Strong with high temperature resistance. Can be used to bond carpet, door skins and fabric, swimming pool liners and pipe insulation.

SUPER ADHESIF POUR BANDES D'ÉTANCHÉITÉ *SUPER WEATHERSTRIP ADHESIVE*

12-9160
(150 ml) Tube

Pour coller tous types de bandes d'étanchéité aux portes. Pâle, sèche très rapidement et colle avec une force exceptionnelle. Peut également servir d'adhésif à joints sur les moteurs.

For adhering all types of weatherstrip to doors. Light coloured, very fast drying with exceptional bonding strength. Also used as a gasket adhesive on engines.

KAR500
12 x 483ml

Dissout le goudron, la fiente d'oiseau, les résidus d'insectes, la poussière, la suie, la graisse, l'huile et la vapeur de peinture, enlève l'oxydation, résiste aux rayons ultraviolets du soleil, au calcium et aux pluies acides.
Dissolves tar, bird droppings, the residue of insects, dusts, soot, grease, oil and paint fumes, removes oxydation, resists to the sun's ultraviolet rays, to calcium and acid rain.

SAVON-CIRE HAUTE TECHNOLOGIE / *HIGH-TECH SHAMPOO-WAX*

Procédé qui nettoie et cire à la fois.
One step shampoo and waxing performance.

KAR501
12 x 483ml

Le savon-cire donne une solution riche et mous-seuse qui enlève les saletés. Si la voiture est déjà cirée, regénère les qualités hydrofuges de la cire et lui assure une plus longue durabilité.
Makes a rich controlled suds solution that removes dirt and road film. During washing, it helps rejuvenate the damp-proofing characteristics of a previously waxed care.

NETTOIE TOUT SUPÉRIEUR / *SUPERIOR ALL PURPOSE CLEANER*

KAR751-1

BIOCIDEsystems™

Ça pue ? *Got Stink ?*

Ne faites pas que masquer les odeurs !
Éliminez-les avec Bio-Shock !
Élimination d'odeur
de puissance maximale

Don't just mask toxic odors!
Bio-Shock Them Away!
Maximum Strength
Odor Elimination

Utilisant la technologie révolutionaire ClO2-DMG™ exploitant la super puissance du dioxyde de chlore.
ÉLIMINE LES ODEURS EN PERMANENCE. N'EST PAS UN AGENT MASQUANT.

Using Revolutionary ClO2-DMG Technology™ Harnessing the Super Power of Chlorine Dioxide.
ELIMINATES SEVERE ODORS PERMANENTLY. NOT A MASKING AGENT.

Élimine facilement et efficacement les odeurs chimiques et organiques causées par :
Cigarettes, moufette, animal de compagnie, urine, vomissure, aliment avarié, moisissure, essence, peinture, poisson, feu, innondation, ordure, transpiration, cuisson, lait suri, bac d'eau usé, eau de cale et toutes les autres odeurs tenaces.

Rapide - Éliminera les odeurs en aussi peu que 4 heures jusqu'à un maximum de 24 heures dépendant de l'intensité de l'odeur.

NON TOXIQUE ET 100% BIODÉGRADABLE, NE LAISSE AUCUN RÉSIDU NOCIF, SANS VOC NI AGENTS CANCÉRIGÈNES

Facile à utiliser, brassez, ajoutez de l'eau et c'est tout ! Aucun effort.

Sans danger pour tout intérieur de véhicule et maison. Pour surface dure ou molle.

Easily and effectively eliminates organic and chemical odors caused by:
Cigarettes, skunk, pet, urine, vomit, spoiled food, mold, mildew, gasoline, paint, fish, fire, flooding, trash, sweat, cooking, sour milk, waste tank, bilge and all other types of severe stubborn odors.

Fast acting - Will eliminate odors in as little as 4 hours and a maximum of 24 hours depending on severity of the odor.

NON TOXIC ECO-FRIENDLY 100% BIODEGRADABLE, LEAVES NO HARMFUL RESIDUE, NO VOCS OR CARCINOGENS

Simple to use, just shake add water and walk away! Not labor intensive.

Safe in all automotive and home interiors. On hard and soft surfaces.

Pour l'auto / *For car*
Jusqu'à 250 pi. cu. d'espace intérieur */ Up to 250 cubic feet of interior space.*

PILOT™

RACLOIRS / *WATER BLADES*

Le racloir authentique "T-BAR" est la meilleure façon de sécher votre véhicule. Aussi efficace sur les surfaces ménagères tels que les carreaux, portes de douche, miroirs, comptoir et fenêtre. La lame en silicone doux n'égratinera pas la peinture de votre véhicule. Sécher votre véhicule en 1/3 du temps. Plus besoin d'essorrer les chamois et serviettes.
The genuine "T-BAR" waterblade is the most effective way to dry your vehicle. Also great on household surfaces like tile, shower doors, mirrors, counters and windows. Soft silicone blade won't scratch your's paint. Dry your vehicle in 1/3 of the time. No more need for wringing out chamois and towels.

PIAA

BALAIS D'ESSUIE-GLACE / *WIPER BLADES*

Conception monopièce - Empêche l'accumulation de neige et de glace en éliminant l'exposition de composants en métal.
Élimine le soulèvement - Le profil bas élimine le soulèment par le vent et le claquement de la lame.
Caoutchouc de silicone - Conserve son rebord nette et précis et résiste mieux aux températures extrêmes, à l'ozone et aux rayons UV. Dure deux fois plus longtemps qu'un balai conventionel.

One Piece Design - *Prevents ice and snow build-up through the elimination of exposed metal components.*
Eliminates Lift - *The low profile one piece design eliminates wind lift and blade chatter.*
Silicone Rubber - *Maintain a sharp, clean edge and offers better resistance to all environments (UV, Ozone & Temperature Extremes). Lasting two times longer than conventional wiper blades.*

BALAIS D'ESSUIE-GLACE Vendu à l'unité / *WIPER BLADES Sold per unit*

PERFORMANCE TOUTE SAISON / *ALL WEATHER PERFORMANCE*

Le balai d'essuie-glace NeoForm a l'apparence et la fonction de balais d'essuie-glace de type d'origine, mais avec la performance ajoutée de la résine de Teflon. L'aileron réduit l'effet de soulèvement par le vent.

NeoForm blades have the look and function of the latest OE blades, but with the value-added performance of Teflon resin. Spoiler reduces windlift at higher speeds.

LUND
Premium Style. Lasting Performance.

MARCHES TUBULAIRES 3" / *3" NERF BARS*

- Le robuste revêtement RHINO LININGS® procure un couche supplémentaire de protection contre le sel et la saumure
- La barre de 3" est fait d'un tube robuste en acier de 3 mm d'épaisseur
- Les marches anti-dérapantes robustes ont un abaissement de 4" pour faciliter l'accès à la cabine
- Procure une protection additionnelle aux portes et bas de caisse – gardant votre camion à l'état neuf plus longtemps

- *Tough RHINO LININGS® coating provides an extra layer of protection from road salt and brine*
- *The 3" bar is constructed from 3 mm thick, heavy-duty steel tubing for durability*
- *Tough non-skid hoop style steps drop 4" for easy cab access*
- *Provides extra rocker panel and door protection – keeping your truck looking newer longer*

MARCHEPIEDS TUBULAIRES EN ACIER INOXYDABLE 3"
3" STAINLESS STEEL TUBULAR SIDE BARS

Tube en acier inoxydable de 3" de diamètre. Acier inoxydable 304 fini miroir. La marche est compressée au lieu d'être découpée, donnant une plus grande force et prévenant la corrosion interne. Garniture de marche antidérapante moulée.

3" diameter stainless steel tube. Marine grade 304 prime stainless steel polished to a mirror finish. Step area is compressed, rather than a cut out hole, to enhance strength and prevents interor corrosion. Molded non-slip step pad.

Raptor series

MARCHEPIEDS EN ACIER INOXYDABLE / *STAINLESS STEEL RUNNING BOARDS*

S.S.R. BOARDS

Ces marchepieds "super-brillants", ultra polis, en acier inoxydable 304, ont une large marche de 7". Installation facile sans perçage, pour la plupart des modèles. Les supports avec revêtement poudré arrivent pré-installés pour la plupart des applications et sont pourvus de la garantie à vie limitée supérieure de Raptor.

These "super-brite" high polished 304 stainless steel boards have a 7" wide step area with easy no-drill applications for most models. The powder coated brackets come pre-installed for most applications and they are backed with Raptor's superior limited lifetime warranty.

RTX

PROTÈGE GRILLES EN ACIER INOXYDABLE AVEC DEL / *STAINLESS STEEL BULL BARS WITH LED*

CARACTÉRISTIQUES

Acier inoxydable 304 poli. Fait de tuyau robuste épais de 3.5" dia. Barre à DEL 20" intégré à faisceau large. Installation sans perçage.

- 18 DEL Cree x 3 watts = 54 watts.
- 3 024 lumens
- Température de couleur : 6.500K (blanc froid).
- Faisceau large (angle de rayonnement de 60°).
- Indice IP67.
- Boîtier en aluminium thermolaqué avec lentille en polycarbonate.
- Comprend faisceau de câbles de 24"

FEATURES

Polished 304 stainless steel. Made from thick 3.5" dia. Heavy duty steel tubes. Integrated 20" LED light bar with flood beam pattern. Easy no-drill installation.

- *18 Cree LED's x 3 Watts = 54 Watts.*
- *3,024 Lumens*
- *Color temperature: 6.500K (cool white).*
- *Flood light pattern (60-degree beam angle).*
- *IP67 rating.*
- *Powder coated aluminum housing with polycarbonate lens.*
- *Includes 24" wiring with DT harness*

NOTES

3 Les crochets de remorquage doivent être retiré.
16 La relocalisation de la plaque peut être requise. Les modèles Denali doivent relocalisé la plaque.
17 Incompatible avec régulateur de vitesse / alerte de prévention de collision dont le capteur laser est monté dans la grille.
18 Ne convient pas au véhicules équipés d'un régulateur de vitesse actif.
19 19. Peut être installé sur les véhicules équipés de "Ecoboost" mais ce n'est pas recommandé.
20 Peut interférer avec les capteurs de stationnement, les capteurs de proximité et les capteurs externes du régulateur de vitesse.

FOOTNOTES

3 Tow hooks must be removed.
16 License plate relocation may be required. Must relocate license plate on Denali models.
17 Will not be compatible with optional Adaptive Cruise Control-Forward Collision Warning Systems featuring grille mounted laser control sensor.
18 Will not work on vehicles with active cruise control system.
19 Can be installed on Ecoboost equipped vehicles but is not recommended.
20 May interfere with parking sensors, proximity sensors and external cruise control sensors.

COUVRE-CAISSES RIGIDES / *HARD FOLDING COVERS*

Charnières / *Hinges*

- Panneaux et cadre en aluminium léger.
- Fini peint noir semi-lustré.
- Charnières résistantes à l'eau avec les joints soudés à l'intérieur.
- Nos attaches brevetées à l'avant et à l'arrière peuvent être bougées dans l'une des trois positions.
- La pince avant (près de la cabine) est intégrée dans les rondelles de blocage pour que cela ne se desserre pas et maintienne le couvre-caisse étanche.
- Deux lumières DEL fonctionnant à pile sont intégrées à l'arrière du couvre-caisse.
- Joints en mousse surdimensionnés aux coins et charnières.
- Joints de caoutchouc EPDM à trois rainures (très bonne étanchéité)
- Joint "ailette" de hayon (De série sur tous nos couvre-caisses).

- *Lightweight aluminum panels and frame.*
- *Semi-gloss black painted finish.*
- *Water resistant hinges with inner "pinch seal".*
- *Our patented front and rear latches, they can be moved into one of three positions.*
- *Front (closest to cab) clamp has built in locking washers so that it never loosens and keeps cover tight.*
- *Two built in, battery operated LED lights at rear of cover.*
- *Extended height corner and hinge foam seals.*
- *Tri-grove side EPDM rubber gasket seals (very good at keeping water out)*
- *Tailgate "fin" seal (standard on all of our covers).*

BAKBOX 2
FOLD-AWAY UTILITY BOX

COFFRES À OUTILS POUR COUVRE-CAISSE
TOOL BOXES FOR TONNEAU COVERS

10" H x 10" x 65"

Le BakBox se retire instantanément de l'arrière de votre camion pour vous donner un coffre de rangement sécuritaire. Fait de panneaux à double face en aluminium ou en composite. Tous les finis sont en revêtement de poudre noir aux exigences EOM. Le BakBox s'assemble en un rien de temps et s'accroche aux rails. Le BakBox se replie en quelques secondes.

The BakBox instantly flips out from the back of your truck to give you a full, secure tool chest and cargo management box. Made from strong double sided aluminum or composite panels. All finishes are powder coated to OEM standards. The BakBox assembles in no time at all and simply hangs on your rails. The BakBox folds away in seconds.

TRIFECTA 2.0

SÉRIES 92000 / *92000 SERIES*

LE MEILLEUR VENDEUR À TROIS PANNEAUX SOUPLES VIENT DE S'AMÉLIORER
THE BEST SELLING SOFT TRI-FOLD JUST GOT BETTER

- Plus sexy – Des lignes épurées et des courbes douces créent une apparence plus lisse, plus profilée et à profil bas.
  Sexier – Sleek lines and soft curves create a smoother, more contoured, low profile appearance.
- Plus fort – Cadre de nouvelle conception est le plus fort de l'industrie. Fabriqué en aluminium léger de qualité aéronautique.
  Stronger – Newly engineered frame is the strongest in the industry. Made of lightweight aircraft grade aluminum.
- Plus intelligent – La toute nouvelle pince avant "Jaw-Grip" et la pince arrière "EZ-Lock" travaillent plus intelligemment et non pas plus fort.
  Smarter – The all new front Jaw-Grip Clamp and rear EZ-Lock Clamp work smarter not harder.
- *Garantie de solidité maximale - cadre et toile à vie.*
  Maximum Strength Warranty - Lifetime frame and tarp.

TOOLBOX: SÉRIE 84000 / *84000 SERIES*

RIGIDE REPLIABLE
FOLDING HARD LID TONNEAU

- **NOUVEAU** Panneaux plus légers, 1" d'épaisseur, faits en OTP robuste de qualité automobile avec centre en polypropylène pour un maximum de résistance aux entailles. Frais au toucher lors des journées chaudes, il ne se décoloreront ni ne se briseront à cause de la chaleur.
- **Gestion de l'eau ultime:** Tout nouveau design. La combinaison des coins en caoutchouc, des capuchons sur les bouchons et des joints clipsés au modernisme de la fabrication d'équipement d'Extang créé le couvre-caisse rigide repliable le plus résistant à l'eau disponible sur le marché !

- ***ALL-NEW*** *lightweight 1" thick panels made of heavy-duty automotive grade TPO skins with polypropylene core for the ultimate in dent resistance and are cool to touch on hot days and will not fade or break down under heat load.*
- ***Ultimate Water Management:*** *All new design using rubber corners, hinge caps and snap-on seals combined with Extang's modern manufacturing equipment results in the most water resistant hard folding cover on the market!*

extang tonneau covers

ENCORE TONNO

RIGIDE REPLIABLE À PROFIL SURBAISSÉ
LOW PROFILE FOLDING HARD LID TONNEAU

- Maintenant doté du verrou BOLT®; technologie de pointe à clé unique. Le verrou du panneau avant s'appareille à votre clé de contact (disponible sur la plupart des modèles). Le loquet arrière ultra robuste verrouille le couvert au hayon.
- Le premier couvre-caisse à offrir une ouverture à l'avant et à l'arrière. Les panneaux d'ouverture plus large sont plus pratiques pour charger et décharger la cargaison.
- Garantie de solidité maximale - 3 ans.

- *Now featuring the BOLT® lock; breakthrough one-key technology. Front panel lock codes to match your ignition key (available on most models). Heavy-duty rear latch locks the cover at the tailgate.*
- *The first 3-panel hard folding cover that provides both front panel opening and rear fold-up. The wider panel openings are more convenient for storing and unloading cargo.*
- *Maximum Strength Warranty - 3 years.*

SÉRIE 62000 / *62000 SERIES*

TRUXEDO
TRUCK BED COVERS

LO PRO

L'ENROULABLE LE PLUS VENDU EN AMÉRIQUE
AMERICA'S #1 SELLING ROLL-UP COVER

CONCEPT À PROFIL BAS ET FACILE D'INSTALLATION
Aucun perçage ou outils spéciaux requis. La partie avant à relâchement rapide permet de retirer entièrement le couvre-caisse en quelques secondes, sans outils, libérant la caisse à 100%. Loquet anodisé à gachette unique nécessite un seul doit pour ouvrir le couvre-caisse.

CONTRÔLE AUTOMATIQUE DE LA TENSION
Son concept breveté garde la toile tendu à toutes les températures et conditions météorologique pour maintenir une belle apparence.

LOW PROFILE DESIGN AND EASY INSTALLATION
No drilling or special tools required. Quick-Release front header allows entire cover assembly to be removed in seconds, without tools, providing 100% full bed access. Anodized single trigger latch requires only one finger to open the cover.

AUTOMATIC TENSION CONTROL
Patented design allows the cover to maintain a tight fit and great look in extreme temperatures and all weather conditions.

DEUCE

2 C'EST MIEUX QUE 1 — 2 IS BETTER THAN 1

ACCÈS UNIQUE À L'AVANT DE LA CAISSE
Non seulement le Deuce s'enroule de l'arrière comme un couvre-caisse conventionnel mais en tirant un loquet, l'avant s'ouvre en basculant et vous donne accès de chaque côté.

FACILE À INSTALLER ET RETIRER
Pré-assemblé, le système à fixation rapide et les pinces sans perçage permettent une installation en moins de 20 minutes.

UNIQUE FRONT OF THE BED ACCESS
Not only does the Deuce roll up like a conventional truck bed cover from the rear, but with a pull of a latch the front flips open to allow you to access the front of the bed from either side.

EASY-TO-INSTALL & REMOVE
Pre-assembled, quick attach cover system and no-drill clamps make installation time less than 20 minutes.

TRUXPORT

UN ENROULABLE DE QUALITÉ À PRIX D'UN ENCLIPSABLE
QUALITY ROLL-UP AT A SNAP COVER PRICE

POLYVALENCE AVEC BELLE APPARENCE ET INSTALLATION RAPIDE
Les supports droits s'enroulent avec la toile et procurent une allure lisse et plat lorsqu'il est fermé.
Les pinces sans perçage permettent une installation en moins de 20 minutes.

FONCTIONNE BIEN DANS TOUS LES CLIMATS
Système de fermeture à crochets et à boucles de qualité industrielle procure un contact continu entre les rails et la toile.

VERSATILE WITH GREAT LOOKS AND FAST INSTALLATION
Straight bows roll up with the tonneau cover and provide a smooth, flat look when closed. Easy, no-drill clamps allow for a simple installation in less than 20 minutes.

WORKS GREAT IN ALL CLIMATES
Industrial strength hook and loop system provides continuous contact between the rails and the cover.

TRUCK HERO company

TRUXEDO
TRUCK BED COVERS

PRO X15
PREMIUM ROLL-UP TRUCK BED COVER

COUVRE-CAISSES SUPÉRIEURS À PROFIL TRÈS BAS
PREMIUM ROLL-UP COVER WITH XTRA-LOW PROFILE

INSTALLATION ET UTILISATION FACILE
Aucun perçage ou outils spéciaux requis. La partie avant à relâchement rapide permet de retirer entièrement le couvre-caisse en quelques secondes, sans outils, libérant la caisse à 100%. Loquet anodisé à gachette unique nécessite un seul doit pour ouvrir le couvre-caisse.

NOUVEAUX RAILS X15
Rails 15° distinctifs à profil très bas procurent un montage affleurant sur la caisse. Unique "self-leveling" design feature allows for a faster, more accurate installation.

CONTRÔLE AUTOMATIQUE DE LA TENSION
Son concept breveté garde la toile tendu à toutes les températures et conditions météorologique pour maintenir une belle apparence. Montage près du hayon pour un accès facile.

EASY INSTALLATION & USE
No drilling or special tools required. Quick release front header allows entire cover assembly to be removed in seconds, without tools, providing 100% bed access. Anodized single trigger latch requires only one finger to open the cover.

NEW X15 RAILS
Distinctive, Xtra-low profile, 15 degree rail provides a flush mount look on the truck bed. Unique "self-leveling" design feature allows for a faster, more accurate installation.

AUTOMATIC TENSION CONTROL
Patented design allows the cover to maintain a tight fit and great look in extreme temperatures and all weather conditions. Rear mounted near the tailgate for easy access.

TiTANiUM

UN ENROULABLE À L'ALLURE D'UN RIGIDE
ROLL-UP UTILITY WITH HARD COVER ATTITUDE

INSTALLATION ET UTILISATION FACILE
Aucun perçage ou outils spéciaux requis. La partie avant à relâchement rapide permet de retirer entièrement le couvre-caisse en quelques secondes, sans outils, libérant la caisse à 100%.

LAMELLES D'ALUMINIUM
Les lamelles robustes, reliées ensemble et collées à un matériel simili cuir de qualité industrielle résistant aux rayons UV procurent résistance et sécurité.

EASY INSTALLATION & USE
No drilling or special tools required. Quick-Release front header allows entire cover assembly to be removed in seconds, without tools, providing 100% full bed access.

ALUMINUM SLATS
Heavy-duty slats, linked together and bonded to a UV resistant, industrial-quality leather grain fabric, provide strength and security.

COUVRE-CAISSES RIGIDES RÉTRACTABLES / *RIGID RETRACTABLE TONNEAU COVERS*

Le RetraxONE MX allie un polycarbonate robuste et durable avec un fini noir mat élégant résistant aux égratignures. Le ONE MX glisse facilement sur ses roulements à billes étanches, ce qui en fait le couvre-caisse rétractable le plus facile à utiliser sur le marché, et son nouveau fini mat lui donne une allure qui s'harmonise.

- **FABRICATION MONOPIÈCE MAT**
- **VERROUILLABLE À CLÉ DANS TOUTES LES POSITIONS**
- **SYSTÈME DE RANGEMENT EN SPIRALE**
- **PROTÉGÉ CONTRE LES UV**

The RetraxONE MX combines strong and durable single-piece polycarbonate material with a stylish scratch resistant matte black finish. The ONE MX easily glides on its sealed ball bearings, making it the most easy-to-use retractable bed cover on the market, and its new matte finish gives it the look to match.

- ***MATTE ONE-PIECE CONSTRUCTION***
- ***KEY LOCKABLE IN ANY POSITION***
- ***SPIRAL TRACK STORAGE SYSTEM***
- ***UV PROTECTED***

COUVRE-CAISSES REPLIABLES SUR RAIL / *ROLL-UP RAIL TONNEAU COVERS*

Le couvre-caisse Access® TonnoSport™ vous donne un look soigné à bas prix. Une fois le couvercle fermé, il ne dépasse pas plus d'un 1/2" de haut, ce qui donne l'illusion d'être au même niveau que la caisse. La couverture donne à votre camion une belle apparence et vous permet aussi de faire des économies d'essence lors de vos déplacements. Le couvre-caisse Access® TonnoSport™ Roll-Up s'ajuste à votre style de vie, votre camion et votre budget.

The Access® TonnoSport™ *cover gives you a sleek, low profile look at a great low price. When closed, the cover lies a mere 1/2" above the truck box-virtually disapearing before your eyes from the side or rear profiles. The cover gives your truck a smooth, steamlined look while providing you with gas mileage savings and protection for your cargo. The* Access® TonnoSport™ Roll-Up *cover fits your lifestyle, your truck and your budget.*

COUVRE-CAISSES REPLIABLES SUR RAIL *ROLL-UP RAIL TONNEAU COVERS*

- L'AutoLatch™ breveté présente un loquet automatique double qui se libère en un seul mouvement souple vers le bas en tirant sur la boucle
- Le système de fixation crochets & boucles donne un joint d'une grande solidité
- Le XT-Dial™ offre une prise surdimensionnée
- Combiné avec joint de vinyle renforcé du devant et de l'arrière, le couvre-caisse est scellé sur les quatre côtés
- Les courroies en nylon super résistantes fixent la toile compactée en place
- *Patented Autolatch™ has an automatic, dual locking system that releases both locks in one smooth action*
- *Hook & loop fastening system provides a high-strength seal that runs full length of bed*
- *The XT-Dial ™ features an easy grip tension adjuster*
- *Combined with the front & rear reinforced vinyl seal - the cover is sealed on all four sides*
- *Super tough nylon straps secure the rolled up cover*

LATCH N LOAD®

Latch N Load® est un nouvel outil révolutionnaire pour arrimer une charge prolongée au hayon de votre camion. Il est fait d'acier au carbone et construit assez fort pour pouvoir durer plusieurs années. Ce nouveau système facilite l'arrimage des charges et permet un transport en toute sécurité quand vous en avez besoin. Plus d'attache abracadabrante autour de votre hayon ou de vos pare-chocs. Plus aucun dommage à la partie supérieure de votre hayon et surtout, PLUS AUCUNE PERTE DE CHARGE SUR LA ROUTE !

Latch N Load® is a revolutionary new tool for tying down any extended load in your pickup. Its made of carbon steel and built strong enough to last for many years. This new system makes it easy to tie down and safely transport whatever you need to haul. No more tying around your tailgate or bumper. No more damage to the top of your tailgate, and NO MORE LOAD IN THE ROAD!

La housse d'auto " NeverWet" n'est comparable à aucune autre sur le marché. Elle présente la technologie "NeverWet" qui repousse activement l'humidité.
The Rust-Oleum NeverWet car cover is unlike any other car cover on the market. This car cover features NeverWet technology that actively repels moisture

- Matériel hydrophobe supérieur offrant une barrière imperméable à 100%
- L'humidité sur la housse perlera et s'écoulera
- Oeillets renforcés intégrés
- Résistant aux taches - lavable
- *Superior hydrophobic material creates a 100% waterproof barrier*
- *Moisture on cover will simply bead up and roll away*
- *Built-in reinforced grommets help keep cover secure*
- *This cover is stain resistant - dust and dirt will wash away*

Budge-Lite présente une housse légère en polypropylène très doux et résistant à l'abrasion. Pour usage général à l'intérieur et un usage de courte durée à l'extérieur.
Budge-Lite automotive covers features a light-weight spun-bonded polypropylene material that is soft and abrasion resistant. A great general use cover for indoor storage or short term outdoor use.

SHIELD

La compagnie Dupont, un chef de file dans les matériaux de protection, a créé ce produit révolutionnaire en utilisant une nouvelle technologie simplement connue comme "Advanced Composite Technology". Les scientifiques de Dupont ont utilisé des matériaux de différentes compositions et les ont combinés en multi-densité et micro-deniers. Ce procédé breveté a permis de créer un nouveau matériel assurant une protection soutenue contre la poussière et les rayons UV...tout en procurant une douceur jamais vue auparavant dans d'autres matériaux. Budge a utilisé ce matériel pour fabriquer la meilleure housse d'auto de l'industrie...SHIELD

Dupont, a leader in protective materials, has created this revolutionary product using a new technology known simply as Advenced Composite Technology. Through this process, Dupont scientists have taken materials of various compositions and combined them into multi-density, micro-denier configurations. This patented process has created a new material providing heightened protection from dust, moisture ans UV rays... while prossessing a softness not previously seen in other man-made materials. Budge industries, LLC has converted this new material into the pinnacle product in the car cover industry... the Shield.

Jusqu'à / *up to* 13' 1"

FILMS D'URÉTHANE TRANSPARENT / *CLEAR URETHANE FILMS*

En effet, ce film de protection de carrosserie vous évite de coûteux travaux de peinture. Il est souvent difficile de réparer uniquement la partie abîmée de votre véhicule. Film ultra transparent, ne se voit pas et protège efficacement et durablement votre auto des agressions extérieures quotidiennes telles que les projections de graviers ou de goudrons (dégradation de peinture auto), les négligences lors de stationnements (rayure de pare-choc), les coups de clé et le vandalisme (rayures), les insectes et excréments collés (incrustation dans la peinture auto), etc.

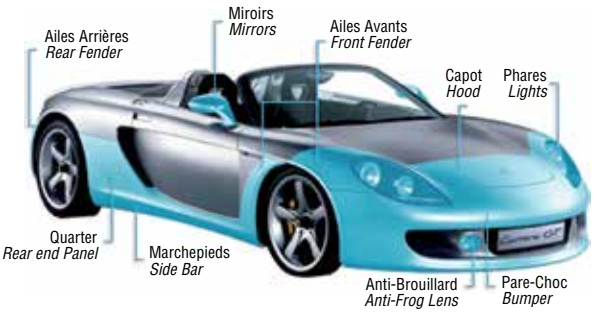

Avantages

Le film de protection carrosserie protège votre véhicule de ces inévitables détériorations quotidiennes. Ainsi vous conservez une voiture en parfait état et vous augmentez de ce fait sa valeur et sa facilité de revente. Cet argument est d'autant plus valable pour les véhicules haut de gamme qui ne supportent aucune imperfection.

An ultra fine transparent film offering efficient and durable protection of your vehicle against daily outdoor unexpected events, such as damages caused by gravel or tar, neglect when parking, paint deterioration, vandalism, scratches, incrustations in the paint, etc.

Advantages

The paint protection film guards your vehicle from these daily unavoidable damages; therefore you may keep your vehicle looking new, increasing its value and the chances of reselling it. Perfect for luxurious vehicles which requiere extra care. It is often difficult to repair only the damaged section of your vehicle, hence the paint protection film prevents costly paint jobs.

TRIM-GARD

MOULURES / *MOULDINGS*

TRIM-GARD recouvre la partie “chrome” de toutes ses moulures d’un épais vinyle transparent, très durable, qui accorde 20 fois plus de protection au fini tout en procurant au chrome un fini lustré remarquable.

TRIM-GARD now cap the chrome of all mouldings with a thick, tough, layer of crystal vinyl, which provides 20 times more protection to the chrome finish, and actually improves the look of the chrome by imparting a deep rich glow.

- Calibrage des pneus de 22.5" à 42"*
- Mise au point compatible avec filtre à air de rechange, système d'échappement "cat-back" et entretoises de corps d'accélérateur
- Mise au point hors route CRAWL exclusive*
- Ajustements SSPP*
- Changement de vitesse de la transmission automatique optimisé
- Verrouille les serrures "Rubicon" en position 4-HI
- Ajuste le tournage au ralenti en temps réél pour garder les accessoires fonctionnels.
- Lis et efface les codes d'erreur diagnostiqués
- Mise à jour via USB avec le tout nouveau logiciel

*: Les caractéristiques peuvent varier selon l'année, la marque et le modèle

FLASHPAQ KEY FEATURES

- *High-resolution, 2.8" color screen*
- *Redesigned graphic interface for improved user experience*
- *Increased memory with faster processor for improved tuning & updating speed*
- *Power, fuel economy & towing tunes (Up to 20% improvement in power)*
- *Help eliminate downshifting whem climbing hills*
- *Calibrate for tire from 22.5" to 42"**
- *Tuning works with aftermarket air filters, cat-back exhaust systems and throttle body spacers*
- *Exclusive CRAWL off-road tune**
- *TPMS adjustments**
- *Automatic transmission shift optimization*
- *Lock Rubicon lockers in 4-HI*
- *Adjust idle in real-time to run accessories*
- *Read and clear diagnostic trouble codes*
- *Internet updateable with all-new update software via USB*

**: Features may vary based on year, make & model.*

WEST COAST WHEEL ACCESSORIES

Permet d'installer des roues avec un entraxe différent de celui de l'auto.
par ex. : roue avec diamètre de perçage 5-114.3 sur un entraxe de 5-112
Allows to install wheels onto cars with different bolt pattern.
e.g.: 5-114.3 PCD wheel on 5-112 bolt pattern

Les codes en **ROUGE** indiquent un item discontinué à quantité limitée / *Codes in **RED** indicate a limited quantity discontinued item*

LEXIQUE / *FOOT NOTES*

AA Nécessite le retrait temporaire du pare-choc pendant l'installation
Requires temporary removal of bumper during installation.

AB Nécessite 4 plaques d'espacement de 3/8" (01077-011) pour l'installation. Vendu séparément.
Requires four (4) 3/8" spacer blocks (#01077011) for installation. (Sold separately)

AE Nécessite le retrait temporaire du silencieux pendant l'installation
Requires temporary removal of muffler during installation.

AF L'attelage a une capacité de charge de 3500 lb (poids brut de remorque) / 350 lb (poids au timon) et ne peut utiliser un distributeur de poids sur ce véhicule. Sauf camionnette à caisse longue.
Hitch is ONLY rated for Weight Carrying at 3500 lb. GTW / 350 lb. TW and DO NOT use Weight Distribution Spring Bars for this Specific Vehicle. Except for long bed pickups.

AI Peut nécessiter un temps d'installation supplémentaire
Additional installation time may be required.

AL Temps d'installation supplémentaire requis pour les véhicules équipés d'un compresseur de nivellage de charge.
Additional installation time required for vehicles equipped with load leveling compressor.

AW Ne fait pas sur modèle Turbo / *Will not fit Turbo models*

B Nécessite un repositionnement mineur du silencieux
Minor repositioning of muffler required

CA Les modèles à échappement double nécessitent une modification de l'échappement
Models with dual exhaust require exhaust modification

CC Nécessite un minimum de 19" du bout du longeron de cadre de châssis jusqu'au support de jumelle
Requires minimum of 19" from end of frame rail to spring shackle bracket.

CN Pare-chocs d'origine requis pour l'installation de l'attelage.
Requires OEM factory bumper for hitch installation.

CP Fait sur tout les modèles sans attelage d'origine installé
Fits all models without factory installed receiver.

CQ Ne fait pas avec une suspension renforcée
Will not fit with heavy duty suspension

CR Fait avec pneu de secours compact sous le véhicule
Fits with mini spare tire stowed under vehicle. Will not fit with full size spare.

CS Conviendra avec pneu de secours pleine grandeur sous le véhicule
Will fit with full-size spare tire stowed under vehicle.

CT Ne fait pas sur les modèles à caisse longue après 1999.
Will not fit long bed models after 1999.

DA Ne fait pas avec pare-choc de type tubulaire / *Will not fit with tube style bumper*

DB Ne fait les camionnettes avec caisse de 6' / *Will not fit 6 ft. bed pickups*

DH Ne peut être installé sur les véhicules 1987-97 avec pare-choc à marchepied sauf si le pare-choc à marchepied et les supports sont retirés et qu'un pare-choc standard d'origine est installé.
Cannot be installed on 1987-97 vehicles with factory step bumpers unless step bumper and its mounting brackets are permanently removed and standard factory bumper is installed

DS Utilisé le 75151 sur les modèles 1500 construit après 1/11/02. Utilisé le 75135 sur les modèles 1500 construit avant 1/11/02.
Use #75151 On 1500 Models Built After 11/1/02. Use #75135 On 1500 Models Built Before 11/1/02.

DU Nécessite de retirer le fascia / *Fascia removal required*

D Pour modèle 1500 construit après 1/11/02
Use On 1500 Models Built After 11/1/02.

EB Le support électrique d'origine ne fait pas avec cet attelage. Doit utiliser un support ou boîtier de marché secondaire.
Factory electrical bracket will NOT fit with this hitch. Must use aftermarket electrical box or bracket.

EF Convient à tous les modèles avec pare-chocs standard
Fits all models with standard bumpers

EG Ne nécessite pas une relocalisation du pneu de secours. NOTE : Nécessite une clé plate de 19 mm pour retirer le pneu de secours après l'installation
Relocation of spare tire bracket is not required. NOTE: 19mm open end style wrench required to allow removal of spare tire after hitch installation.

EO Nécessite une barre d'attelage plus longue / *Requires longer ball mount*

EP Peut nécessiter un découpage du fascia / *Fascia trimming may be required*

FE Nécessite le découpage du fascia. Prévoir un temps d'installation supplémentaire.
Fascia trimming may be required. Allow additional installation time.

FP Nécessite un repositionnement et/ou modification du pneus de secours
Spare tire repositioning and/or modification of spare tire carrier may be required.

FS Inclus modèles 2 et 4 RM avec suspension renforcée.
Includes 2 & 4 WD models with heavy duty suspension.

GH Ne fait pas sur les modèles avec cadre de 34" de large.
Will not fit models with 34" wide frames

GP La traverse de l'attelage est dissimulée derrière le pare-choc.
Hitch crosstube concealed behind bumper

GU Ne fait pas sur véhicule avec fascia inférieur ou pare-choc tubulaire
Will not fit vehicles with lower Fascia/Rollpan or Tube Bumper.

GX Nécessite la fabrication d'un support en "L" pour repositionner l'échappement sur les modèles avec caisse de 6' de 1995 et plus récent
Requires fabrication of "L" bracket to reposition exhaust on '95 and later 6 ft. box models.

HA La garniture de calandre externe sous les véhicules de 95-97 et 03-05 doit être retirer pour l'installation
External dress panel beneath 95-97 and 03-05 vehicles must be removed for hitch installation.

HB Une légère déformation du fascia peut se produire sur quelques modèles
Slight fascia deformation may occur on some models.

HC Ne fait pas avec pneu de secours compact ou pleine grandeur sous le véhicule
Will not fit with mini or full size tire stowed under vehicle

HD Ne fait pas les camionnettes avec caisse de 6' sauf les cabines doubles
Will not fit 6' bed pickups except 6' Super Cab.

HM La traverse de l'attelage est visible sous le pare-choc.
Hitch crosstube is visible beneath bumper.

HR Nécessite le perçage du protecteur thermique sur les modèles V6
Requires drilling of heat shields on V6 models.

HX Peut nécessiter des modifications mineures à l'échappement
Minor exhaust modification may be required.

H Les barres d'attelage *Ultra Frame* DT #4283/HH #80125 ne peuvent être utiliser en position d'élévation avec les pare-choc à marchepied
Ultra Frame ball mount DT #4283/HH #80125 cannot be used in rise position on vehicles with step bumpers.

I L'attelage est positionné plus à l'arrière pour accommoder le pneu de secours
Hitch is positioned further rearward to accommodate spare tire.

J Le rangement du pneu de secours sous le véhicule est maintenu
Under vehicle spare tire stowage is retained.

JF Ne fait pas avec pneu de secours de 16" / *Will not fit with 16" spare tire*

JL L'installation nécessite un pare-choc et supports d'origine
Installation requires OEM bumper and brackets

JR L'échappement doit être temporairement abaissé pour l'installation
Exhaust must be temporarily lowered for installation.

JV Le déflecteur d'air en caoutchouc/fascia doit être retiré ou taillé pour installer l'attelage.
Rubber air deflector/fascia must be removed or trimmed to install hitch.

LEXIQUE / *FOOT NOTES*

K Les camionnettes de série F de 1980 à plus récent nécessitent l'adaptateur #1685 avec DT #41504/HH #87480/RS #37081 & RS #44143
Adapter kit (#1685) required with DT #41504/HH #87480/RS #37081 & RS #44143 for 1980 and later F-Series pickups.

KH Peut nécessiter des modifications mineures du protecteur thermique
Minor heat shield modification may be required.

KK Lorsqu'on installe sur un véhicule originalement équipé d'un attelage d'origine, des supports de pare-chocs d'origine doivent être acheté avant l'installation d'un nouvel attelage.
When installing on a vehicle originally equipped with an OEM hitch, OEM bumper brackets must be purchased and installed prior to new hitch installation.

KL L'attelage est conçu pour se fixer sous l'attelage d'origine
Hitch is designed to attach beneath the OEM hitch

KM Ne fait pas sur les modèles originalement équipé d'un attelage d'origine.
Does not work with models originally equipped with OEM hitch.

L Nécessite le repositionnement de l'échappement / *Exhaust repositioning required*

LT Nécessite le le retrait de l'attelage d'origine, si présent
Requires removal of factory hitch if equipped

M Convient avec suspension renforcée / *Will fit with heavy-duty suspension*

MB Ne fait pas sur véhicules équipé d'une suspension pneumatique.
Will not fit models equipped with air suspension package.

QW Ne convient pas au véhicule avec échappement double
Will not fit vehicles with dual exhaust

RA Ne pas installer sur les modèles de début 1996 équipés de fixations M10
Do not install on early 1996 models equipped with M10 fasteners

RB L'installation de l'attelage peut être facilitée avec un foret aléseur
Hitch installation can be made easier with a "cutter" type drill bit.

RC Ne fait pas sur modèle avec "Sport bar" à l'arrière / *Will not fit with rear sport bars*

RO Ne fait pas sur Silverado SS / *Will not fit Silverado SS*

SA Perçage requis sur modèle avec caisse de 6' / *Requires drilling on 6' bed models*

SB Ne fait pas sur modèle avec caisse courte / *Will not fit models with short bed*

SC Nécessite un découpage mineur du bac du coffre en plastique
Minor trimming of plastic trunk pan required

SD Les attelages produits avant le 21/07/06 sont évalués à 350/3500 WC
Hitches produced before 07/21/06 are rated at 350/3500 WC

SG Les attelages produits avant 10/09/07 sont évalués à 1000/10000WC & 1200/12000 WD.
Hitches produced before 09/10/07 are rated at 1000/10000 WC & 1200/12000 WD.

SH Les attelages produits avant 27/09/07 sont évalués à 1200/12000WC & 1400/14000 WD.
Hitches produced before 09/27/07 are rated at 1200/12000 WC & 1400/14000 WD.

SI Les attelages produits avant 31/07/07 sont évalués à 350/3500WC & 500/5000 WD.
Hitches produced before 07/31/07 are rated at 350/3500 WC & 500/5000 WD.

SN Les attelages produits avant 28/04/08 sont évalués à 1000/10000WC & 1200/12000 WD.
Hitches produced before 04/28/08 are rated at 1000/10000 WC & 1200/12000 WD.

SO Avec cet attelage installé, le pare-choc à marchepied ne peut plus être utilisé comme point de remorquage
With this hitch installed the step bumper is no longer able to be used as a towing point.

SR Pour ce véhicule, utilisez uniquement une barre d'attelage de 8 1/2" de longueur : 3/4" d'élévation : 2" d'abaissement.
Only use ball mounts with 8-1/2" length : 3/4" rise : 2" drop for this vehicle.

ST Ne fait pas avec modèle 2RM avec caisse courte
Will not fit 2WD models with short bed.

SU Les attelages produits avant 11/03/08 sont évalués à 1000/10000WC & 1200/12000 WD.
Hitches produced before 03/11/08 are rated at 1000/10000 WC & 1200/12000 WD.

SV Peut être nécessaire de couper ou enlever le panneau esthétique sous le véhicule
Trimming or removal of under body appearance panel may be required

S La traverse de l'attelage est visible sous le pare-chocs ayant un écart plus que normal entre le fascia et la traverse
Hitch crosstube is visible beneath bumper with a more than normal gap between fascia and crosstube.

SZ Les attelages produits avant 10/03/11 sont évalués à 600/6000WC.
Hitches produced before 03/10/11 are rated at 600/6000 WC.

TA Nécessute l'accès au coffre pour l'installation de l'attelage
Trunk access required for hitch installation.

TD Attelages sans support électrique sont évalués à 350/3500 WC & pas de WD.
Attelage avec support électrique évalué à 400/4000 WC & pas de WD.
Hitches without electrical bracket are rated at 350/3500 WC & No WD. Hitch with electrical bracket rated at 400/4000 WC & No WD.

TE Les attelages produits avant 20/04/11 sont évalués à 500/5000WC.
Hitches produced before 04/20/11 are rated at 500/5000 WC.

TG Les attelages produits avant 13/05/11 sont évalués à 350/3500WC.
Hitches produced before 05/13/11 are rated at 350/3500 WC.

TI Les attelages produits avant 06/06/11 sont évalués à 400/4000WC.
Hitches produced before 06/06/11 are rated at 400/4000 WC.

TJ Les attelages produits avant 13/07/11 sont évalués à 350/3500WC.
Hitches produced before 07/13/11 are rated at 350/3500 WC.

TK Les attelages produits avant 09/09/11 sont évalués à 500/5000WC & 600/6000WD.
Hitches produced before 09/09/11 are rated at 500/5000 WC & 600/6000 WD.

TL Les attelages produits avant 31/10/11 sont évalués à 500/5000WC & 750/7500WD.
Hitches produced before 10/31/11 are rated at 500/5000 WC & 750/7500 WD.

TM Les attelages produits avant 04/01/12 sont évalués à 500/5000WC & 750/7500WD.
Hitches produced before 01/04/12 are rated at 500/5000 WC & 750/7500 WD.

TN Les attelages produits avant 09/07/12 sont évalués à 500/5000WC & 500/5000WD.
Hitches produced before 07/09/12 are rated at 500/5000 WC & 500/5000 WD.

TO Ne fait pas sur modèle châssis cabine équipé avec main de ressort
Will not fit models equipped Chassis Cab spring mount.

TQ Les attelages produits avant 30/07/12 sont évalués à 350/3500WC
Hitches produced before 07/30/12 are rated at 350/3500 WC.

TU Les attelages produits avant 24/07/12 sont évalués à 350/3500WC
Hitches produced before 07/24/12 are rated at 350/3500 WC.

TW L'attelage peut limiter la portée du capteur du hayon main-libre
Receiver hitch may limit hands-free liftgate sensor range

TZ Nécessite le remplacement de la structure d'impact par l'attelage
Requires replacement of the impact structure with hitch

UD Nécessite le retrait du fascia sur les modèles XR & XRS.
Fascia removal required on XR & XRS models.

UL Cet attelage ne fait pas sur un Sprinter à roue simple ou jumelée avec cadre de 30 3/8" de large mesuré de l'extérieur du cadre à l'extérieur du cadre
This hitch will not fit a Sprinter single or dual rear-wheel vehicle with a 30 3/8" wide frame measured outside of frame to outside of frame.

V Pour véhicule avec pare-choc à marchepied
For vehicles with factory installed step bumpers only

VB Ne convient pas aux véhicules avec amortisseur de vibrations installé à l'arrière du châssis du côté conducteur.
Will not fit vehicles with vibration damper installed at rear of frame on drivers side.

X Nécessite un découpage mineur du fascia / *Minor fascia trimming required*

MUMBY

ADAPTATEUR DE SELLETTE D'ATTELAGE À COL-DE-CYGNE
5TH WHEEL TO GOOSENECK ADAPTER

RVHA
24,000 lb (GTW)

Aucun perçage, boulonnage ou d'altérations à votre VR. Converti votre sellette d'attelage en un col-de-cygne. Pour les VR plus long que 28', un ensemble optionnel de gousset **RV24GUS** est disponible pour éliminer la pression sur la boite à pivot causée par les longues remorques. Extension de 6" optionnel **RVHA6E** pour les camions avec caisse de 5.5' ou manquant d'espace suffisant entre la cabine du camion et l'attelage avec boule pour tirer une caravane à sellette.

Converts a fifth wheel style camper to a gooseneck style camper. For RVs longer than 28', an optional gusset kit **RV24GUS** *is available to eliminate the added stress longer trailers can place on the kingpin box. Optional 6" extension* **RVHA6E** *enables trucks with 5.5' truck beds or lack of sufficient clearance between the truck cab and ball hitch to now pull a 5th wheel RV.*

MAIN
PIVOT D'ACCOUPLEMENT
GOOSENECK • COUPLER

EG-2516-G
24,000 lb

Soudé, sans tube. Fournit un espace de 5" x 6" au dessus de la boule avant de verrouiller la main en place.
Weld-on, no tube. Ease-Guide™ coupler provides 5" x 6" area set over your truck hitch ball before moving the vehicle and locking the coupler in place

CONVERT-A-BALL™

ADAPTATEURS COUSSINÉS POUR SELLETTE À COL-DE-CYGNE
CUSHIONED 5TH WHEEL TO GOOSENECK ADAPTERS

23-8902
20,000 lb.

Ajustable 12"-16". Coussiné 360° ainsi qu'au dessus et dessous. Avec chaînes de sécurité pré-installées et adaptateur de pivot à sûreté intégrée. Verrouillage automatique de l'accouplement. Peut être verrouillé avec un cadenas.

12"-16" Adjustable. Cushioned 360° plus up & down. Comes with safety chains field installed and fail safe kingpin adapter. Features a positive lock coupler. Easily receives padlock to secure trailer when hooked up or parked.

LIPPERT COMPONENTS

BOÎTE D'ACCOUPLEMENT AIR-RIDE / *AIR-RIDE PIN BOX*

Améliorez votre remorquage ! AirRide® est un pionnier des solutions avancées de remorquage de VR depuis plus d'une décennie. Nous offrons une gamme complète de solutions pour améliorer le roulement qui conviennent à tous les budgets. Elles réduisent considérablement les chocs et les vibrations de la route, protégeant ainsi votre VR et offrant une conduite plus douce.

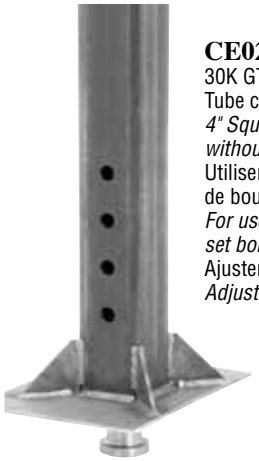

Enhance your towing experience! Air Ride® has been pioneering advanced RV ride solutions for more than a decade. We offer a full line of ride enhancement solutions that fit all budgets and were designed to reduce road shock and vibrations caused by driving on rough roads. As a result, drivers experiences less fatigue while the RV is protected from damage.

	DESCRIPTION
158778	Boîte d'accouplement Air Ride à mâchoire longue, 21K (remplace LCI 1621) *Long Jaw Air Ride Pin Box 21K (replaces LCI 1621 Pin Box)*

ATTELAGES À SELLETTE / *5TH WHEEL HITCHES*

• COMPANION •

RVK3050
22,000 / 5,500 lb
Plate-forme
Flatbed Hitch

- Réglage vertical de 14.75" - 16.75"
- Réglage facile de la hauteur et des positions latérales
- Peut être installé dans une cavité de 20" x 20", jusqu'à 4" de profondeur

- *14.75" - 16.75" vertical adjustment*
- *Easy adjustment of height and lateral positions*
- *Ability to sit in a 20" x 20" well, up to 4" deep*

Il utilise l'attelage col-de-cygne à boule renversante de B&W, ce qui signifie que vous pouvez facilement le retirer et utiliser la caisse à sa pleine grandeur.
It utilizes the B&W Turnoverball under-bed mounting system, which means you can easily remove the Companion Flatbed RV Hitch and use your truck for other things.

RVK3500
20,000 / 5,000 lb

- Réglage vertical de 16.25" - 18.25"
- Réglage avant/arrière de 4" avec 3 positions du coupleur
- Tête entièrement articulée permet un pivot avant/arrière et latérale.
- La machoire de 1" d'épaisseur enveloppe parfaitement le pivot d'attelage, éliminant les départs et les arrêts bâclés

- *16.25" - 18.25" vertical adjustment*
- *4" of front to back adjustment with three coupler positions*
- *Fully articulating head allows front to back and side to side pivoting.*
- *1" thick, wrap-around jaws fit kingpin perfectly, eliminating sloppy starts and stops.*

Il utilise l'attelage col-de-cygne à boule renversante de B&W, ce qui signifie que vous pouvez facilement le retirer et utiliser la caisse à sa pleine grandeur.
It utilizes the B&W Turnoverball under-bed mounting system. The Turnoverball works as a gooseneck hitch as well.

POUR CAMIONNETTE À CAISSE COURTE / *FOR SHORT BED TRUCK*

RVK3400
18,000 / 4,500 lb

RVK3405
20,000 / 5,000 lb

- Réglage vertical de 17" - 19"
- 12" de mouvement pour pouvoir manoeuvrer.
- S'enclenche automatiquement dans les deux sens.
- Le mécanisme coulissant ajusté, glisse doucement sans bruit.
- Tête entièrement articulée permet un pivot avant/arrière et latérale.
- La machoire de 1" d'épaisseur enveloppe parfaitement le pivot d'attelage, éliminant les départs et les arrêts bâclés

- *17" - 19" vertical adjustment*
- *12" of slide, so you can have the extra room to maneuver.*
- *Automatically latches in both directions- only get out of the truck once to move into maneuvering position.*
- *Tight tolerances in sliding mechanism, moves smoothly without the rattle.*
- *Fully articulating coupler head allows front to back and side to side pivoting.*
- *1" thick, wrap-around jaws fit kingpin perfectly, eliminating sloppy starts and stops.*

Il utilise l'attelage col-de-cygne à boule renversante de B&W, ce qui signifie que vous pouvez facilement le retirer et utiliser la caisse à sa pleine grandeur.
It utilizes the B&W Turnoverball under-bed mounting system. The Turnoverball works as a gooseneck hitch as well.

RVK3300
20,000 / 5,000 lb

- Réglage vertical de 16.75" - 18.75"
- Tête entièrement articulée permet un pivot avant/arrière et latérale.
- Réglage avant/arrière de 2" avec 3 positions du coupleur
- Poignée d'enclenchement à came pour relâcher facilement.
- La machoire de 1" d'épaisseur enveloppe parfaitement le pivot d'attelage, éliminant les départs et les arrêts bâclés

- *16.75" - 18.75" vertical adjustment*
- *Fully articulating head allows front to back and side to side pivoting.*
- *2" of front to back adjustment with three coupler positions.*
- *Cam action latching handle for easy release, even when parked on unlevel sites.*
- *1" thick, wrap-around jaws fit kingpin perfectly, eliminating sloppy starts and stops.*

PLAQUES DE CAPTURE "SUPER GLIDE" / *SUPER GLIDE CAPTURE PLATES*

- Requis pour installation de "Super Glide"
- S'attache à la boîte d'accouplement de la remorque
- Soudure requise
- Aussi disponible pour modèles spécifiques

- *Required for Super Glide installation*
- *Attaches to trailer king pin box*
- *Requires welding*
- *Also available in trailer specific model*

PR3317
Universel / *Universal*

PLAQUE DE CAPTURE "CUSTOM FIT" / *CUSTOM FIT CAPTURE PLATE*

Conçu pour les modèles de boîte d'accouplement les plus populaires. Simplifiant et réduisant considérablement le temps d'installation. Pour identifier la bonne plaque de capture pour une boîte d'accouplement spécifique, utilisez le guide

Designed to work with popular king pin box models simplifying and significantly reducing installation times. To identify the correct Capture Plate for a specific king pin box on the trailer, use the chart.

PLAQUE DE CAPTURE "MULTI FIT" / *MULTI FIT CAPTURE PLATE*

Conçu pour offrir plus de flexibilité, s'adaptera à une plus large sélection de boîte d'accouplement. Ce concept accommodera toutes les tailles "C". Simplement confirmer les tailles "A" et "B" pour être certain que la "Multi Fit" est la plaque de capture qui vous convient.

Designed to offer even more flexibility and will fit a much wider selection of king pin boxes by using a design that accommodates all "C" measurements. Simply confirm your trailer's "A" and "B" measurements to make certain the Multi Fit is the Capture Plate for you.

PLAQUE DE CAPTURE UNIVERSELLE / *UNIVERSAL CAPTURE PLATE*

Convient à la plupart des remorques. Simple, mais longue à installer. Au cas où la dimension du pivot d'avant en arrière est très court, des plaques et bretelles d'extension sont ajoutées pour supporter la plaque de capture.

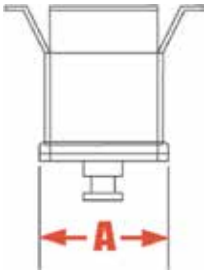

Can be used for most trailers. Simple, but can be time consuming to install. In cases where the fore-to-aft dimension of the king pin box is very short, extension plates and knee braces are added to support the capture plate

FASTWAY E2 SWAY CONTROL WEIGHT DISTRIBUTION HITCHES WITH SHANK

Pour un remorquage le plus efficace et le plus sécuritaire, le e2™ vous procure une distribution de poids et un contrôle de balancement plus rapide et plus facile. Les supports rigides vous donnent un contrôle antiroulis permanent, pour être sur la route plus rapidement et profiter du voyage, sans vous soucier d'ajouts supplémentaires pour la marche arrière ou les virages serrés.

For the best and safest towing experience, you need the e2™ hitch, providing you with faster and easier weight distribution and sway control. The e2 hitch's rigid brackets give you permanent sway control, so you can get on the road faster and enjoy your drive, without having to worry about extra add-ons to connect and remove for backing or making tight turns.

CONTRÔLEUR DE BALANCEMENT ET DISTRIBUTION DE POIDS EQUAL-I-ZER
EQUAL-I-ZER 4-POINT SWAY CONTROL WEIGHT DISTRIBUTION HITCHES

L'Equal-i-zer utilise un concept unique 2 en 1 qui réuni la distribution de poids et un contrôle de balancement. La conception simple intègre le contrôle antiroulis pour aider à minimiser les problèmes de balancement provoquées par le passage des véhicules, le vent latéral, et autres dangers. L'Equal-i-zer est sécuritaire, simple, et facile à utiliser.

The Equal-i-zer hitch uses a unique two-in-one design that combines weight distribution with sway control in one easy to use unit. The simple design has Integrated™ sway control to help minimize the risk of sway problems caused by passing vehicles, cross winds, and other towing hazards. The Equal-i-zer hitch is safe, simple, and easy to use.

MAIN D'ACCOUPLEMENT POUR REMORQUAGE HORS ROUTE
QUICK HITCH OFFROAD COUPLER

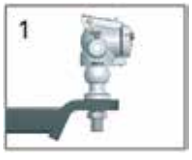

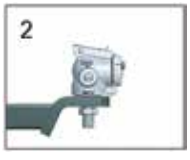

ORXOF50

- Boule 2" 7,700 lb
- Système d'attelage rapide sans changement
- Utilise une boule 2" pour remorquage standard ou hors route
- Système de verrouillage sécuritaire unique pour une utilisation facile
- Déposez la tête sur la boule de remorquage et soulevez le levier pour actionner le verrouillage automatique
- Une articulation complète permet d'affronter les différents obstacles que l'on retrouve sur des chemins hors route
- Convient au système de frein électrique

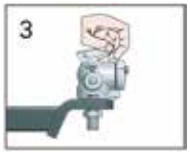

- *2" ball 7,700 lb*
- *No switch, quick hitch system*
- *Use 2" ball for standard and offroad towing applications*
- *Unique safety latch system allows for easy use*
- *Lift safety latch and coupler locks over tow ball, green indicator when locked, red when unlocked*
- *Full offroad articulation allows for greater approach, break over, departure and roll angles*
- *Suits electrical brake system*

VUE DÉCOUPÉE *CUT AWAY VIEW*

CBAMSC2

Abaissement de 2". La barre de tire à coussins reduit les coups associés aux démarrages et aux arrêts lorsqu'on traîne une remorque. Compatible avec tous les attelages de type receveur 2" x 2". Nécessite une cheville de 5/8" (non comprise).

2" drop. The cushioned hitch bar will reduce the slams and bangs associated with trailer towing during starting and stopping. It is compatible with all 2" x 2" receiver hitches. Requires a 5/8" hitch pin (not included).

100% corde en nylon tressé double. Revêtement en polymère d'uréthane. Commercialement épissée et saisi aux deux extrémités. Résiste à l'eau, au abrasion et au rayon UV.

100% double braided nylon rope. Urethane polymer coating. Commercially spliced and seized at both ends. Water, abrasion and UV resistant.

Gator-ize est une protection supplémentaire qui est appliquée sur les points d'usure de toute les grandeur de corde "Bubba Rope". Il est fabriqué à partir d'un revêtement en polymère d'élastique de haute performance qui ressemble un peu à la peau d'un aligator.

Gator-ize is added protection that is applied to the wear points of any size Bubba Rope. It's made from a hight performance elastic polymer coating that looks a little like the tough skin of a aligator.

Les manilles Gator-jaw sont fabriquées à partir de corde plasma qui est la corde synthétique la plus résistante disponible. Les manilles Gator-jaw sont plus fortes que les manilles d'acier comparables. Ces chaînes ne rouillent pas et sont si légères qu'elles flottent. Les applications de remorquage incluent : 4x4 hors route, de l'équipement d'agriculture et d'exploitation minière et divers usages marins.

Gator-Jaw shackles are made from Plasma rope which is the highest strength synthetic rope available. Gator-Jaw shackles are stronger than comparable steel shackles. These shackles won't rust and are so light they float. Towing applications include: 4x4 off-road, agriculture & mining equipment and various marine uses.

DISPOSITIF ANTIVOL TOYLOK® / *TOYLOK® ANTI-THEFT DEVICE*

337120

BOUCLEZ-LE, VERROUILLEZ-LE ET LAISSEZ -LE / *LOOP IT, LOCK IT AND LEAVE IT.*

Verrouillez vélo, VTT, barbecue, génératrice, chaises, moto — pratiquement n'importe quoi — avec le dispositif antivol ToyLok. Boulonnez le ToyLok et sécurisez vos effets personnels extérieurs en les bouclant avec le câble rétractable et le verrouillant avec le cadenas robuste.

Lock up the bike, ATV, grill, generator, camp chairs, dirt bike — just about anything — with the ToyLok anti-theft device. Simply bolt ToyLok onto the RV chassis, hitch or bumper and easily secure valuable personal property outside by extending the self-retracting cable, looping it through valuables and locking it with the heavy-duty padlock.

- Pèse seulement 2.5 kg
- Facile à boulonner
- Câble avec capacité de 3629 kg
- L'embrayage intégré empêche le câble de revenir brusquement en le rétractant
- Comprend cadenas, 2 clés et câble de 15' gainé de PVC
- Le système interne de freinage et de poulie permet à l'usager de choisir la longueur de câble optimale
- La quincaillerie facile à boulonner inclut 2 boulons 1/4" x 3" avec écrous de sécurité

- *Weighs only 2.5 kg*
- *Easy bolt-on application*
- *3,629 kg capacity cable*
- *Built-in clutch prevents cable snap back while retracting*
- *Features padlock, 2 keys and 15-foot PVC-coated cable*
- *Internal braking and pulley system allows users to choose the optimal cable length*
- *Easy bolt-on hardware kit includes two 1/4" x 3" bolts with security nuts*

TROUSSES D'INSTALLATION OPTIONNELLES / *OPTIONAL MOUNTING KITS*

LOCK'N LOAD

CALE DE ROUE POUR MOTOCYCLETTE DELUXE
DELUXE MOTORCYCLE WHEEL CHOCK

BK-100

Utilisation par une seule personne. Soutient la plus lourde motocyclette en 60 secondes. Empêche la motocyclette de basculer. Nul besoin de compresser la fourche qui pourrait l'endommager. La courroie d'attache avant est incluse, la courroie arrière vendue séparément **99-45-409**. Convient à tous les modèles de motocyclette avec des roues allant jusqu'à 21" de diamètre; peu importe la largeur. Se retire facilement. Quincaillerie incluse.

Convenient one person loading, no help is required. Load even the heaviest motorcycle in 60 seconds. Eliminates the fear of the motorcycle falling over. No need to compress your forks, which may lead to costly repairs. Front strap is included, rear sold separately **99-45-409.** *Fits all motorcycles with up to 21" diameter wheels (all widths). Easily remove from the trailer or truck bed when not in use. Includes mounting hardware.*

ADAPTATEUR POUR PNEU ÉTROIT
NARROW TIRE ADAPTER

BK-101

Adapte le **BK-100** pour une utilisation avec des pneus de moins de 3.5" de large. Quincaillerie incluse.
Adapts **BK-100** *to work with wheels under 3.5" wide. Includes mounting hardware.*

SUPPORT À MOTOCYCLETTE
MOTORCYCLE GARAGE STAND

BK-102

Adapte le **BK-100** pour une utilisation dans le garage. Idéal pour ranger la motocyclette pendant l'hiver. Quincaillerie incluse.
Adapts **BK-100** *for garage use. Great for storing your motorcycle over the winter. Includes mounting hardware.*

COURROIES D'ATTACHE À RÉGLAGE AUTOMATIQUE
AUTOMATIC ADJUSTABLE RATCHET

VÉRIN ÉLECTRIQUE SMART JACK™ / *SMART JACK™ POWER TONGUE JACK*

643589
Noir / *Black*

- NOUVEAU pied d'appui standard de 9" dia. avec 4 réglages en hauteur par incréments de 1 1/2"
- NOUVEAU panneau de commande moderne rétroéclairé remplace les commutateurs à bascule démodés
- NOUVEL indicateur de batterie averti l'usager de la durée de vie restante de la batterie
- NOUVELLE fonction mémoire d'attelage. Smart Jack garde en mémoire la hauteur de votre attelage
- NOUVELLE fonction retire le vérin automatiquement à la hauteur de remorquage sans maintenir le commutateur enfoncé
- NOUVEAU couvercle reflète le design des VR d'aujourd'hui et cache le moteur empêchant les fils et câbles de s'accrocher
- Capacité de 3 500 lb
- Commande manuelle facile d'accès en cas de panne
- 30 AMP, course de 18"

- *NEW standard XL 9" diameter footpad with four position height adjustments at 1 1/2" increments*
- *NEW backlit modern control panel replaces tired looking rocker switches*
- *NEW battery indicator alerts user of remaining coach battery life*
- *NEW Auto-Hitch Memory Function. Smart Jack remembers where your hitch height is*
- *NEW easy auto-retract feature retracts the jack to towing height without having to hold down the switch*
- *NEW updated hood mirrors the design in today's travel trailers and hides the motor, preventing cords and wires from becoming snagged*
- *3,500-pound capacity*
- *Easy access manual override on top of jack in case of power failure*
- *30 AMP, 18" stroke*

SYSTÈME DE FREINAGE AUXILIAIRE PORTATIF BRAKEbuddy
BRAKEbuddy AUXILIARY PORTABLE BRAKE SYSTEM

HP39499

BrakeBuddy donne des indices de configuration de sécurité pour s'assurer d'être prêt à arrêter lorsque vous l'êtes. L'écran ACL facile à lire simplifie la configuration. Facile à installer et entièrement autonome, BrakeBuddy détecte la décélération et procure le freinage nécessaire. Détecte les changements de conditions routières pour éviter les faux freinages. Si le véhicule remorqué se détache accidentellement de votre VR, le système en cas de rupture du BrakeBuddy activera les freins du véhicule remorqué, et l'arrêtera de façon contrôlée. S'installe en quelques minutes sans connexion au VR et sans installation permanente requise, pour qu'il puisse facilement se transférer entre véhicules. La manille se fixe facilement et fermement à la pédale de frein du véhicule remorqué. Son format compact convient à tous les véhicules. Pesant seulement 11 lb. Le système d'avertissement sans fil vous laisse surveiller le freinage à partir du siège du conducteur.

BrakeBuddy gives you setup safety cues to make sure it's ready to stop when you are. Easy-to-see LCD digital display makes it easy to fine tune precise settings. Easy to install and completely self-contained, BrakeBuddy senses vehicle deceleration and provides the right braking force when you need it. Advanced terrain sensing prevents false braking. If your towed vehicle becomes accidentally disconnected from your RV, BrakeBuddy's Break-Away System applies the towed car's brakes, bringing it to a controlled stop. Installs in just minutes with no connection to the RV and no permanent installation required, so it can be easily transferred among vehicles. Clevis attaches easily and firmly to towed vehicle's brake pedal. Compact size fits all vehicles, with easy-set handle that lets you adjust unit for best fit. Weighs only 11 lbs. Included wireless alert system lets you monitor braking action from the driver's seat.

SYSTÈME DE RUPTURE CLASSIQUE "BRAKEbuddy"

ROADMASTER

SYSTÈME DE FREINAGE INVISIBRAKE® / *INVISIBRAKE® BRAKING SYSTEM*

RM8700

Une innovation révolutionaire en freinage complémentaire.
Il n'y a rien a apporter ou à sortir du véhicule remorqué et il n'y a rien à pousser, tirer, configurer, régler, activer ou désactiver. InvisiBrake est un système de freinage complémentaire entièrement automatique qui utilise les connexions électriques existantes de votre véhicule remorqué pour freiner lorsque vous freinez votre motorisé — le signal électrique qui active les feux d'arrêt du véhicule remorqué active également l'InvisiBrake.

A revolutionary innovation in supplemental braking.
There's nothing to take in and out of your towed vehicle and there's nothing to push, pull, set, adjust, activate or deactivate. InvisiBrake is a fully-automatic supplemental braking system that uses the electrical connections already in place on your towed vehicle (the towed vehicle's electrical harness) to brake when you brake the motorhome — the same electrical signal that activates the towed vehicle's brake lights also activates InvisiBrake.

- Entièrement hors de vue — InvisiBrake est si petit (8¾" x 8¾" x 2¾"), il peut être installé sous le siège du conducteur, sous le siège arrière, derrière les panneaux intérieur ou dans le coffre, sans sacrifier d'espace libre.
- Configurez-le et oubliez-le — Une fois installé, InvisiBrake fonctionne. Il n'y a rien à se rapeller — même pas un commutateur — vous n'avez qu'à brancher le câble ombilical comme toujours et vous êtes prêt à partir !
- Charge la batterie pendant le remorquage — InvisiBrake se connecte directement à la batterie du véhicule remorqué et effectue une charge lente de la batterie durant le remorquage — InvisiBrake ne mettra jamais votre batterie à plat.
- Surveillance à 2 niveaux — InvisiBrake inclut un témoin DEL pour une référence visuelle du freinage; une alerte sonore dans le motorisé vous averti si les freins sont appliqués depuis trop longtemps.
- S'active uniquement lorsque les feux d'arrêt du motorisé s'illuminent — aucun faux freinage !
- Fonctionne avec presque tous les véhicule avec freinage à vide — incluant les hybrides et les systèmes de freinage actif.
- Inclus un système d'urgence en cas de rupture.
- S'adapte facilement à vos préférences de freinage.
- Conforme aux normes de freinage américaines et canadiennes.

- *Completely out of sight — InvisiBrake is so small (8¾" x 8¾" x 2¾"), it can usually be mounted under the driver's seat, under the rear seat, behind interior panels or in the trunk, without sacrificing any of the vehicle's usable space.*
- *Set-it-and-forget-it braking — Once it's installed, InvisiBrake just works. There's nothing for you to remember — not even an on switch — just plug in the umbilical cord like you always do and you're ready to go!*
- *Charges your battery while towing — InvisiBrake connects directly to the towed vehicle's battery and trickle-charges the battery during towing — InvisiBrake will never drain the battery.*
- *Two-stage motorhome monitor — InvisiBrake includes an LED monitor for a visual reference of braking activity; an audible alert at the motorhome will warn you if the brakes have been on for too long.*
- *Activates only when the motorhome's brake lights illuminate — no false braking!*
- *Works in virtually any towed vehicle with vacuum-powered brakes — including hybrids and those with 'active' braking systems.*
- *Includes an emergency break away system*
- *Easily adjusts to individual braking preferences*
- *Meets U.S. and Canadian braking requirements*

TEKONSHA®

SYSTÈMES DE FREINS D'URGENCE AVEC FREINS ÉLECTRIQUES
BREAKAWAY SYSTEM WITH ELECTRIC BRAKES

T1028
Incl. boîtier de batterie, batterie (12V, 4 amp/hr), chargeur, interrupteur.
Incl. battery case, battery (12V, 4 amp/hr), charger device, switch.

T2028
Incl. boîtier de batterie, batterie (12V, 5 amp/hr), chargeur, interrupteur.
Incl. battery case, battery (12V, 5 amp/hr), charger, switch.

D1026
1 - 2 essieux. Comprend boîtier à batterie, batterie rechargeable scellée (12v 4amp/heure) & interrupteur de rupture en nylon.
1 - 2 Axles. Kit includes battery case, rechargeable sealed battery (12v 4amp/hour) & nylon breakaway switch.

SYSTÈME DE FREINS D'URGENCE « APPUYEZ POUR VÉRIFIER »
PUSH TO TEST BREAKAWAY SYSTEM

50-85-320
Système de freins d'urgence avec chargeur ABCD pour remorques à 1 à 3 essieux avec freins électriques. Inclus le boîter de la batterie, batterie de 5 amp avec multimètre à LED « appuyez pour vérifier », le chargeur ainsi qu'un interrupteur.
Breakaway system with ABCD charger for 1 to 3 axle trailer with electric brakes. Includes battery box, 5 amp battery with push to test LED test meter and 48" breakaway switch.

SYSTÈME DE CONTRÔLE DE FREINS
BRAKE CONTROL SYSTEM

PRODIGY RF

POUR INSTALLATION SUR REMORQUE
TRAILER MOUNTED

T90250
Le module est étanche à l'eau et inclut un connecteur 7-voies de 8' scellé. Plusieurs options de montage pour l'avant de la remorque. Le module est alimenté par un câble 7-voies. Inclut télécommande (**T90251**).
*Trailer power module is watertight and includes a sealed 8' 7-way vehicle connector. Multiple mounting options on the tongue or front of the trailer. Module powered through 7-way cable from the tow vehicle. Includes hand held unit (**T90251**).*

BATTERIE & BOÎTIER
BATTERY & BATTERY CASE

T2023
Batterie 5amp/heure
5 Amp/Hour Battery

2018
Boîtier seulement
Battery Case Only

Batterie 12 volts 5 amp/hr au plomb scellée pour Shur-Set III™. 5.88" L x 3.88" P x 5" H. Boîtier en plastique à installation sur poteau pour Shur-Set-III™.
12 Volt 5 Amp/Hr sealed lead acid battery for Shur-Set III™. 5.88" L x 3.88" W x 5" H, & post-mount battery box (Plastic) with partition for Shur-Set III™.

INTERRUPTEUR DE RUPTURE
BREAKAWAY SWITCH

Actionne automatiquement les freins de remorque en cas d'une rupture accidentelle de l'attelage de la remorque. Pour urgence seulement. Étui en nylon renforcé, languette métallique soudable, assemblage de broches de nylon contre la rouille et la corrosion.

2010-B125
Automatically set trailer brakes in case of accidental trailer breakaway. Emergency use only. Reinforced nylon case, weldable metal tab, rust and corrosion free nylon pin assembly.

SYSTÈME DE FREINS D'URGENCE AVEC INDICATEUR DE BATTERIE
BREAK-AWAY SYSTEM WITH BATTERY METER

HP20099

- Active les freins de la remorque au moment de la séparation
- L'indicateur de batterie intégré au DEL vérifie la charge de la batterie
- La trousse comprend: boîte, batterie, le chargeur, un interrupteur de 7" et la quincaillerie
- Chargeur de batterie intégré: Recharge la batterie lorsque raccordé au véhicule remorqué
- Capacité de 1 à 2 essieux
- Batterie de 5 amp
- Installation latérale

- *Activates trailer brakes upon separation from the tow vehicle*
- *Built-in LED battery meter verifies battery charge*
- *Complete system includes: box, battery, charger, 7" switch and hardware*
- *Built-in battery charger-charges battery while connected with the tow vehicle*
- *1-2 axle capacity*
- *5-amp hour battery*
- *Side-mount installation design*

COMMANDE DE FREINS "InSIGHT" AVEC "FLEX-MOUNT"
InSIGHT FLEX-MOUNT BRAKE CONTROL

HP47297

La commande de freins InSIGHT™ avec la polyvalence du Flex-Mount™ résout le problème des installations difficiles tout en augmentant la commodité et la sécurité de l'usager. Ceci est réalisé en plaçant l'écran dans le champ de vision du conducteur et les commandes à la portée de la main… le tout sans outil avec une installation "simplement branchez!".

The InSIGHT™ brake control with Flex-Mount™ versatility solves the problem of inconvenient mounting while increasing user safety and convenience. This is achieved by bringing the display within the driver's line of sight and the controls within easy reach… all with no tools required and Plug-In Simple!® installation.

- Écran numérique à DEL
- Réglage de puissance intuitive de 0 à 99
- 7 réglages de sensibilités pour un contrôle accru
- Pour remorque ayant jusqu'à 8 freins

- *Digital LED display*
- *Intuitive 0-99 scale of power setting*
- *7 sensitivity settings for advanced braking*
- *For up to 8 trailer brakes*

Valley®

SYSTÈME DE FREINS D'URGENCE «APPUYEZ POUR VÉRIFIER» *PUSH-TO-TEST BREAK-AWAY SYSTEM*

VA75840

Pour remorques avec 1 à 3 essieux. Actionne les freins lorsqu'il y a séparation du véhicule (lorsqu'utilisé avec câble de rupture). Comprend tous les composants nécessaires pour appliquer les freins de remorque automatiquement et sans danger en cas de séparation. Chargeur incorporé avec circuiterie « appuyez pour vérifier ». Comprend interrupteur de rupture, boîtier de batterie, batterie 12V 5A et la quincaillerie d'installation.

For trailers with 1 to 3 axles. Activates brakes upon separation from vehicle (when used in conjunction with break-away cable). Contains all components needed to safely and automatically apply trailer brakes in the event of a separation. Built in charger and push-to-test circuitry. Includes breakaway switch, battery case, 12V 5A battery, mounting hardware.

TROUSSE DE FILAGE UNIVERSELLE POUR CONTRÔLEUR DE FREIN *UNIVERSAL BRAKE CONTROL WIRING KIT*

VA37194

Pour remorque à 2, 4, 6 ou 8 freins
For trailers with 2, 4, 6 or 8 brakes

CONTRÔLEURS DE FREINS ÉLECTRONIQUES / *ELECTRONIC BRAKE CONTROLS*

RAPTOR

VA32814

Le plus petit sur le marché
Smallest on the market

Autocalibrage. Aucun nivellement requis. Fonction gyroscopique avancée. Pour remorque de 2, 4, 6 ou 8 freins. Support pour station d'accueil permet au contrôleur de frein d'être bougé de véhicule à véhicule sans déconnecter le harnais. Détection automatique de niveau et de "Azimuth". Le "Raptor" surveille continuellement le niveau du sol pour déterminer la puissance de freinage optimale sur n'importe quel terrain ou grade. Entièrement fonctionnel en marche arrière. Accepte les freins électriques par dessus les freins hydrauliques avec aucun ajustement additionnel requis.

Self calibrating. No leveling required. Advance gyroscopic functionality. Supports 2, 4, 6 or 8 brake. Exclusive docking station mounting bracket allows the brake control to be moved from vehicle to vehicle without the need to disconnect the wiring harness. Automatic level and Azimuth detection. The Raptor continually monitors both ground level and travel to determine optimal braking power over any terrain or grade. Fully functional in reverse. Supports electric over hydraulic braking with no additional settings required.

PHANTOM

VA32811

3"W x 3 3/4"L x 1"H

Frein pour remorque fort et efficace. Capacité de réglage infinit de la puissance et du temps de réaction. Technologie pour contrôleur de frein F.E.T. Pour remorque de 2 ou 4 freins. Aucun nivellement requis. **Compatible avec harnais à lien direct**.

Strong dependable time-based trailer braking. Infinite adjustability in both output and ramp time settings. F.E.T. brake control technologie. Supports 2 or 4 brake trailers. No leveling required. ***Compatible with Direct link harnesses***.

W414312TA-7
4 x 14 ga. • 3 x 12ga.

VOLTFLEX

CONNECTEURS 4 FILS / *4 WIRE CONNECTORS*

Répond aux normes les plus élevés de la SAE. Résistance acrue aux rayons UV, aux millieux salins et au feu. Offre une meilleure résistance à l'abrasion et reste plus souple qu'un câble standard lors d'écarts de température importants. **Soudures scellées**: Joints fondants (thermorétractables) avec adhésif interne. Connecteurs scellés pour exemption totale de saleté et d'humidité.
*Meets the highest TLV standards. For higher resistance to UV radiation, saline conditions and fire. Offers better abrasion resistance and stays more flexible than standard cable in wide temperature range situations. **Sealed welds**: Flux joints (heat-shrinkable) with internal adhesive. Sealed connectors for total dirt and moisture exclusion.*

INNVX1283

PROTECTEURS MODULITE / *MODULITE PROTECTORS*

D119148

- Fonctionne aussi bien avec des lumières LED ou incandescentes (véhicule et remorque)
- Protection reprogrammable intégrée pour court-circuit et surcharge pour le véhicule et celui qu'il remorque
- Fonctionne avec la plupart des véhicules qui utilisent un système multiplex d'éclairage
- Ne fonctionne pas avec système "low-side switch"
- Couvert protecteur intégré
- *Will work with either LED/Incandescent bulbs (vehicle & trailer)*
- *Has integrated re-settable Short Circuit and Overload protection, to safeguard itself and the tow vehicle from shorts and installation wiring mishaps*
- *Will work with most vehicles that have a multiplex system for lighting*
- *Will not work with vehicles with low-side switch*
- *Includes integrated protective cover*

D119177
Avec circuit et protection de surcharge et connecteur 5 fils plats pour lumière de recul ou verrouillage de frein
With integrated circuit & overload protection & 5-flat connector for backup light or surge brake lockout

D119192
Protecteur **ModuLite "Ultra"**. Pour système PVM. Multiplex (Audi, BMW, Mercedes et VW). Ne fonctionne pas avec système "low-side switch". 4.2 Amps: stop/turn circuit & 16 Amps: taillight.
ModuLite Ultra *protector. For PVM system. Multiplex (Audi, BMW, Mercedes and VW). Doesn't work with low-side switch system. 4.2 Amps: stop/turn circuit & 16 Amps: taillight.*

D119179

RALLONGE POUR DOUCHE
EXTEND-A-SHOWER

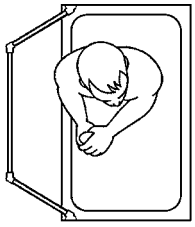

Procure plus d'espace dans la douche de votre VR. Se repli sans outil. Pour cabine de douche de 35" à 42" de large.

Extend-A-Shower creates more room in your RV's shower so you won't need to run to the public showers anymore. When not in use it folds out of the way with no tools required. Fits shower stalls 35"- 42" wide.

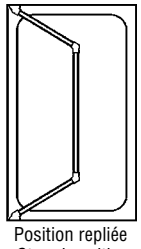

Votre douche actuelle

THULE SWEDEN
CAR RACK SYSTEMS

SUPPORTS POUR CAMION / *PICK-UP RACKS*

SD500XT

- Barres de toit HeightAdjust[MC] pouvant être levées ou abaissées à 5 hauteurs différentes.
- Fabriqué d'aluminium de calibre 6000 pour une robustesse permettant de transporter jusqu'à 205 kg (450 lb) et de résister à la rouille.
- Bandes WearGuard[MC] intégrées aux barres de toit qui protègent contre l'usure de l'équipement et réduisent le bruit causé par le vent.
- Butées de chargement réglables qui glissent sur chaque barre de toit pour une fixation plus sécuritaire de l'équipement et des matériaux.
- Installation rapide et facile ne nécessitant aucun coupage ni perçage et très peu d'assemblage.
- 4 verrous One Key[MC] inclus permettant de verrouiller le support au véhicule.
- Compatible avec la plupart des accessoires Thule; peut nécessiter un adaptateur Xadapt[MC] (vendu séparément).
- Ne fait pas sur TOYOTA Tacoma 2007 +.

- *HeightAdjust™ load bars can be raised or lowered to 5 different heights.*
- *6000 grade aluminum design provides strength to carry up to 205 kg (450 lb) and resists rusting.*
- *Integrated WearGuard™ strips in load bars protect against wear on equipment and minimize wind noise.*
- *Adjustable load stops slide across each load bar for safe and secure attachment of equipment and materials.*
- *Quick and easy installation requires no cutting or drilling and only limited assembly.*
- *4 One-Key™ lock cylinders included to secure rack to vehicle.*
- *Compatible with most Thule accessories; may require Xadapt™ adapter (sold separately).*
- *Does **not** fit on TOYOTA Tacoma 2007 +.*

04-6000
Blanc polaire / *Polar White*

Remplacement pour modèles Coleman
Replacement for Coleman models :
MACH I & MACH III - 11,000, 13,500 & 15,000 BTU

Un couvercle haute performance en polyéthylène haute densité robuste avec inhibiteurs de rayons UV. Testé thermiquement pour assurer un bon rendement. La grille arrière protège les serpentins du condenseur. Le devant de type pare-chocs fait dévier les branches et empêche le soulèvement par le vent. Ses grandes ouvertures procure plus d'air pour assurer le bon fonctionnement du climatiseur. S'installe comme l'original et inclut une quincaillerie d'installation en acier inoxydable et des instructions. Garantie à vie.

A high performance cover made from tough high density polyethylene with UV inhibitors. Thermal tested to assure proper performance. Protective rear intake grill prevents damage to the A/C condenser coils. Unique front bumper design deflects tree branches and prevents wind lift. Offers a built-in, protective grill cover for the air conditioner's condenser coil and its larger louvers provide even more air flow to assure proper operation of the air conditioner. Mounts like the original and includes stainless steel mounting hardware and instructions. Lifetime warranty.

SUPPORT À VÉLOS JACK-IT / *JACK-IT BICYCLE CARRIER*

429756

Le concept novateur du cadre du Jack-It s'installe par dessus le vérin sur le cadre en "A" de la remorque, la zone de roulement la plus douce. Le BikeWing® supporte 2 vélos par les roues en toute sécurité. Les supports à roues réglables et les courroies SwayStop fixe les roues au support pour un transport sécuritaire. Le Jack-It permet de libérer un précieux espace de rangement.

The Jack-It's innovative frame design installs over the tongue jack on the trailers A-Frame, the softest riding area on the frame. The BikeWing® carrier holds two bikes safely, securely and simply by the wheels.The adjustable wheel cradles and SwayStop straps secure the bike wheels to the bike carrier for a secure ride. The Jack-It allows travel trailer owners to utilize the valuable rear hitch/cargo space for additional gear and gives owners a new cargo utilization space.

Des tampons en mousse et le nouveau contrôle du balancement améliore la stabilité naturelle du support et protège le fini du vélo
Foam bumpers and the new SwayControl™ system enhances the rack's natural stability and protects the bicylcle finish.

Le BikeWing® peut être détaché et utilisé sur un attelage si vous quittez le terrain et voulez apporter les vélos avec vous.
BikeWing® can be detached and used with an additional hitch receiver on the rear of the tow vehicle in case you want to leave the campsite with your bikes (hitch receiver not included).

BikeWing® supporte jusqu'à 2 vélos par les roues, ajoutant un équilibre naturel, une stabilité et un contrôle du balancement.
BikeWing® holds up two bikes by the wheels,adding natural balance, stability and sway control.

Le design du PowerTower™ protège votre vérin contre l'impact d'objets étrangers.
PowerTower™ design protects your tongue jack from impact from foreign objects.

Jack-It® convient à la plupart des vérins standard à 3 boulons sur cadre en "A".
Jack-It® fits most standard 3-bolt patterns over your tongue jack on the trailers A-Frame.

swagman®

SUPPORT À VÉLOS AUTOUR DU PNEU DE SECOURS *AROUND THE SPARE DELUXE BIKE RACK*

S80501

Supporte 1 ou 2 vélos. Se fixe autour de la plupart des roues de secours. Les supports avec contrôle du balancement empêchent les vélos de se cogner.
Carries 1 or 2 bikes. Mounts around most spare tires. Anti-Sway cradles prevent bike-to-bike contact

OPTIONS POUR BARRE TRANSVERSALES / *CROSS BAR OPTIONS*

COMBIEN PEUVENT-ILS TRANSPORTER?
Cela varie considérablement d'un véhicule à l'autre, alors consultez toujours notre site web pour votre modèle de véhicule ou contactez votre revendeur spécialisé local. Comme exemple, notre système "Trackmount" est classé à partir de 220lbs pour un système à 2 barres à 330lbs pour notre système à 3 barres. N'oubliez pas que nos ingénieurs conçoivent tous nos systèmes de support pour le toit en fonction de la capacité disponible du toit des véhicules comme spécifié par le constructeur du véhicule.

HOW MUCH CAN THEY CARRY?
This varies considerably from vehicle to vehicle, so always check our website for your specific vehicle model, or speak to your local expert dealer. As an example, our Trackmount systems are rated from 220lbs for a two crossbar system to 330lbs for our 3 bar system. Always remember that our engineers design all our roof rack systems according to the available capacity of the vehicles roof as specified by the vehicle manufacturer.

- Fournit 10 heures d'utilisation avec une barre DEL de 50 cm
- Fournit 16 heures d'utilisation avec une barre DEL de 30 cm
- Viens avec un sac de transport
- *Rechargeable battery*
- *Battery Output 12V, 5000mAh Li-On*
- *Provides 10 hours of use with 50 cm LED Light Bar*
- *Provides 16 hours of use with 30 cm LED Light Bar*
- *Comes with a carry case*

TROUSSE DE PILE D'ALIMENTATION POUR DEL
LED BATTERY POWER PACK KIT

RHLEDKIT9

- Sortie de 12 V, 5000mAh Li-On
- Entrée du chargeur : 100-240V AC 50-60Hz
- Sortie du chargeur : 12.VV DC 2.0A
- Poids : 300g
- Charge environ en 5 heures
- Inclus : Chargeur de batterie, bloc d'alimentation de 12V, rallonge adaptateur mâle à mâle et un sac
- *Battery Output 12V, 5000mAh Li-On*
- *Charger Input 100-240V AC 50-60Hz*
- *Charge Output 12.VV DC 2.0A*
- *Weight 300g*
- *Charges in approx. 5hrs*
- *Includes battery charger, 12V power pack, male to male adaption lead and bag*

RHLEDKIT8

- Sortie de 12 V, 5000mAh Li-On
- Entrée du chargeur : 100-240V AC 50-60Hz
- Sortie du chargeur : 12.6V DC 2.0A
- Poids : 300g
- Charge environ en 5 heures
- Inclus : Chargeur de batterie, bloc d'alimentation de 12V, rallonge adaptateur mâle à mâle et un sac
- *Battery Output 12V, 5000mAh Li-On*
- *Charger Input 100-240V AC 50-60Hz*
- *Charge Output* 12.6V *DC 2.0A*
- *Weight 300g*
- *Charges in approx. 5hrs*
- *Includes battery charger, 12V power pack, male to male adaption lead and bag*

SAC DE TRANSPORT REMBOURRÉ POUR ÉCLAIRAGE DEL
LED LIGHTING PADDED CARRYING BAG

RHLED16

- Sac rembourré avec poignée de transport et fermeture éclair double
- Adapté pour ranger jusqu'à 7 barres DEL
- Élastique pour sécuriser vos lumières DEL
- 4 compartiments rembourrés pour séparer vos accessoires DEL
- Dimensions extérieures : 70 L x 10 L x 15 H cm
- Convient pour les lumières DEL 30 cm et 50 cm de Rhino-Rack
- *Padded bag with carry handle and double zipper*
- *Suitable for storing up to 7 LED Bars*
- *Elastics to secure your LED lights*

SUPPORTS À KAYAK / *KAYAK RACKS*

HULL-A-PORT AERO™

Le nouveau porte-kayaks vertical de première qualité Thule se replie à l'aide d'une seule main, pour une performance aérodynamique et une compatibilité universelle sur les supports de toit.

Thule's new premium vertical kayak carrier folds down with one hand for aerodynamic efficiency and has universal roof rack system compatibility.

SD838

- Le système à moyeu à ressort facilite l'accès et le repliement du porte-kayaks, pour un aérodynamisme amélioré.
- Le rembourrage SureGrip sur la base et le mât épousent la forme de la coque afin de protéger le kayak.
- Les supports FlipFit simplifient et accélèrent l'installation et le retrait.
- Les attaches à la proue et à la poupe retiennent le kayak et le protège-boucles protège le véhicule.
- Convient aux systèmes de support Thule, aux barres rondes et à la plupart des supports d'origine avec montage à rainures en T ou autour de la barre, sans outils.
- Convient aux kayaks mesurant jusqu'à 36" de large et pesant jusqu'à 34 kg (75 lb)

- *Spring-loaded hub system makes it easier to reach and fold down the carrier for improved aerodynamics.*
- *SureGrip padding on both the base and mast conforms to the hull to protect the kayak.*
- *FlipFit brackets make installation and removal fast and easy.*
- *Bow/stern tie-downs secure the kayak and buckle bumper covers protect the vehicle.*
- *Fits Thule rack systems, round bars and most factory racks with both T-track and around the bar tool-free mounting.*
- *Accommodates kayaks up to 36" wide and 75 lb*

HULL-A-PORT™

Vendu à la paire / *Sold in pairs*

Combine sécurité, commodité et nouveaux berceaux révolutionnaires avec technologie d'amortissement des chocs de la route faisant de lui le support d'attelage suspendu le plus complet sur le marché.

Combines security, convenience and revolutionary new cradles with road dampening technology making it the most complete fork mount carrier on the market.

- Les berceaux à prise rapide absorbent les chocs de la route et protègent votre vélo pendant le transport.
- La conception des bras de l'arc donne plus de dégagement depuis le sol et offre une plus grande distance entre les vélos prévenant ainsi les contacts.
- Câble robuste à verrou intégré permettant de verrouiller le vélo au support - le câble se range lorsqu'il n'est pas utilisé
- Le levier permet de replier les bras lorsqu'ils ne sont pas utilisés et d'incliner le porte-vélos vers le bas pour un accès à l'arrière du véhicule
- Poignée intégrée pour faciliter le transport et la manutention
- Conviens aux attelages de 1 1/4" et 2"

- *The cradles absorb the shock of the road protecting your bike during transport*
- *Arc design of the arms gives bikes greater clearance off the ground and provides greater distance between bikes preventing contact*
- *Heavy duty integrated locks allows you to lock the bikes to rack and stores in the hitch rack when not in use*
- *Folding Hitch Switch™ allows the arms to fold when not in use and tilts the carrier down for rear of vehicle access*
- *Integrated handle for easy carrying and handling*
- *Fits 1 1/4" and 2" receivers*

PORTE-VÉLO MONTÉ SUR TOIT / *ROOF MOUNTED BIKE CARRIER*

PACELINE

SD527

La fermeture à une seule main vous permet de charger et de décharger votre vélo d'une main tout en s'adaptant à la plupart des supports sur le marché.

- La pince automatique ajuste la pression à différentes épaisseurs pour un maintien sûr
- Le cadran de précision ergonomique optimise la pression de serrage de fourche, éliminant le dommage à la fourche
- Le plateau en aluminium en forme de "D", léger et au profil bas, est protégé contre la corrosion pour résister aux intempéries
- La courroie de roue à cliquet et le berceau de la roue à paroi élevée sécurise la roue au plateau avec une protection accrue

One-handed closure allows you to load and unload your bike with one hand while fitting most racks on the market.

- *Auto-clamp adjusts the pressure to different drop-out thicknesses for a secure hold*
- *Ergonomic precision dial optimizes fork clamping pressure eliminating damage to fork*
- *"D" shaped low profile and lightweight aluminum tray is corrosion-resistant to withstand the elements*
- *Ratcheting wheel strap and high-wall wheel cradle secures the wheel to the tray with added protection*

INTERRUPTEURS / *SWITCHES*

12v à 24v. Pour une utilisation intérieur et extéreur. Résistance à l'eau extreme IP68. Pour l'automobile, le sport motorisé ou une utilisation marine.
12v to 24v. In cab/Outdoor use. IP68 Extreme water resistance. Automotive, Powersports or Marine use.

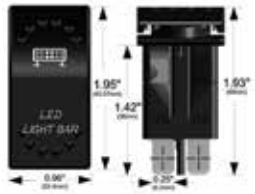

BUL20261

Commutateur pour treuil "IN-OUT". 4 contacts avec séparateurs.
Winch IN-OUT switch. 4 pin with barriers.

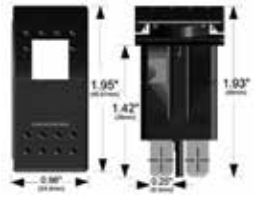

BUL20262

Interrupteur à bascule pour treuil. 5 contacts avec séparateurs.
Winch power rocker switch.ON/OFF 5-pin with barriers.

BUL20260

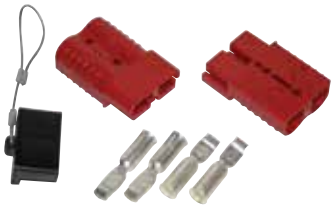

Interrupteur à bascule à DEL. 5 contacts avec séparateurs.
LED ON-OFF Rocker switch. ON/OFF 5-pin with barriers.

BUL20255

Interrupteur à bascule – blanc. 5 contacts avec séparateurs.
Rocker switch – White. ON/OFF 5-pin with barriers.

CONNECTEURS RAPIDE / *QUICK CONNECTORS*

BUL20133
175 Amp. 2 AWG
Inclus 2 connecteurs, 4 terminaux & 1 couvert avec attache.
Includes 2 connectors, 4 terminals & 1 dust cover.

BUL20018
Pour treuils avec câblage jusqu'à 2 AWG.
Fits winch wiring up to 2 AWG.

BUL20047
6 AWG

CONTRÔLEUR SANS FIL POUR TREUIL / *WIRELESS CONTROL FOR WINCH*

BUL20156

- Contrôle de l'alimentation dans un rayon de 1000'
- Permet à l'opérateur d'éviter les manoeuvres dangereuses
- Cosses qui s'ajustent à la plupart des contacteurs
- Convient au treuils "Bulldog power sport" avec contacteurs

- *Convenient power in/power out control from any position within 1000' radius*
- *Allows operator to keep clear from dangerous rigging*
- *Cable ends included to fit most contactors*
- *Fits Bulldog power sport winches with contactors*

ENS. DE CÂBLES / *WIRING KITS*

BUL20025
Connection frontale d'alimentation, câble double de 7.5' pour mise à terre, connecteur rapide, 12 câbles d'attache.
Front power connection, 7.5ft double power/ ground wire, quick connector, 12pc cable ties.

BUL20026
Connection arrière d'alimentation, câble double de 24' pour mise à terre, connecteur rapide, 6 câbles d'attache. Universel, coupé à la longueur désirée.
Rear power connection, 24ft double power/ground wire, quick connector, 6pc cable ties. Universal fit cut-to-length.

CORDE SYNTHÉTIQUE / *SYNTHETIC ROPE*

BUL20095
4000 lb - 6mm x 50'

La corde est fabriquée de fibres de polyéthylène à haute teneur moléculaire (HMPE) de haute qualité qui sont:
- Légères
- Plus fortes et plus sécuritaires que l'acier, demande moins d'énergie cinétique
- Facile à tirer
- Facile à manipuler, pas de brins coupants

Lines are made with high quality high molecular polyethylene (HMPE) fibers that are:
- *Lightweight*
- *Stronger and safer than steel, stores less kinetic energy*
- *Easy to handle no sharp strand*
- *Easier to spool*

- La façon la plus rapide et la moins dispendieuse d'élever et de niveler votre camion.
- Excellent pour la combinaison treuil/pare-chocs renforcés, les chasse-neige ou tout autre pièce qui abaisse l'avant de votre camion.
- Sans danger dans les stationnements souterrains.

- *Fastest, least expensive way to lift and level your truck.*
- *Great for heavy-duty winch/ bumper combos, snowplows or the other parts that weigh down the front end of your truck.*
- *Underground parking lot safe.*

RL67-3809 REAR SHOCK EXTENSIONS

	2WD/4WD
99-17 Silverado / Sierra 1500	2WD/4WD

NOTE : Conçu pour être utilisé avec amortisseurs d'origine avec blocs arrière 3" ou similaires. Ces nouvelles extensions gardent la longueur des amortisseurs d'origine et préviennent le défoncement lors de conduite en terrain accidenté.

NOTE: Designed to be used with factory shocks on 99-12 GM 1500 trucks with 3" or similar rear lift blocks. These new extensions keep the stock shock length and prevent shock "top out" during excessive cycling such as when driving in rough conditions.

NOTES

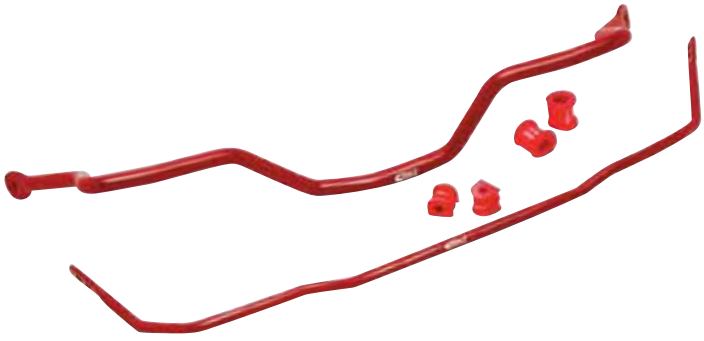

1. Un alignement du véhicule sera nécessaire après l'installation.
2. Pour installer un pneu de grandeur maximum, il peut être nécéssaire de garder la largeur/espacement arrière/décalage de la roue original. Certaines applications peuvent exiger de retirer le garde-boue intérieur de l'aile avant et/ou autres modifications de l'aile. C'est la responsabilité de l'installateur de s'assurer que l'ajustement du pneu est conforme à un fonctionnement sécuritaire du véhicule.
3. La hauteur maximum obtenu dépendera de l'ajustement final de la barre de torsion, des accessoires, le poids total transporté et l'âge de la barre de torsion.

1. Vehicle will require alignment after kit is installed.

2. In order to install Max tire size, it may be required to retain the factory wheel width/backspacing/offset. Some applications may require the removal of the front inner fender mud flaps and/or other fender modifications. It is up to the installer to verify tire fitment and clearance for safe operation of vehicle.

3. Maximum height achieved will depend upon final torsion bar adjustment, accessories, weight carried and the age of the torsion bars.

ENSEMBLE DE COMPRESSEUR À AIR SANS FIL "AIR COMMAND™ F3"
AIR COMMAND™ F3 WIRELESS AIR COMPRESSOR KIT

RR2581

Combine le bloc soupape et le "ECU" en une unité facile à installer. Seulement trois fils à relier au véhicule et un au compresseur. La nouvelle conception permet de brancher les lignes d'air et le faisceau de câblage du même côté de l'unité ce qui simplifie l'acheminement des lignes et l'alimentation électrique.
Combine the ECU and valve block into one easy to install unit. There are only three wires to connect to the vehicle and one to the compressor The new design allows the air lines and wiring harness to all be plugged into the same side of the unit for simpler routing of lines and power supply.

Avantages de la télécommande
- Augmente la durée de vie de la batterie
- Affichage DEL facile à lire
- Ajustement sur une simple pression du doigt

Wireless Remote Benefits
- *Longer battery Life*
- *Easy to read LED display*
- *On-the-go one push pressure adjustment*

ACCESSOIRES / *ACCESSORIES*

150 psi max.

RR2168

Ens. comprenant compresseur à haut rendement, panneau de contrôle électrique pour la cabine, indicateur illuminé, les tubes et raccords. Permet un gonflage individuelle des deux ressorts.
Kit including heavy duty compressor, electric cab control panel, illuminated gauge, tubing and connecting tees. Provides individual inflation of the two air springs.

150 psi max.

RR2097

Ensemble comprenant compresseur à haut rendement, panneau de contrôle électrique pour la cabine, indicateur illuminé, les tubes et raccords. Permet un gonflage égale des deux ressorts.
Kit including heavy duty compressor, electric cab control panel, illuminated gauge, tubing and connecting tees. Provides equal inflation of both air springs.

150 psi max.

RR2219

Ensemble comprenant compresseur à rendement élevé, commande à double jauge. Permet un gonflage individuelle des deux ressorts.
Kit including heavy duty compressor, dual gauge control. Provides individual inflation of the two air springs.

130 psi max.

RR2158

Ensemble comprenant compresseur, panneau de contrôle électrique pour la cabine, indicateur illuminé, les tubes et raccords. Permet un gonflage égale des deux ressorts.
Kit including compressor, electric cab control panel, illuminated gauge, tubing and connecting tees. Provides equal inflation of both air springs.

130 psi max.

RR2490

Indicateur simple. Compresseur standard et panneau de commande numérique gonfle et dégonfle à partir de la cabine.
Single gauge. Standard duty compressor and digital control panel inflates and deflates within the cab.

120 psi max.

RR2178

Ensemble comprenant compresseur standard, commande à double jauge, Ajustement instantané de votre ressort d'assistance pneumatique, Permet un gonflage égal des deux ressorts. Surveillance continue des ressorts pneumatiques
Kit including standard duty compressor, dual gauge control, instant adjustability of your air helper springs. Provides equal inflation of both air springs. Continuous monitoring of the air helper springs.

Firestone

RESSORTS PNEUMATIQUES AUXILIAIRES / *AIR HELPER SPRINGS*

POUR RESSORTS ARRIÈRE À LAMES / *FOR REAR LEAF SPRINGS*

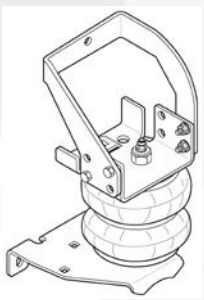

Tout est inclus pour une installation rapide et facile. Supports, ressorts pneumatiques, filage, conduit d'air et différentes valves pour pour un gonflage manuel. Le temps d'installation est d'environ 1-2 heures.
Everything is included for a quick, easy installation. Brackets, air springs, hardware, air line, and separate valves for manual inflation. Average installation time is approximately 1-2 hours.

Gardent le véhicule de niveau - améliorent la direction et l'efficacité du freinage, les faisceaux des phares restent de niveau, et réduisent l'usure des pneus. Nivellent les charges décentrées - les valves de gonflage individuelles permettent un ajustement côte-à-côte. Réduisent l'affaiblissement de la suspension - empêchent l'affaissement permanent des ressorts à lames causé par une charge répétée ou constante. Évitent l'écrasement complet - le coussin pneumatique protecteur adoucit le contact entre l'essieu et le cadre. Augmentent la stabilité du véhicule - absorbent les chocs et procurent un roulement idéal pour les passagers et le chargement.

Keep the vehicle level - improve steering control and braking effectiveness, level headlight beams and reduce tire wear. Level off-center loads - individual inflation valves allow for adjustment side-to side. Reduce suspension fatigue - keep leaf springs from permanent sagging under repeated or constant load. Reduce bottoming out - protective air cushion softens contact between the axle and frame. Increase vehicle stability - absorbing road shock providing ideal ride conditions for passengers and load.

NOTE 1 : * Un minimum de 3.00" d'espace entre le chassis et le pneu est requis (roue arrière simple ou double)
* *Requires 3.00" of clearance between frame and tire (both single and dual rear wheels.)*

NOTE 2 : * Un minimum de 6.5" d'espace entre le chassis et le pneu est requis (roue arrière simple ou double)
* *Requires 6.5" of clearance between frame and tire (both single and dual rear wheels.)*

NOTE 3 : * Un minimum de 7.5" d'espace entre le chassis et le pneu est requis (roue arrière simple ou double)
* *Requires 7.5" of clearance between frame and tire (both single and dual rear wheels.)*

NOTE 4 : * Un minimum de 8.00" d'espace entre le chassis et le pneu est requis (roue arrière simple ou double)
* *Requires 8.00" of clearance between frame and tire (both single and dual rear wheels.)*

NOTE 5 : * Un minimum de 9.5" d'espace entre le chassis et le pneu est requis (roue arrière simple ou double)
* *Requires 9.5" of clearance between frame and tire (both single and dual rear wheels.)*

NOTE 6 : * Utiliser l'ensemble d'entretoise **RR2366** avec l'emballage robuste ou TRD
* *Use spacer kit **RR2366** with heavy duty package or TRD*

LoadCONTROLLER

Gonfler / Dégonfler
Inflate / Deflate

Contrôle simple offre un gonflement égal des ressorts pneumatiques. Le capteur de basse pression active automatiquement le compresseur d'air si la pression dans le ressort pneumatique tombe sous le niveau de sécurité.

Single path control provides equal inflation of both air springs. Low pressure sensor automatically activates the air compressor if air spring pressure falls below safe level.

ALC25850

ALC72000

Aucun fil dans la cabine. Unité de console sans fil pour les opérations à l'intérieur ou à l'extérieur du véhicule. Maintient automatiquement la pression réglée. 2 touches mémoires définies pour les arrangements fréquemment utilisés.

No lines or wires to the cab. Wireless handheld unit for operation in or outside vehicule. Automatically maintains set pressures. Two user-defined memory buttons for frequently used settings.

FABRIQUÉ AUX ÉTATS-UNIS *MADE IN USA*

SUSPENSION PNEUMATIQUE / *AIR SUSPENSION*

RESSORTS PNEUMATIQUES ET SUPPORTS SEULEMENT, VALVE DE GONFLAGE MANUELLE
AIR SPRINGS AND BRACKETS ONLY, MANUAL INFLATION VALVE

Meilleure maniabilité et contrôle, maximise la sécurité, la stabilité et la qualité lors du transport de charges très lourdes. Les conditions de conduite sont assouplies par le transfert de la charge de la suspension du véhicule au système pneumatique de HELLWIG. Chaque ensemble est conçu pour maximiser la capacité de charge en toute sécurité. Complet avec ressorts doubles à alvéoles très résistants.

Better handling and control under heavily loaded conditions. Maximize safe load carrying capacity, stability and ride quality. Superior ride quality of this unit softens typical loaded ride conditions by transferring load from the vehicles leaf spring to the Hellwig Air Spring. Each kit is designed to maximize safe load carrying capacity. Complete with double convoluted heavy duty air springs

EZ-990

AUGMENTE LA FLÈCHE DES RESSORTS ET LA STABILITÉ
- Capacité de 2000 lbs de charge
- Peut être ajusté indépendamment pour les charges inégales
- S'installe sous l'essieu à boulons en "U" original

GARANTIE À VIE

INCREASE SPRING RATE & STABILITY
- *2000 lbs level load capacity*
- *Can be adjusted independently for uneven side to side loads*
- *Mounts under factory axe U-bolt plates*

LIFETIME WARRANTY

PRO-SERIES

- Capacité de 2500 lbs de charge
- Modèle à boulonner
- Transportez vos charges avec plus de stabilité et de contrôle.
- Installez-le et oubliez-le!

- *2500 lbs level load capacity*
- *Bolt on design*
- *System enables trucks to carry loads with more stability and control*
- *Set it and forget it*

TRAJETS SILENCIEUX
- Un bloc de polyuréthane applique une tension sur les boulons en "U" pour maintenir une randonnée tranquille.
- Stabilise aussi le ressort auxiliaire en mode de recul et de rebond

SILENT RIDE FEATURE
- *With unique polyurethene block applies tension to the u-bolts to maintain a quiet ride.*
- *Also stabilizes the helper spring in reverse or rebound mode*

Forced air cooling

ULTRA LUMINEUX / *HYPER LUMINANCE*

Cet ensemble a une luminosité de 2200 lm, s'approchant des DHI au Xenon. Les lumières DEL similaires n'obtiennent que 1200 à 1500 lm, moins de luminosité que les ampoules à halogènes
This kit is 2200 lm brightness, nearing to Xenon HID. But similar LED lights have only 1200 lm-1500 lm outpout, even less luminance than halogen bulbs.

IMPERMÉABLE & ANTI-POUSSIÈRE / *WATERPROOF & DUSTPROOF*

Comparé à d'autres produits similaires, ce produit a une remarquable conception d'imperméabilité et d'anti-poussière.
This product is also outstanding on design of anti-dust and water-proof compared to similar products.

MEILLEURE DISSIPATION DE CHALEUR / *BEST HEAT RELEASING*

Par sa conception de conduction, radiation et convection de chaleur, ce produit dissipe parfaitement la chaleur.
This product is equiped with design of heat conduction, heat radiation and heat convection which makes it performs perfectly in heat releasing.

MOTIF LUMINEUX PARFAIT / *PERFECT LIGHT PATTERN*

Le motif lumineux de ces ampoules pour phares à DEL de voiture ont été redéfinis lors de notre deuxième conception en important un réflecteur "ROCKER" qui éclipse les motifs des autres produits similaires.
This auto vehicle LED headlight bulbs output light pattern has been re-defined through our secondary design by importing a "ROCKER" reflector. This dwarfs the similar products at output light pattern.

AMPOULES DE PHARE ANTIBROUILLARD À DEL HAUTE PUISSANCE
HIGH POWER LED FOG LAMP BULBS

- Qualité d'origine (OEM)
- Même faisceau qu'un phare antibrouillard d'origine
- Conçu et fabriqué en Corée
- 10 watts / DEL Cree™ de 600 lumens chacun
- Compatible 12V et 24V
- Vie moyenne de 50,000 heures
- * Peut nécessiter une résistance sur certains véhicules récents
- * Résistances vendues séparément
- * Peut ne pas s'ajuster à certains phares antibrouillards avec écrans d'ampoule.

- *OEM quality*
- *Same beam pattern as OEM fog lamp*
- *Engineered & manufactured in Korea*
- *10 Watts / 600 lumens Cree™ LED's each*
- *12V & 24V compatible*
- *50,000 hour life expectancy*
- * *May require a resistor on some newer cars*
- * *Resistors sold separately*
- * *May not fit in some fog lamps with bulb shields*

CARACTÉRISTIQUES ET AVANTAGES
- Construction en nylon résistant aux températures élevées
- Ensemble DEL le plus récent et le plus avancé dans le monde
- Utilise la technologie CPU d'intensité constante et CEM d'anti-interférence
- Lampe, tour et ballast miniatures pour une taille réduite de 40%
- Flux lumineux élevé - 2500 lumens chaque
- Dissipateur thermique en tissu de CUIVRE (Cu) 100% exclusif à Putco
- Le dissipateur thermique permet une installation dans les endroits compacts
- Pas de ventilateur bruyant qui est sujet à une défaillance
- DEL de marque Cree
- Sortie de lumière : 360°
- Protection antichoc IP68 et IP65
- Durée de vie 50,000 heures

FEATURES AND BENEFITS
- *100% High Temperature Nylon construction*
- *Newest & most advanced LED Kit available in the world*
- *Packed with technology Constant Current CPU, EMC (anti-interference)*
- *Miniaturized lamp, tower, and ballast, 40% reduction in size*
- *High Lumen output - 2500 lumens each*
- *A Putco exclusive 100% COPPER (Cu) Weave cloth heat-sink*
- *Copper cloth heat-sink allows for installation in compact places*
- *No noisy fan which is prone to failure*
- *Cree LED*
- *360 Degree Light Output*
- IP68 IP65 Shock Proof
- *Lifespan > 50,000 hours*

Ensemble DEL G3/G4
G3/G4 LED kits

2600H1WP
2000L • 6500°K • H1

CARACTÉRISTIQUES ET AVANTAGES
- Branchez et utilisez. Chaque ensemble est spécifique au type d'ampoule à brancher dans le boîtier d'origine.
- Conception solide en aluminium avec un micro ventilateur incorporé.
- DEL Cree XM0L2 à 200 lumens par watt
- Le ballast n'est pas encombrant comme sur les autres modèles (Sur certain types d'ampoule)
- Fonctionnement stable
  - Protection antichoc IP65
  - Intensité constante
  - Protection contre le surchauffage interne
  - Conception anti-interférence CEM
  - Résistant à l'eau
- Vendu à la paire

FEATURES AND BENEFITS
- *Plug and play installation. Each kit is bulb type specific to plug into existing factory bulb housing.*
- *Solid aluminum design with built in micro-fan*
- *Cree XM0L2 LEDs-200 lumens per wattage*
- *Ballast- no large, clumsy exterior ballast to contend with like other designs (On some bulb types)*
- *Stable operating design*
  - *IP65-shock proof*
  - *Constant current CPU*
  - *Internal overheating protection*
  - *EMC anti-interference design*

AMPOULES HOD / *HOD BULBS*
Décharge à puissance élevée • Vendu à la paire / *Sold in pairs* • *High output discharge*

La portée visuelle de l'ampoule est plus large que celle des ampoules HID et normales. De plus, le faisceau de la lumière fait une plus grande distance que celui des lumières normales (plus de 150m), ce qui peut garantir la sécurité des automobilistes durant la nuit.

The eyeshot of the bulb is wider than HID and normal bulbs. Also, the beam of the light has more distance than normal lights (more than 150m), so this can guarantee the safety of drivers at night.

ENSEMBLE D'AMÉLIORATION DES PHARES *XenonMax*
XenonMax HEADLIGHT UPGRADE

- XenonMax utilise un filament conçu avec une technologie de précision plus un mélange de gaz Xenon afin que la lumière se concentre exactement où on en a besoin. La lumière blanche et brillante améliore le confort du conducteur en réduisant la fatigue de l'oeil.
- Procure une meilleure réflection des panneaux et des marques sur la chaussée, et permet de voir plus facilement les piétons et les cyclistes.
- Les objets peuvent être vus plus tôt et plus clairement à une distance de 75m avec feux de croisement pour une plus grande sécurité.

- *XenonMax uses precision designed filament technology, plus a Xenon gas mixture, to concentrate the light exactly where it is needed. The bright white light improves driver comfort by reducing eyestrain that can lead to driver fatigue*
- *Provides better reflection from road markings and signs, and makes it easier to see more vulnerable users such as pedestrians and cyclists*
- *Objects can be seen earlier and more clearly at a distance of 75m on low beam, for greater safety*

DEL CREE / *CREE LEDs*

Projection étroite, large et combinée en une seule barre à DEL. Les deux premières rangées sont l'optique large et les rangées inférieures sont l'optique étroite. Utilisez un connecteur DT à 3 broches qui contrôle la projection étroite et large séparément et la combinaison activera les 2 projections.
Flood/Spot/Combo beam in one light. The top two rows are flood optics and bottom two rows are spot optics. Use a 3 pin DT connector controls flood and spot beam separately and combo beam will light up both flood and spot as a combo beam.

ENSEMBLE DE 2 / *SET OF 2*

Le boîtier compact de 4 DEL peut être utilisé dans des situations multiples: Un feu de recul sur un camion, une lumière de guidon sur une moto, un faisceau large sur une remorque. Avec 1300 lumens de luminosité, cette petite lumière illumine plus qu'une MR16 50W. Tirant uniquement 15W vous ne trouverez pas une source de lumière compacte plus efficace.
A 4 LED light in a compact package that can be used for anything from a reverse light on a truck, a handlebar light on a motorcycle, to a flood light on a trailer. With 1300 lumens of light, this small light has the more light output than a 50W MR16. Pulling only 15W you won't find a more efficient, compact light source.

MODEL	DESCRIPTION	PAR UNITÉ / *PER UNIT*

Ri20221	Blanc/Faisceau étroit *White-spot*	1300 lumens	17.3 watts • 1.2A
Ri50231	Lumière de route blanche *Driving beam white single*	2600 lumens	36 watts • 2.5A

- Durée de vie de 50 000 heures
- 9-36V
- Protection inversion de polarité
- Disponible: Standard, large et combo
- IP68
- Reniflard Goretex
- Lentille en polycarbonate incassable
- A360 de fonte d'aluminium pur
- Revêtement en poudre de polyester durable
- Protecteur de tension + / -
- Température de fonctionnement -40° à 63° C
- Pas de vibrations
- Sel/Brouillard certifié
- Système intégré de gestion thermique

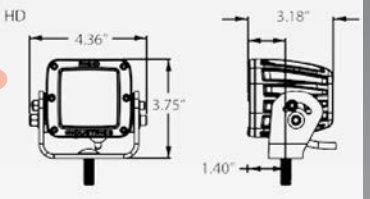

- *50 000 hour life span*
- *9-36V*
- *Reverse polarity protection*
- *Available in spot, flood, combo*
- *IP68 rating*
- *Goretex breather*
- *Unbreakable polycarbonate lens*
- *A360 high purity aluminum cast housing*
- *Durable polyester powdercoat*
- *Over/Under voltage protection*
- *Operating temp -40° to 63° C*
- *No vibration*
- *Salt/fog certified*
- *Integrated thermal management system*

Halo Torch

LAMPE DE POCHE / *FLASHLIGHT*

CIRC. : 1 3/4"

Ri30120
800 Lumens
Durée de vie / *Run time*: 2h45

La "Halo Torch" de Rigid Industries est la meilleure lampe de poche que vous pourriez trouver. Le rayon central projette jusqu'à 1000' à son plus haut réglage.
The Rigid Industries Halo Torch is the best all-around flashlight you'll ever find. The focused center projects 1000' at the highest setting.

Incl. :
- 1 Chargeur mural / *1 Wall charger*: 110V
- 1 Adaptateur pour allume-cigarette AC/DC / *1 AC/DC Cigarette Charger Adapter*
- 1 pile rechargeable Li-on / *1 Li-on rechargeable battery*

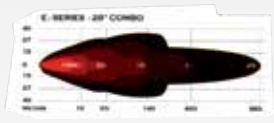

BARRES À DEL / *LED LIGHT BARS*

E-Series

	DESCRIPTION	A	B	C	D	E	F
Ri120312	20" Combo Projecteur/Faisceau large / *Spot/Flood Combo* 7900 lumens • 5.9A	3 1/4	3 3/4	22 7/8	2 3/8	20 3/4	2 5/8

- Système Optique hybride breveté conçu spécifiquement pour la toute dernière technologie DEL
- La conception antichoc; radiateur surdimensionné pour garder les DEL frais - Durée de vie en moyenne de 50 000 heures
- Deux angles de réflexion, projecteur (10°) ou faisceau large (20°)
- Chaque lumière E-Series est livrée avec les câbles (commutateur inclus) et les supports (pour une fixation facile à la plupart des surfaces planes)
- **Nombre plus élevée de lumen par watt - Chaque section de 10" produit environ 3600 lumens - l'équivalent de 150 watts de lumière halogène !**

- *Patented Hybrid Optics designed specifically for the latest LED technology*
- *Shockproof design; oversized heatsink to keep LEDs cooler – Equates to 50 000 hour average lifespan*
- *Spot (10°.) or Flood (20°.) reflectors give both distance and cornering coverage*
- *Every E-Series light comes with wiring harness (switch included) and cast brackets (for easy mounting to most flat surfaces)*
- ***Highest Lumen Output per Watt – Each 10" section produces approx. 3600 lumens – equivalent to 150 watts of halogen light!***

PROTÈGE GRILLES EN ACIER INOXYDABLE AVEC DEL / *STAINLESS STEEL BULL BARS WITH LED*

CARACTÉRISTIQUES

Acier inoxydable 304 poli. Fait de tuyau robuste épais de 3.5" dia. Barre à DEL 20" intégré à faisceau large. Installation sans perçage.

- 18 DEL Cree x 3 watts = 54 watts.
- 3 024 lumens
- Température de couleur : 6.500K (blanc froid).
- Faisceau large (angle de rayonnement de 60°).
- Indice IP67.
- Boîtier en aluminium thermolaqué avec lentille en polycarbonate.
- Comprend faisceau de câbles de 24"

FEATURES

Polished 304 stainless steel. Made from thick 3.5" dia. Heavy duty steel tubes. Integrated 20" LED light bar with flood beam pattern. Easy no-drill installation.

- *18 Cree LED's x 3 Watts = 54 Watts.*
- *3,024 Lumens*
- *Color temperature: 6.500K (cool white).*
- *Flood light pattern (60-degree beam angle).*
- *IP67 rating.*

NOTES

3 Les crochets de remorquage doivent être retiré.
16 La relocalisation de la plaque peut être requise. Les modèles Denali doivent relocalisé la plaque.
17 Incompatible avec régulateur de vitesse / alerte de prévention de collision dont le capteur laser est monté dans la grille.
18 Ne convient pas au véhicules équipés d'un régulateur de vitesse actif.
19 19. Peut être installé sur les véhicules équipés de "Ecoboost" mais ce n'est pas recommandé.
20 Peut interférer avec les capteurs de stationnement, les capteurs de proximité et les capteurs externes du régulateur de vitesse.

FOOTNOTES

3 Tow hooks must be removed.
16 License plate relocation may be required. Must relocate license plate on Denali models.
17 Will not be compatible with optional Adaptive Cruise Control-Forward Collision Warning Systems featuring grille mounted laser control sensor.
18 Will not work on vehicles with active cruise control system.
19 Can be installed on Ecoboost equipped vehicles but is not recommended.
20 May interfere with parking sensors, proximity sensors and external cruise control sensors.

SYSTÈMES DE DEL STROBOSCOPIQUES / *LED STROBE LIGHT KIT*

INSTALLATION FACILE DANS LES PHARES ET LUMIÈRES ARRIÈRE

EASY INSTALLATION INTO A VEHICLE'S COMPOSITE HEADLIGHT AND TAILLIGHT

W850410CCCC
Bloc d'alimentation de 40 watts
Ensemble de quatre têtes à DEL
40 Watt Power Supply
LED Four Head Kit

La trousse de DEL est conçu pour une installation facile dans les phares et feux arrières en composite d'un véhicule. Vous pouvez choisir une des quinze configurations de clignotements en touchant un bouton sur le tableau de contrôle inclus. Chaque tête à DEL contient huit "GEN 3 LEDs" de un watt omni-directionnel qui sont encastrées pour les protéger contre l'humidité et les vibrations de la route. Les têtes DEL s'installent facilement dans un trou de 1" qui est percé dans les assemblages de la lumière. Le joint de caoutchouc fourni assure l'étanchéité.

INCLUS:
- Un bloc d'alimentation à quatre fiches de haut rendement avec un voltage de 12-24 volts DC
- Quatre têtes DEL super brillantes avec un fil de 6" et des connecteurs verrouillables
- Quatre cables pour connecter les têtes DEL au bloc d'alimentation
- Tableau de contrôle à boutons
- Quincaillerie pour le montage et instructions d'installation faciles à suivre.
  - Courant : 1.54 amps @ 12.5 volts DC
  - Sortie maximum du bloc d'alimentation : 40 watts
  - Inclus : 2 câbles 3 m/9.8' et 2 câbles 5m/16.4' avec connecteurs verrouillables

LED light kits are designed for easy installation into a vehicle's composite headlight and taillight. There are fifteen advanced flash patterns to choose from with the touch of a button on the control panel provided. Each LED head has eight omni-directional one watt GEN 3 LEDs that are encapsulated for moisture and road vibration protection. The LED heads easily install into a 1" hole wich is drilled into the light assemblies. The rubber gasket provided will ensure a watertight seal.

INCLUDED:
- *A heavy-duty four-outlet power supply with an operating voltage of 12-24 volts DC*
- *Four super bright LED heads with 6" wire lead and locking connectors*
- *Four cables to connect the LED heads to the power supply*
- *Switch control panel*
- *Mounting hardware and easy to follow installation instructions.*
  - *Current: 1.54 amps @ 12.5 volts DC*
  - *Power Supply Maximum Output: 40 watts*
  - *Included: 2 cables 3 m/9.8' & 2 cables 5m/16.4' with locking connectors*

ÉCLAIRAGE

Le LED fournit un rendement lumineux incomparable, qui permet un accroissement du champ visuel lors de la conduite.

LONGÉVITÉ ACCRUE

Ne comportant aucun filament fragile et ayant moins de perte d'énergie, les LED ont une longévité jusqu'à 50 fois plus grande que celle d'une ampoule halogène typique. De plus, les ampoules sont adaptées à l'eau et à la poussière, avec un indice de protection IP67.

INSTALLATION

Ces ampoules s'insèrent dans la même prise et se connectent au même connecteur de câblage que vos ampoules d'origine. Aucune modification de votre véhicule n'est nécessaire pour l'installation.

• AUCUN CODE D'ERREUR, AUCUNE INTERFÉRENCE RADIO, AUCUN SCINTILLEMENT

SERVICE TECHNIQUE GRATUIT 7 JOURS PAR SEMAINE

1-888- 943-4533

LIGHTING

The LED provides an incomparable luminous efficiency, which allows an increased visual field while driving.

INCREASED DURABILITY

With no fragile filaments and less energy loss, LEDs have a lifetime up to 50 times longer than a typical halogen bulb. With an IP67 rating, our bulbs are dustproof and waterproof.

INSTALLATION

These bulbs fit into the same outlet and connect to the same wiring connector as your original bulbs. No modification of your vehicle is necessary during the installation.

• NO DASHBOARD ERROR, NO RADIO INTERFERENCE, NO FLICKERING

FREE TECHNICAL SERVICE 7 DAYS A WEEK

FLOWMASTER INC.
THE EXHAUST TECHNOLOGY COMPANY

SÉRIE 40 / *40 SERIES*

Le "Delta flow" série 40 aide à augmenter la puissance des anciens modèles d'autos et de camions.

The Delta flow 40 series helps increase torque and horsepower on many late-model performance cars and trucks.

Applications recommandées pour :
Application recommendations:

- Auto de performance, ancien modèle
- Résonnance intérieure réduite
- Tonalité de performance

- *Late-model performance car*
- *Reduced interior resonance*
- *Performance tone*

OXYGEN SENSOR RESTRICTOR FITTING WITH ADJUSTABLE GAS FLOW INSERTS

ACIER INOXYDABLE T304 / *T304 STAINLESS STEEL*

VB11621

L'extrémité mâle du raccord se met en place dans un bouchon O2 standard M18 x 1.5. Un capteur O2 standard se met en place dans l'extrémité femelle de ce raccord. Insérez l'un des trois raccords inclus pour restreindre le débit du gaz au capteur O2 et le retenir en place avec l'attache incluse.
Male end of the fitting threads into a standard M18 x 1.5 O2 bung. A standard O2 sensor threads into the female end of this fitting. Insert one of the three included inserts to restrict exhaust gas flow to the O2 sensor and retain in place with included clip.

SYSTÈMES D'ADMISSION D'AIR / *AIR INTAKES*

"BLACKHAWK SERIES"

Les systèmes d'admission d'air K&N Blackhawk Induction™ sont conçus pour certains camions à essence, à moteur diesel et pour les muscle cars. Comprends un tube d'admission d'air recouvert de poudre noire et pour la plupart une plaque soudée et gravée K&N®. Chaque système d'admission d'air K&N Blackhawk Induction™ viennent avec un filtre à air K&N Dryflow® réutilisable pour un excellent débit d'air et la protection du moteur. Garanti d'ajouter de la puissance, les systèmes d'admission d'air K&N's Blackhawk Induction™ sont faciles à installer et produisent un son de moteur qui tue.

K&N Blackhawk Induction™ air intake systems are available for select gas trucks, diesel trucks and muscle cars. They feature a black powder coated intake tube and most come with a welded K&N® engraved plate. Each K&N Blackhawk Induction™ air intake comes with a reusable K&N Dryflow® Air Filter for excellent airflow and engine protection. Guaranteed to add horsepower, K&N's Blackhawk Induction™ air intake systems are easy to install and produce a killer engine sound.

LECTEURS DE CODES DE DIAGNOSTIC / *DIAGNOSTIC CODE READERS*

Lecteur de code OBD Bluetooth avec application gratuite qui communique via Bluetooth avec une puce branchée dans le port OBDII du véhicule. L'application peut lire les données de diagnostic ainsi que les données sur les trajets et le rendement du véhicule.

Bluetooth OBD Code Reader offers a free App that communicates via Bluetooth with "dongle" plugged into vehicle's OBD II port. App is capable of reading diagnostic data as well as trip and vehicle performance.

FONCTIONNALITÉS

- Lit les codes de diagnostic, autant les codes génériques que les codes spécifiques au fabricant.
- Vérifie et réinitialise les codes de défauts afin d'éteindre le voyant lumineux "vérifier le moteur".
- Pour tous les véhicules OBD-II.

FEATURES

- *Read diagnostic trouble codes, both generic and manufacturer specific.*
- *Clear trouble codes and turn off the Check Engine light.*
- *Works with all OBD-II compliant vehicles.*

AÉROSOL "BOOM MAT" / *BOOM MAT SPRAY-ON*

BOOM MAT
PERFORMANCE ACOUSTICAL MATERIAL

DEi050220

Boom Mat est parfait pour les endroits dur à atteindre comme l'intérieur du coffre, le panneau latéral, dessous du véhicule, tôle de carrosserie et à l'intéreur des panneaux de porte. En plus de réduire le bruit, la vibration et servir de sous-couche, l'aérosol "Boom Mat" sert également de barrière thermique isolante contre la chaleur. Aide à prévenir la rouille. Ne craque et ne s'écaille pas. Surface prête pour l'application dans 6 heures. Couvre environ 20 pied carré.

Boom Mat Spray-On is perfect for those hard to reach places such as trunk interiors, fender wells, undercarriage, body panels and inside door panels to name a few. In addition to reducing noise, vibration and serving as an undercoating, Boom Mat Spray-On also serves as a thermal barrier insulating against heat. Helps prevent rust. Won't crack or chip. Paintable in 6 hours. Covers approximately 20 sq. ft.

flashpaq F5

PERFORMANCE TUNER

VOICI LE TOUT NOUVEAU FLASHPAQ F5

Nous vous présentons le tout nouveau programmeur de puissance **FLASHPAQ F5**. Avec sa nouvelle interface facile à utiliser, son écran couleur haute résolution, ses fonctions de balayage et ses réglages de niveaux, le **FLASHPAQ F5** offre plus de puissance par rapport à son prix que la plupart des autres programmeurs sur le marché

INTRODUCING THE ALL-NEW FLASHPAQ F5

*Introducing the all-new **FLASHPAQ F5** performance tuner from Superchips. With it's new, easy-to-use graphic interface, high-resolution color screen, scan features and tuning levels, the **FLASHPAQ F5** offers more power per dollar than any other tuner on the market.*

CARACTÉRISTIQUES

- Écran couleur 2.8", haute résolution
- Interface graphique redessinée pour améliorer l'utilisation
- Mémoire accrue avec processeur plus rapide pour améliorer le réglage et actualiser la vitesse
- Réglage de puissance pour économie, remorquage, conduite ordinaire et réglage extrême
- Élimine le rétrogradage lorsque vous montez une colline
- Indicateur de vitesse corrigé lors du changement de taille de pneus et de rapport de transmission*
- Ajuste la vitesse et les limites de révolution*
- Réglage pour points de changement de vitesse, la fermeté des changement, gestion de couple et plus*
- Mise à jour via USB avec le tout nouveau logiciel
- Contrôle actif de la gestion de l'essence*
- Suivi des divers paramètres et capacités du véhicule
- Lis et efface les codes d'erreur diagnostiqués
- Compatible avec autres mises à jour de performance

*: Les caractéristiques peuvent varier selon l'année, la marque et le modèle

KEY PRODUCT FEATURES

- *High-definition, 2.8" color screen*
- *Redesigned graphic interface for improved user experience*
- *Increased memory with faster processor for improved tuning & updating speed*
- *Performance tuning for economy, towing, daily driving and extreme tuning*
- *Eliminate downshifting whem climbing hills*
- *Speedometer correction for changes in tire size and gear ratio**
- *Adjust speed & rev limiters**
- *Tuning for shift points, shift firmness, TQ management and more**
- *Internet updateable with all-new update software via USB*
- *Active fuel management control**
- *Vehicle parameter monitoring capabilities*
- *Read and clear diagnostic trouble codes*
- *Compatible with other performance upgrades*

*: *Features may vary based on year, make & model.*

flashpaq PERFORMANCE TUNER

Superchips

PROGRAMMEURS DE PUISSANCE / *POWER PROGRAMMERS*

CARACTÉRISTIQUES

- Écran couleur 2.8", haute résolution
- Interface graphique redessinée pour améliorer l'utilisation
- Mémoire accrue avec processeur plus rapide pour améliorer le réglage et actualiser la vitesse
- Puissance, économie d'essence, mise au point de remorquage (Puissance améliorée jusqu'à 20%)
- Élimine le rétrogradage lorsque vous montez une colline
- Calibrage des pneus de 22.5" à 42"*
- Mise au point compatible avec filtre à air de rechange, système d'échappement "cat-back" et entretoises de corps d'accélérateur
- Mise au point hors route CRAWL exclusive*
- Ajustements SSPP*
- Changement de vitesse de la transmission automatique optimisé
- Verrouille les serrures "Rubicon" en position 4-HI
- Ajuste le tournage au ralenti en temps réél pour garder les accessoires fonctionnels.
- Lis et efface les codes d'erreur diagnostiqués
- Mise à jour via USB avec le tout nouveau logiciel

*: Les caractéristiques peuvent varier selon l'année, la marque et le modèle

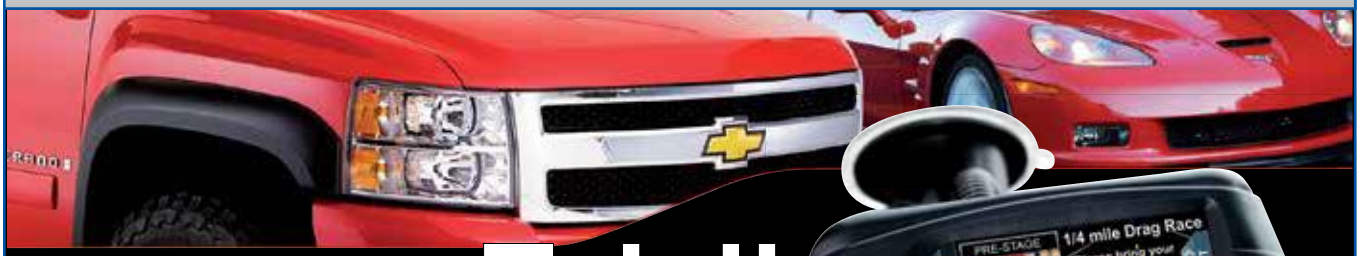

FLASKPAQ KEY FEATURES

- *High-resolution, 2.8" color screen*
- *Redesigned graphic interface for improved user experience*
- *Increased memory with faster processor for improved tuning & updating speed*
- *Power, fuel economy & towing tunes (Up to 20% improvement in power)*
- *Help eliminate downshifting whem climbing hills*
- *Calibrate for tire from 22.5" to 42"**
- *Tuning works with aftermarket air filters, cat-back exhaust systems and throttle body spacers*
- *Exclusive CRAWL off-road tune**
- *TPMS adjustments**
- *Automatic transmission shift optimization*
- *Lock Rubicon lockers in 4-HI*
- *Adjust idle in real-time to run accessories*
- *Read and clear diagnostic trouble codes*
- *Internet updateable with all-new update software via USB*

**: Features may vary based on year, make & model.*

DIABLOSPORT®

Trinity

DiAT1000

Le DiabloSport Trinity est l'appareil de mise au point le plus avancé sur le marché. Trinity est un programmeur de performance, moniteur pour indicateur virtuel, piste de course virtuelle et un lecteur de diagnostic tout-en-un !

The DiabloSport Trinity is the most advanced tuning device in the market! Trinity is a performance programmer, virtual gauge monitor, virtual drag strip, and diagnostic code reader all in one!

MONITEUR POUR INDICATEUR VIRTUEL
VIRTUAL GAUGE MONITOR

- Installez votre propre alarme virtuelle pour votre indicateur / alternez les lumières en utilisant les DEL de Trinity.
- Créez vos propre schémas de cadrans ou utilisez un schéma pré-enregistré.
- Un nombre infini de combinaisons et/ou personnalisation de vos cadrans.
- Supporte d'autres appareils tels que EGT, Wideband, Boost et plusieurs autres.
- *Set up your own virtual gauge alarm / shift lights using the Trinity's LEDS*
- *Build your own gauge layouts or use a preloaded layout.*
- *Infinite number of combinations and/or customization of gauges.*
- *Supports third party devices such as EGT, Wideband, Boost, and much more.*

ARBRE D'ACCÉLÉRATION VIRTUEL
VIRTUAL DRAG TREE

- Temps pour 1/4 de mile : Temps pour 1/8 de mile
- Temps d'essai pour 0-60 : Temps d'essai pour 0-100
- Testez votre temps de réaction
- *1/4 mile time: 1/8 mile time*
- *0-60 time trial: 0-100 time trial*
- *Test your reaction time*

LECTEUR DE CODE DE DIAGNOSTIC
DIAGNOSTIC CODE READER

- Trinity peut être utilisé comme lecteur de code de diagnostics sur plusieurs véhicules.
- Fini les inquiétudes du «check engine», faites le vous même !
- *Trinity can be used as a diagnostics code reader on multiple vehicles.*
- *No more check engine light worries, do it yourself!*

DIABLOSPORT®

PROGRAMMEUR DE PERFORMANCE
PERFORMANCE PROGRAMMER

- Accordez multiples véhicules (seulement un à la fois) / Inclut plusieurs niveaux de mise au point pour différents niveaux de puissance.
- Contient le plus de paramètres ajustables par l'utilisateur sur le marché
- 50-200 roue HP / 50-350 TQ pour véhicules au diesel / 15-40 roue HP/TQ pour véhicules à essence.
- Multiples ajustements préchargées pour chaque application de véhicule incluant des ajustements pour mode économique.
- Ajustements de performance et de remorquage (diesel) Ajustements pour niveau d'octane multiple (Essence).
- *Tune multiple supported vehicles (only one at a time) / Includes multi-level tuning for various power levels.*
- *The most end user adjustable parameters in the market.*
- *50-200 wheel HP / 50-350 TQ for Diesel vehicles / 15-40 Wheel HP/TQ for gas vehicle.*
- *Multiple preloaded tunes for each vehicle application including economy tunes.*
- *Performance tunes and towing tunes (Diesel) Multiple octane level tuning (Gas).*

BOÎTIER DE BATTERIE 12V PORTATIF / *PORTABLE POWER BATTERY BOX 12V*

PARFAIT POUR LE CAMPING, VR, BATEAU, HORS-ROUTE ET EN EXCURSION / *IDEAL FOR CAMPING, RV'S, BOATING, OFF-ROADING AND EXPLORING*

AP730

- Chargeur de batterie 12V, poste d'alimentation portatif, système de gestion de batterie et système à batterie double réunis en un seul produit
- Fourni une alimentation 12V et 120V en tout temps
- Caractéristiques principales : onduleur 300 watts, prise USB 5 volt 2.1 amp, 2 prises d'accessoires 12 volts
- Prise Anderson 50 amp, bornes de batterie externes, disjoncteur de base tension, interrupteur manuel, chargeur CA & CC 7 amp, et un écran ACL facile à lire
- Technologie de gestion du temps
- Chargeur intelligent à 7 étapes
- Inclus chargeur d'auto CC-CC
- Dim. ext. : 240mm (9 1/2") large x 440mm (13 1/4") long x 327mm (13") haut
- Dim. int. : 180mm (7") large x 330mm (13") long x 238mm (9 1/2") haut
- Batteries compatibles : LiFePO4, Gel, Calcium, AGM, plomb-acide (batterie non comprise)
- 4.62kg (10 lb) sans batterie
- Pour batterie jusqu'à 130 amp heure

- *12V battery charger, portable power station, battery management system and dual battery system all rolled into one*
- *Delivers 12V and 120V power anytime*
- *Key features: 300 watt inverter, 5 volt USB 2.1 amp socket, 2 x 12 volt accessory sockets*
- *50 amp Anderson socket, External battery terminals, Low voltage cut-out, Manual isolator switch, 7 amp AC & DC charger, and an easy read LCD screen*
- *Time tracker technology*
- *7 Stage smart charger*
- *DC-DC car charger included*
- *Ext. dim.: 240mm (9 1/2") wide x 440mm (13 1/4") long x 327mm (13") high*
- *Int. dim.: 180mm (7") wide x 330mm (13") long x 238mm (9 1/2") high*
- *Battery compatibility: LiFePO4, Gel, Calcium, AGM, lead acid (battery not included)*
- *4.62kg (10 lb) without battery*
- *Up to 130 amp hour battery size*

TESTEUR / *TESTER*

MW7155

TESTEUR ABS AVEC SOLUTIONS OPTIONNELLES DE RÉPARATION

- Pour véhicules de 1996 et +
- L'affichage tout en un montre 25 informations vitales en une fois
- Facile à utiliser
- Identifie le type et le total des codes retrouvés
- Définition des codes à problèmes
- Rapport complet du diagnostique
- Causes probables
- Pourrait même réparer et plus encore

ABS TESTER WITH OPTIONAL REPAIR SOLUTIONS

- *1996 and newer vehicles*
- *Patented all in one display shows 25 vital pieces of info at one time*
- *Easy to use*
- *Identifies type & total codes retrieved*
- *Trouble codes definitions*
- *A full diagnostic report*
- *Probable causes*
- *Most likely fix and more*

BATTERIES / *BATTERIES*

LES BATTERIES OPTIMA® SONT 15 FOIS PLUS RÉSISTANTES À LA VIBRATION ET ONT UNE RÉSISTANCE SUPÉRIEURE À LA CHALEUR. ELLES SONT ANTIDÉVERSANTES, S'INSTALLENT PRATIQUEMENT DANS N'IMPORTE QUELLE POSITION ET SANS ENTRETIEN.

THE OPTIMA® BATTERIES ARE OVER 15 TIMES MORE RESISTANT TO VIBRATION AND HAVE SUPERIOR HEAT RESISTANCE. IT'S SPILL-PROOF, CAN MOUNT IN ALMOST ANY POSITION AND IS MAINTENANCE FREE.

Les batteries OPTIMA envoient un plus haut niveau de puissance au démarreur.

OPTIMA batteries deliver a higher level of power to the starter.

BATTERIES NAUTIQUE / VR *MARINE / RV BATTERIES*

La Technologie SPIRALCELL® donne une réserve d'énergie plus longue, se recharge plus rapidement, et dure deux fois plus longtemps qu'une batterie nautique/VR traditionnelle .

SPIRALCELL® Technology means more running time, faster recharge, and up to twice the life of traditional marine and RV batteries.

BATTERIES À DÉCHARGE POUSSÉE *DEEP CYCLE BATTERIES*

Si votre véhicule a beaucoup d'accessoires comme des phares auxiliaires, treuils, hydrauliques ou système audio de haute performance.

If your vehicle has a lot of accessories like running lights, winches, hydraulics or high-performance stereo systems.

BATTERIES "POWERSPORTS"
POWERSPORTS BATTERIES

Scellé en Permanence
Permanently Sealed

Installation immédiate. Chaque batterie est fraîchement chargée, aucun besoin de se préoccuper avec mesures, remplissage et attente. Prête quand le conducteur est prêt! Les batteries VARTA sont dotées de la technologie AGM, elles sont construites pour gérer ce que la route, la saleté, l'eau et la neige peuvent apporter tout en offrant une performance élevée.

- Résistance supérieure à la vibration
- Durée de vie plus longue
- Résiste aux charges et décharges répétées
- Puissance maximale sans perte de performance
- Sans entretien, aucune manipulation d'acide ni de charge initiale
- Conception de grille établie pour améliorer la puissance et la durabilité
- Performance élevée dans un large éventail de températures
- Conception étanche, peut être installée à n'importe quel angle

Install immediately. Each battery is freshly charged, with no need to hassle with measuring, filling and waiting for a charge. So they're ready to go when the rider's ready, not when the battery's ready. Because VARTA batteries feature AGM technology, they're built to handle whatever the road, dirt, water and snow can dish out and still deliver high performance.

- *Superior vibration resistance*
- *Longer life*
- *Withstands repeated charging and discharging*
- *Maximum power with no loss in performance*
- *Maintenance free, no initial charging or acid handling*
- *Established grid design for improved durability and power*
- *Higher performance in a wider range of temperatures*
- *Nonspillable design and can be installed at any angle*

Le boîtier ultra robuste protège contre les températures extrêmes et les terrains accidentés
Extra-strong case protects against extreme temperatures and rugged terrain

APPAREILS DE CHAUFFAGE / *HEATERS*

TT3000C
12 volts • 25 amp
300 watts / 1100 BTU

Chaleur instantanée. Complètement sécuritaire. Ventilateur puissant et silencieux. Facile d'installation. Filage et interrupteur inclus.
Instant heat. Completely safe operation. Quiet, powerful air circulating fan. Easy to install. Wiring and switch included.

TT6000C
12 volts • 12.5 amp
180 watts / 600 BTU

Chaleur instantanée. Complètement sécuritaire. Ventilateur puissant et silencieux. Se branche dans l'allume-cigare.
Instant heat. Completely safe operation. Quiet, powerful air circulating fan. Plugs into cigarette lighter.

ROADPRO
ON THE GO LIVING

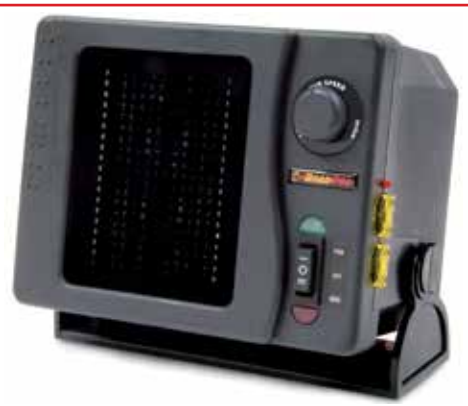

RADIATEUR ET VENTILATEUR 12V
HEATER / FAN 12V

RPSL581

Se branche dans un port d'alimentation 12V. Interrupteur pour ventillateur/arrêt/chaleur. Base pivotante pour un ajustement à n'importe quelle position. Câble d'alimentation de 6', 16 gauge. Puissance: 180 Watts. Consommation de courant 15 Amp. Peut être monté rapidement ou de façon permanente.

Plugs into a 12V power port. Fan/Off/Heat Switch. Swivel base for adjustment to any position. 6' 16 gauge power cord. 180 Watts power rating. 15 Amp current draw. Can be mounted quickly or permanently.

RADIATEUR CÉRAMIQUE/VENTILATEUR AVEC BASE PIVOTANTE
CERAMIC HEATER/FAN WITH SWIVEL BASE

RPSL681

Directement connecté à la batterie de votre véhicule (12V). Vitesse du ventilateur ajustable, bas ou élevé. Transférer de chaud à froid facilement. Puissance de 25 Amp, 300 Watts. Câble 14' de calibre 12. Nécessite un fusible en ligne 30 Amp (non inclus).

Direct hook-up to your vehicle battery. Adjustable fan speed, low and high. Switch from heat to cool settings with the flip of switch. 25 Amp power rating, 300 Watts. 12 gauge 14' wire. Requires a 30 Amp In-line fuse (not included).

ENER-G+™

LAMPE CHAUFFANTE À INFRAROUGE POUR GAZÉBO
GAZEBO HEATING LAMP WITH RED LIGHT

EHEA21723

Chauffrette d'extérieur à 1500 Watts pour réchauffer votre belvédère ou votre patio. Peut être utilisé à l'intérieur ou l'extérieur. Couvert en aluminium. Appareil protègé contre les pluies et la poussière. Certifié IP34. Protection sécuritaire avec interrupteur en cas de bascule.

1500 Watts gazebo or ceiling patio heater. Can be used indoors and outdoors. Aluminum cover. Water and dust resistant. IP34 approval. Safe protection with tip-over switch.

BLOCS D'ALIMENTATION MULTI-FONCTION / *MULTI-FUNCTION POWER SUPPLIES*

Pour votre auto, camion, vus, motocyclette, motoneige, vtt, bateau et + / *For your car, truck, suv, motorcycle, snowmobile, atv, boat and more...*

MUNI DE CÂBLES DE DÉMARRAGE INTELLIGENTS / *WITH SMART JUMPER CABLES*

- Vient dans un boîtier rigide pour faciliter le rangement
- Batterie à haute capacité au lithium polymère nano
- Chargement rapide avec cycles lents d'auto-décharge
- Longue durée de vie - Peut être chargé et déchargé plus de 1000 fois
- Courant de départ de 250A et un courant maximum de 500A
- Compresseur à air inclus (Courant de décharge <2.5A et courant maximum de 4A)
- Compresseur à air à écran analogique. affichage en PSI, BAR & KPA
- DEL intégrée

- *Comes with hard case for easy storage*
- *High capacity nano lithium polymer battery pack*
- *Fast charging with low self-discharge cycle*
- *Long life, can be charged and discharged over 1000 times*
- *Starting current of 250A and peak current of 500A*
- *Tire pump included (unloaded current less than 2.5A & maximum current 4A)*
- *Analogue-select pressure gauge display / reading in PSI, BAR &KPA*
- *Built-in LED light*

307010

INCL.:

- Boîtier rigide de transport / rangement
- Câbles de démarrage intelligents
- Embouts de recharge assortis
- Embouts de recharge 8-en-1
- Chargeur mural
- Chargeur de voiture
- Manuel d'instructions
- Compresseur à air
- Adaptateur de pneus de bicyclettes et voitures

- *Hard carrying storage*
- *Smart jumper cables*
- *Assorted charging tips*
- *8-in-1 charging tips*
- *Wall charger*
- *Car charger*
- *Instruction manual*
- *Tire pump*
- *Car & bike adaptors*

COMPACT ! COMPARABLE À UN TÉLÉPHONE INTELLIGENT / *COMPACT DESIGN! COMPARABLE TO A SMARTPHONE*

307001
12,000mAh

PUISSANT DÉMARREUR DE SECOURS

- Fournit l'ampérage nécessaire au démarrage même dans des conditions de froid extrême

CHARGEUR ET BLOC D'ALIMENTATION

Téléphones, ordinateurs portables, tablettes et autres électroniques !

- 400 ampères de démarrage
- Alimenté par batteries au lithium-ion rechargeables

POWERFUL JUMP STARTER

- *Gives your vehicle plenty of juice to start up even in extreme cold conditions*

CHARGER AND POWER SUPPLY

Phones, laptops, tablets and other electronics!

- *400 cranking amps*
- *Powered by rechargeable lithium-ion batteries*

INCLUS:

- Étui de transport
- Connecteur USB et ordinateur portable
- Câbles de survoltage
- 4 embouts assortis pour charger
- 8 embouts assortis pour charger les ordinateurs portables
- Chargeur mural, chargeur d'auto

INCLUDED:

- *Carrying Case*
- *USB and laptop connector*
- *Jumper cables*
- *4 assorted charging tips*
- *8 assorted charging tips-laptops*
- *Wall charger, car charger*

CHARGEUR,TESTEUR, MAINTENEUR / *CHARGER,TESTER, MAINTAINER*

OptiMATE 3 x2

TM451

L'outil tout-en-un pour l'entretien de votre batterie 2 x 12V à la maison - Diagnostique, récupère, charge, teste et entretient de façon optimale votre batterie, et ce, automatiquement - Récupère les batteries sulfatées, puis les teste après la charge - Le programme de maintenance distribue la charge uniquement lorsque la batterie en a besoin, jamais de surcharge, jamais déchargée. Boîtier résistant aux intempéries avec fixations murales, câble d'alimentation CA de 180 cm avec connecteur SAE. 2 câbles de batterie étanches et 2 ensembles de pinces pour batterie standard inclus.

The all-in-one tool for 2 x 12V batteries care at home - Diagnoses, recovers, charges, tests and optimally maintains, automatically - Recovers sulfated batteries and then tests after charging - The maintenance program delivers only what the battery needs, never overcharges, never undercharges. Weatherproof case with wall mounts, with 6ft AC supply lead and 6 ft charge lead ending in SAE connector. 2 x Weatherproof battery lead & 2 x standard battery clip set included.

CHARGEUR-PRÉSERVEUR AUTOMATIQUE À 3 ÉTAPES / *AUTOMATIC 3 STEP CHARGER-MAINTAINER*

POUR TOUTES LES BATTERIES AU PLOMB-ACIDE DE 6V & 12V. / *FOR ALL 6V & 12V LEAD-ACID BATTERIES*

ACCUMATE 6/12 mini

TTM-84

Entièrement sécuritaire pour les connections prolongées, sans risque de surcharge. Avec 2 connecteurs détachables et interchangeables :

- Un connecteur avec oeillets pour une connection permanente
- et pinces à batterie

Les voyants DEL indiquent :

ROUGE - il y a alimentation et une bonne connection
AMBRE - la batterie se recharge
VERT - confirme que la batterie est entièrement chargé et que le chargeur est en mode préserveur

Totally safe for prolonged connection to the battery, without risk of overcharging. With 2 detachable & interchangeable battery connectors:

- *A connector with eyelets for permanent connection*
- *and battery clips for bench charging*

Simple illuminated LEDs indicate the following:

***RED** - power on & correct battery connection*
***AMBER** - battery is charging*
***GREEN** - confirms that the battery is fully charged and the charger has gone into maintenance mode*

CHARGEUR ET TESTEUR / *CHARGER AND TESTER*

OptiMATE 4

TTM-241

La désulfatation à étapes multiples récupère les batteries dégradées - Optimise la puissance et la durée de vie de votre batterie - Entretien de batteries à long terme en toute sécurité - Chargez la batterie en connexion DIRECTE ou via CAN-bus - TEST initial puis TEST chaque heure

Multi-stage desulphation saves neglected batteries - Optimises battery power and life - Safe long term battery care - Charge battery DIRECT or via CAN-bus - TEST at start and TEST every hour

CTEK™

SYSTÈME DE SURVEILLANCE CTX / *CTX BATTERY SENSE*

CT40-149

Permet la surveillance de l'état de votre batterie par une appli pour iOS et Android. Il donne un **aperçu de l'état** de toutes les batteries de vos véhicules. Il envoie une notification à votre téléphone intelligent lorsque l'état de votre batterie atteint un niveau critique.

*Enables monitoring of your vehicle's battery status via a smartphone app for iOS and Android. It gives a practical **overview of the status** of all your vehicle's batteries. It sends a **smartphone notification** to you when the battery's state of charge falls to a critical level.*

CHARGEUR DE BATTERIES / *BATTERY CHARGER*

CT56-864

Offre un diagnostic de la batterie qui indique si une batterie peut recevoir ou retenir la charge. Une fonction de reconditionnement spécifique qui restaure les batteries stratifiées et profondément déchargées. Une charge d'entretien unique et un mode pour la charge optimisée durant les journées froides d'hiver. Un chargeur à 8-étapes complètement automatique qui fournit un choix de 0.8 A ou de 4.3 A aux batteries 12 V.

Fully automatic 8-step charger that delivers selectable 0.8 A or 4.3 A to 12 V batteries from 1.2–110 Ah and is suitable for maintenance charging up to 160 Ah. The charger is splash and dust proof, designed to protect vehicle electronics and non-sparking, reverse polarity protected and short-circuit proof.

CHARGEURS DE BATTERIES / *BATTERY CHARGERS*

CTUS3300

Notre chargeur intelligent le plus populaire, le plus flexible et à usages multiples
Idéal pour automobile, voiture ancienne, embarcation à usage personnel, bateaux avec une batterie, bateaux avec une batterie de démarrage et de service, scooter, motocyclette, Quad/VTT, tondeuse à gazon, véhicule récréatif et tracteur.
Perfect for vintage cars, boats with one battery, boats with start & service battery, boats with start & service bank, scooter, motorcycle, Quad/ATV, lawnmower, caravan, and tractor.

CTUS800

Le plus petit chargeur 12V de CTEK offre une technologie très moderne. Idéal pour la charge de plus petites batteries 12 V dans les motocyclettes, les motomarines, les VTT et les tondeuses à gazon. Il est aussi idéal pour la charge d'entretien de batteries de "dimension normale" telles que les batteries d'automobiles. Chargeur à 6-étapes compact et complètement automatique pour batteries 12V de 1.2-32 Ah et idéal pour la charge d'entretien jusqu'à 100 Ah. Il ne fait pas d'étincelles, il est protégé contre l'inversion de polarité et à l'épreuve de court-circuit.
Perfect for charging smaller 12 V batteries that can be found in motorcycles, jet skis, ATVs and lawnmowers. It is also suitable for maintenance charging "normal- sized" batteries such as car batteries. The unique display allows the user to follow the entire charging process. The US 0.8 is a compact and fully automatic 6-step charger for 12 V batteries from1.2–32 Ah and is suitable for maintenance charging up to 100 Ah.

CTUS7002

Le chargeur de batterie idéal pour votre véhicule récréatif, votre automobile et votre bateau. Grâce à son mode ALIMENTATION (SUPPLY) le chargeur de batterie fournit du pouvoir même sans batterie. Le mode ALIMENTATION (SUPPLY) est indispensable durant le changement de batterie parce qu'il évite de perdre les paramètres de programme compliqués. Idéal pour voiture ancienne, bateaux avec une batterie, bateaux avecbatterie de démarrage et de service, scooter, motocyclette, Quad/VTT, tondeuse à gazon, véhicule récréatif et tracteur. Il inclut deux câbles de connexion interchangeables, un avec des pinces,et un avec des cosses annulaires.
The ideal battery charger for your caravan, car and boat. The battery charger is well suited for all-year use. Thanks to its SUPPLY mode the battery charger provides power even without a battery. The supply mode is indispensable when changing the battery as you avoid losing program settings.

ACCESSOIRES POUR CHARGEURS DE BATTERIES / *BATTERY CHARGERS ACCESSORIES*

ANNEAU D'INDICATEUR DE CONFORT
COMFORT INDICATOR EYELET

CT56-382

L'Indicateur de confort démontre facilement l'état de charge de la batterie et fait en sorte que la batterie peut toujours recevoir les soins nécessaires. Il est tout à fait idéal pour une installation permanente sur les batteries qui sont difficiles à atteindre, par exemple sur la motocyclette, la tondeuse à gazon et la motomarine. Conçu pour s'adapter aux chargeurs de batterie **CTUS 800, CTUS 3300, CTUS 7002,** et **CT56-864.**
Comfort Indicator easily shows the status on the battery and makes sure that the battery can always get the care it needs. It is perfectly suited for permanent installation on batteries that are hard to reach, for example on the motorcycle, lawn mower and Jet Ski. CTEK Comfort Indicator can prolong the life expectancy of the battery as it makes sure it can always be fully charged and it indicates when the harmful sulfation process begins. Designed to fit **CTUS 800, CTUS 3300, CTUS 7002,** *and* **CT56-864** *battery chargers.*

PRISE DE L'ALLUME-CIGARE
CIGARETTE PLUG

CT56-263

Permet de charger la batterie par la prise de l'allume-cigare. Conçu pour s'adapter aux chargeurs de batterie **CTUS 800, CTUS 3300, CTUS 7002,** et **CT56-864.**
Enables charging the battery through the cigarette outlet. Designed to fit **CTUS 800, CTUS 3300, CTUS 7002,** and **CT56-864** *battery chargers.*

*** NOTEZ QU'IL DOIT Y AVOIR DE LA TENSION DANS LA PRISE DE L'ALLUME-CIGARE QUAND LE VÉHICULE N'EST PAS EN MARCHE.**
**** NOTE THAT THE VEHICLE NEEDS TO HAVE POWER ON THE CIGARETTE OUTLET WHEN NOT IN USE.***

BOÎTIERS DE BATTERIE VENTILÉS À COUVERCLE ENCLIPSABLE AVEC COURROIES
VENTED SNAP-TOP BATTERY BOXES W/STRAPS

- Fait en plastique polypropylène moulé par injection
- Couvercle enclipsable qui se fixe solidement à la base
- Poignées robustes qui résistent au fissure
- Bouchons d'évent pour limiter les infiltrations d'eau
- Quincaillerie d'installation et instructions inclus
- Convient aux batteries de 6 et 12 volts
- Fabriqué aux États-Unis

- *Made from injection moulded polypropylene plastic*
- *Features Snap-Top lid that secures the lid to the base*
- *Heavy-Duty handles that resist cracking*
- *Vent hole cover plugs to limit water entry*
- *Includes mounting hardware and instructions*
- *Fits 6 and 12 Volt batteries*
- *Made in the USA*

ONDULEURS D'ONDE SINUSOÏDALE PURE / *PURE SINE WAVE INVERTERS*

ONDE SINUSOÏDALE PURE
PURE SINE WAVE

Séries d'onduleurs SSW / *SSW Series Inverters*

Alimentation CA fiable, À UN PRIX ABORDABLE
Reliable AC Power at an AFFORDABLE PRICE

- Compact et léger / *Compact & lightweight*
- Surtension élevée: 2X puissance continue / *High surge: 2X continuous power*
- Vrai onde sinusoïdale - idéal pour les charges sensibles
  True Sine Wave Power - ideal for sensitive loads
- Démarrage en douceur et de la technologie surface froide
  Soft start and cool surface technology
- Les modèles de 300 & 600 Watt ont un port de chargement USB
  300 & 600 Watt models have USB charging port
- 2 sorties GFCI protègé (Modèles 1000, 1500 & 2000W)
  2 GFCI Protected Outlets (1000, 1500 & 2000W models)
- Protections: Thermal, surcharge de la batterie, court-circuit et défaut à la terre
  Protections: Thermal, battery overload, short circuit & earth fault

Téléviseurs, chaînes stéréos, lecteurs DVD, matériel de bureau à domicile et autres charges sensibles de votre voiture, bateau, camion, VR ou batteries du système solaire.
Power TVs, stereos, DVD players, home office equipment and other sensitive loads from your car, boat, truck, RV or solar system batteries.

Télécommande ACL incluse avec tout model 1000, 1500 & 2000W.
LCD Remote included with every 1000, 1500 & 2000W Model.

CHARGEURS/ONDULEURS SINUSOÏDAUX PURES EVOLUTION
EVOLUTION SERIES PURE SINE INVERTER/CHARGER

Onduleurs à ondes sinusoïdales pures, chargeur de batterie adaptatif, relais de transfert – en UN appareil. La série Samlex Evolution™ procure une alimentation CA fiable là où elle est requise. Utilisez en bateau, RV, camp, véhicules spécialisés, ainsi que comme énergie alternative, alimentation de secours ou d'urgence.
Pure sine wave inverter, adaptive battery charger, transfer relay – All in ONE unit. Samlex EvolutionTM Series inverter/chargers provide reliable AC power wherever it's needed. For use with boats, RVs, cabins and specialty vehicles, as well as alternative energy, back-up and emergency power applications.

EVO2212
2200 Watts

Le **EVO2212** est un onduleur sinusoïdale pure de 2200 watts avec entrée de 12 VCC, sortie de 120 VCA à 50/60 Hz. Il intègre un chargeur de 100 Amp à 4 étapes et un relais de transfert de 40 Amp dans une solution évolué et abordable d'alimentation hors-réseau.
The **EVO2212** *is a 2200 Watt Pure Sine inverter, 12 VDC input, 120 VAC output, 50/60 Hz. It intelligently integrates a 100 Amp 4 stage battery charger and a 40 Amp transfer relay into an advanced and affordable off-grid power solution.*

EVO3012
3000 Watts

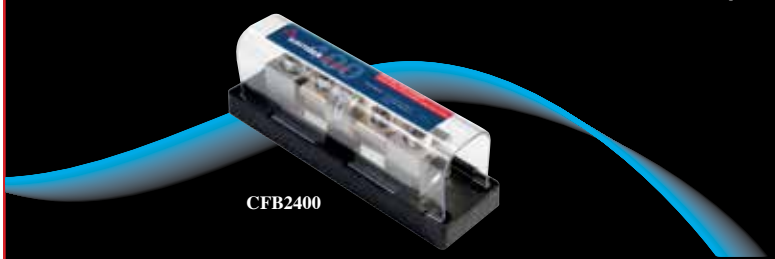

Le **EVO3012** est un onduleur sinusoïdale pure de 3000 watts avec entrée de 12 VCC, sortie de 120 VCA à 50/60 Hz. Il intègre un chargeur de 130 Amp à 4 étapes et un relais de transfert de 70 Amp dans une solution évolué et abordable d'alimentation hors-réseau.
The **EVO3012** *is a 3000 Watt Pure Sine inverter, 12 VDC input, 120 VAC output, 50/60 Hz. It intelligently integrates a 130 Amp 4 stage battery charger and a 70 Amp Transfer Relay into an advanced and affordable off-grid power solution.*

EVORC
Télécommande / *Remote control*

Le **EVORC** est une télécommande intelligente conçue spécifiquement pour la nouvelle série de chargeur/onduleur Evolution™. Surveillez les activités en temps réel sur l'écran ACL à 32 charactères : tension de sortie, fréquence, amps, watts, volt amps, facteur de puissance, tension de la batterie, courant de la batterie, courant de l'entrée solaire et plus.
The **EVORC** *is an intelligent remote control designed specifically for use with NEW Samlex Evolution™ Series of Inverter/Chargers. View real-time activity on the informative 32 character LCD screen while the unit is operating: output voltage, Frequency, amps, watts, volt Amps, power factor, battery voltage, battery current, solar input current and more.*

SC10	17 VDC	9.5W	5.6A

CHARGEURS DE BATTERIES / *BATTERY CHARGERS*

WI20025

Charge entièrement votre batterie automatiquement puis passe en mode de charge de maintien. Avec protection contre les inversions de polarité et les surcharges. Fonctionne avec les batteries de 6V et 12V ! Inclus des cosses à anneau et des pinces alligator. Homologué UL et cUL.

Fully charges battery automatically then switches to trickle mode when full charge is reached. Features reverse hook-up protection and over-charging prevention. Works with both 6V and 12V batteries! Includes quick connect ring terminals and alligator clips. UL and cUL approved.

WI20029

12 volts, 1 A. Scellé et résistant à l'eau (chargeur seulement) - norme IP68. Empêche les surcharges et est protégé contre les inversions de polarité. 3 DEL affichent l'état de charge. Inclus des cosses à anneau, fusible 3 A et pinces alligator.

12 Volt, 1 Amp. Sealed and water resistant (battery charger unit only) - rated IP68 potted. Prevents over-charging battery and has reverse hook-up protection. 3 LED displays indicate charge status. Includes quick connect ring terminals with 3 ampere in-line fuse and alligator clips.

WI20028

6/12 volts - 1,5 A. Quatre DEL affichent l'état de charge. Protection contre les inversions de polarité/étincelles. Boîtier en plastique résistant aux intempéries. Norme IP52. Inclus la quincaillerie d'installation et des cosses à anneau. Certifié CEC.

6/12 Volt - 1.5 Amp. Four LEDs for easy charging status identification. Reverse polarity protected/spark resistant. Molded plastic weather proof case. IP52 rated. Includes mounting hardware for automobiles, boats, tractors, golf carts, and other equipment. Includes ring terminals. CEC certified.

WI20039

12 volts, 1.25 A, 3 étapes. Charge et maintient les batteries de 5 à 200 Ah. Avec protection contre les inversions de polarité et les surcharges. 3 DEL affichent l'état de charge. Approprié pour une charge sécuritaire et le maitien des batteries liquide, au plomb, au plomb scellé, à électrolyte gélifié, à décharge profonde et AGM.

12 Volt, 1.25 Amp, 3-stage. Charges and maintains batteries from 5 to 200 Ah. Prevents over-charging battery and has reverse hook-up protection. 3 LED displays indicate charge status. Suitable for safe charging and maintenance of wet-cell, lead-acid, fully sealed lead-acid and gel-cell batteries, plus AGM and deep cycle

20-5185

Entièrement automatique. 12 volts 2/4/8 A. Protection contre les inversions de polarité/étincelles. Boîtier résistant à l'eau et enduit pour protéger le circuit imprimé. Détecte automatiquement les batteries défectueuses. Protégé contre les courts-circuits et les surtensions. Entrée CA universel 100-240VCA, 50/60 Hz. Câbles CA de 6' & CC de 8' inclus. Homologué UL & cUL.

Full auto smart charging. 12 volts 2/4/8 A. Reverse hook-up protection (spark resistant). Water resistant enclosure with coating to protect circuit board. Automatically detects defective batteries. Voltage & short circuit protected. Universal AC input 100-240 VAC, 50/60 Hz. 6' AC & 8' DC cables included. UL & cUL approved

With cigarette plug

Protégé contre les courts-circuits avec récupération automatique. Fil 12'. Indicateur 3 de charge 3 couleurs à DEL. Limiteur de surcharge. 2 modes de charge : tension constante pour le maintien et courant constant pour charger. Pinces à batterie et cosses. Entrée CA universel 100-240VCA, 50/60 Hz. Homologué UL 1236.

Short Circuit Protected with Automatic Recovery. 12 ft. cable lead. Three colour LED charge indicator. Electronically monitored over current limiting. Two stage Charging Constant Voltage (Maintenance) Constant Current (Charging). Battery Clips, terminals. Universal AC Input 100-240VAC, 50/60 Hz. UL 1236 approved

STATION D'ACCUEIL / *DOCKING STATION*

20-5135

Branchez jusqu'à 5 chargeurs. Rallonge de 7'. Station compact peut être fixer au mur.

Plug up to five isolated chargers per station. 7 ft extension cord. Compact station mountable on wall or free standing on floor.

RÉPARTITEURS / *ISOLATORS*

WI20090 100 amp
WI20092 150 amp

Nos répartiteurs pour batteries jumelées conviennent à tous les véhicules muni d'une batterie auxiliaire. Les Battery Doctor® de 100 A et 150 A vous permettent de charger deux batteries à partir d'un seul alternateur et gardent la batterie de démarrage isolée de la deuxième batterie. De plus, en poussant le bouton de neutralisation/réenclenchement, vous pouvez mettre les batteries en mode parallèle pour un démarrage d'appoint.

Our fully automatic dual battery controllers are suitable for any vehicle with an auxiliary battery. The Battery Doctor® 100 and 150 Amp Battery Isolators allow you to charge two batteries from a single alternator and keep the starting battery isolated from the second battery. Also, with a single push of the override/reset button, you can change the batteries to parallel mode for jump starting.

Les codes en **ROUGE** indiquent un item discontinué à quantité limitée / *Codes in **RED** indicate a limited quantity discontinued item*

STB101

INTERRUPTEUR D'ISOLATION DE BATTERIE ROBUSTE
- Couvert de caoutchouc, 2 goujons en cuivre et clé
- 12 V - 500 Amps momentané / 350 Amps continuel
- Trou de montage: 15/16" X 2 3/16"

HEAVY DUTY BATTERY ISOLATION SWITCH
- *Ruber cover, 2 copper studs & locking key*
- *12 V - 500 Amps momentary / 350 Amps continuous*

MRCPI1000-CA

- Puissance continue de 1000 watts
- Affichage par icones: indicateur d'utilisation de puissance & lecture de la puissance de la batterie
- 2 sorties 120V GCFI
- 1 port USB 2A
- Protection contre la surcharge, alarme de batterie, protection contre les courts-circuits et disjoncteur
- Homologué ETL pour la sécurité

- *1000 watts of continuous power*
- *Icon based display: Power usage indicator & Battery power reading*
- *2 x 120V GCFI outlets*
- *1 x 2A USB power outlet*
- *Overload protection, battery alarm, short circuit protection & fault interrupter*
- *ETL listed for safety*

BLACK & DECKER

MRPI500PCA

- Alimente une variété de produits à partir de l'intérieur du véhicule, jusqu'à 100 watts en utilisant le câble d'alimentation 12 V DC
- Pinces et câbles fournissent jusqu'à 500 watts de puissance domestique lorsqu'il est connecté directement à la batterie
- Port USB de 2 Amp qui charge tablettes, lecteurs téléphones cellulaires MP3 et plus
- Pivotement sortie de 120 volts
- Panneau d'icônes illuminé qui s'allume pour indiquer la puissance de sortie

- *Powers a variety of electronics from inside the vehicle, up to 100 watts using the 12 V DC power cable*
- *Clamps and cables provide up to 500 watts of household power when connected directly to the battery*
- *2 amp USB charging port charges tablets, cell phones MP3 players and more*
- *Pivoting 120 volt outlets*
- *Illuminated icon panel lights up to indicate the output power*

CHARGEURS DE BATTERIE / *BATTERY CHARGERS*

BLACK & DECKER

MRBM3B

Chargeur de batterie à charge lente / d'entretien
Maintenance / Low charge battery Charger

- Conserve les batteries 6V et 12V à leur charge optimale
- Sortie: 1A
- *Keep 6V and 12V batteries at their optimal charge*
- *Output: 1A*

MRCBC4W-CA

Chargeur - Préserveur • 4 amp / *Charger - Maintainer • 4 Amp*

- Scellé contre la poussière, l'huile et l'humidité pour prévenir la corrosion
- Conserve les batteries à leur charge optimale pendant la saison morte
- Entièrement automatique, charge régularisée pour une efficacité maximale
- Se raccorde à la batterie de 3 façons : pinces à batterie, cosses à anneau ou cordon 12 volts CC
- Homologué UL pour la sécurité

- *Sealed from dust, oil, and moisture to prevent corrosion*
- *Keeps battery at optimal capacity during off-season*
- *Fully automatic, regulated charge for maximum efficiency*
- *Connect to battery 3 different ways: battery clamps, O-ring terminals or 12 Volt DC cord*
- *UL listed for safety*

MRCBC25E-CA

Chargeur 25 amp - Démarreur 75 amp / *25 Amp Charger - 75 Amp Engine Start*

- Alternateur et vérification de la tension incorporé
- Protection et avertissement contre les inversions de polarité
- Écran ACL
- Pinces robustes en métal
- Rangement pour câbles et pinces
- Conforme CEC
- Homologué UL pour la sécurité

- *Built-in alternator and battery voltage check*
- *Reverse polarity protection and alarm*
- *LCD screen display*
- *Heavy duty metal clamps*
- *Cable and clamp storage*
- *CEC compliant*
- *UL listed for safety*

BLACK & DECKER®

LAMPES PORTATIVES / *PORTABLE LAMPS*

MRWPAK5B-CA
5 Watts DEL/*LED*
500 Lumens
Projecteur étanche. Batterie 4 AA inclus. Boîtier étanche.
Waterproof spotlight. 4 AA Batteries included. Waterproof housing.

MRSLV2B-CA
10 Watts DEL/*LED* + USB
750 Lumens
Projecteur rechargeable Li-ion. Port USB micro pour chargement universel. Chargeur USB AC 2 Amp. Câble de chargement USB.
Li-ion rechargeable spotlight. Micro USB port for universal charging. 2 Amp AC USB Charger. USB charging cable.

MRWLB26B
Très lumineuse et durable. Légère et rechargeable. 26 DEL longue durée - 10 000 heures. 2 réglages de puissance. Utilisation avec ou sans fil. Crochet de suspension pivotant sur 360°.
Very light and durable. Lightweight and rechargeable. Long life LED 26 - 10 000 hours. 2 power settings. Use wired or wireless. Suspension hook 360 ° rotating.

MRVEC157BDCA
Pour pannes de courant et urgences. Éclairage au quartz halogène 1365 lumens. Chargeur CA incorporé - charge sur prise 12V. Indicateur de niveau de pile à DEL. Dragonne.
For power outages and emergencies. Quartz halogen lighting to 1365 lumens. AC charger included - 12V load. Battery level indicator LED. Strap.

MAXSA®

PROJECTEURS DE SÉCURITÉ À DEL À ÉNERGIE SOLAIRE
SOLAR-POWERED LED SECURITY FLOODLIGHTS

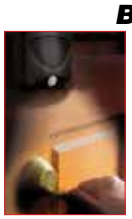

MAX44311
S'ajuste dans une multitude de directions! Son allure moderne complémentera votre patio, terrasse, allée ou autre aire extérieure. Comprend une pile rechargeable, un panneau solaire et un câble de 9'. S'active jusqu'à 120 fois lorqsqu'allumé pour 60 secondes à la fois. Boîtier en plastique avec un fini argent.
Adjustable in multiple directions! This modern looking light will be a great addition to any patio, deck, walkway or other outside area. Includes a rechargeable battery pack, solar charging panel, and a 9-foot cable. Activates up to 120 times when on for 60 seconds at a time. Plastic body with black finish.

MAX40224
Parfait pour les allées, les entrées, les garages et les hangars. Les 50 lumières à DEL s'allument automatiquement quand un mouvement est détecté la nuit. Inclut une batterie au plomb-acide rechargeable 6 volt 2 Ah. S'active 100 fois lorsqu'allumer une minute à la fois.
Perfect for walkways, driveways, garages and sheds. 50 LED lights automatically turn on when motion is detected at night. Includes 6 volt 2 Ah sealed lead acid rechargeable battery. Activates 100 times when on for 1 minute at a time.

LAMPE EXTÉRIEURE À PILES
BATTERY-POWERED OUTDOOR NIGHT LIGHT

MAX40342B
Parfait pour les escaliers, trottoirs, trous de serrure et entrées. Aussi pour corridors, garde-robes, salles de bain et éclairage d'urgence du sous-sol. 3 LED s'allume automatiquement lorsqu'un mouvement est détecté. Installez-le avec le support inclus ou simplement le placer sur une surface plate. Fonctionne avec 3 piles AA (non incluses).
Perfect outdoor for steps, walkways, keyholes and entry ways. Also great for hallways, closets, bathrooms and emergency basement lighting. 3 bright LED lights automaticaly turn on when motion is detected. Install with the included mounting bracket or simply stands on a flat surface. Use 3 AA batteries (not included)

- Compatible avec **WASP5210**, **WASP9905** & **WASP9907**

Features:
- *Includes 2 curved/flat adhesive mounts*
- *Compatible with* **WASP5210**, **WASP9905** *&* **WASP9907**

CAMÉRA HD POUR TABLEAU DE BORD / *HD DASH CAM*

CDR855BT

CARACTÉRISTIQUES:

- HD intégrale 1080p
- Écran ACL de 2.0"
- Angle visuel de 160°
- Micro carte SD - 8GB
- Enregistrement en continu: La caméra efface automatiquement les plus vieux segments pour faire de la place pour les nouveaux (Changez pour mode "Action Cam" pour désactiver l'enregistrement en continu)
- Communauté "IRadar": La fonction "Bluetooth" active des alertes pour les radars photos de feux rouge et de vitesse, la localisation de policiers et les radars partagés
- GPS: la fonction "Bluetooth" active le GPS et intègre la localisation exacte et l'heure à la vidéo
- Mode stationnement: Si la caméra ne détecte aucun mouvement, l'écran s'éteindra et l'enregistrement s'arrêtera; la caméra se réveillera et reprendra l'enregistrement lorsqu'un mouvement sera détecté

FEATURES:

- *1080p Full HD*
- *2.0" LCD Screen*
- *160° viewing angle*
- *Micro SD card - 8GB*
- *Continous loop recording: The camera automatically deletes the oldest segments to make room for new ones (Switch to action cam to disable the loop recording)*
- *IRadar community: Bluetooth enabled alerts to Red light & speed cameras, live police location and shared radar alerts*
- *Bluetooth enabled GPS: Embeds exact location and time into video recording*
- *Parking mode: If the dash cam doesn't sense any motion, the screen will turn off and recording will stop; the camera will automatically wake up and start recording if motion is detected*

CAMÉRA DOUBLE POUR TABLEAU DE BORD / *DUAL DASH CAM*

CDR895D

Caractéristiques:

- Système à deux caméras: enregistre simultanément la route devant et derrière en vidéo HD (Avant:1080p FHD, arrière:720p HD)
- Installation flexible: Fixez la caméra arrière au pare-brise avant orienté vers l'habitacle pour filmer l'intérieur du véhicule ou utiliser la rallonge de 20' pour fixer la caméra à la lunette pour filmer la route derrière vous
- Écran divisé: visionez les 2 caméras simultanément
- Système d'alerte au conducteur: un avertissement est émis en cas de sortie de voie ou lors de possibilité de collision frontale
- Angle visuel de 160°: Enregistre sans distortion sur les rebords
- Inclus une carte mémoire micro SD de 16 Go, un adaptateur d'alimentation pour voiture et un support à ventouse pour le pare-brise
- Mode stationnement: Si la caméra ne détecte aucun mouvement, l'écran s'éteindra et l'enregistrement s'arrêtera; la caméra se réveillera et reprendra l'enregistrement lorsqu'un mouvement sera détecté
- Enregistrement en continu: La caméra efface automatiquement les plus vieux segments pour faire de la place pour les nouveaux (Changez pour mode "Action Cam" pour désactiver l'enregistrement en continu)

Features:

- *Dual camera system: Simultaneously captures the road ahead and behind in HD video. (Front: 1080p FHD, Rear: 720p HD)*
- *Flexible configuration: mount the rear cam on the front windshield facing in for in-cab footage or use the 20' extender cable to mount the rear cam on the rear window facing out to record the road behind you*
- *Split screen view: View both cameras at the same time*
- *Driver alert system: Lane departure warning and forward collision warning*
- *160° Ultra-wide viewing angle: films without edge distortion (Front: 160°, Rear:130°)*
- *Includes a 16 GB micro SD memory card, vehicle power adapter and suction cup windshield mount*
- *Parking mode: If the dash cam doesn't sense any motion, the screen will turn off and recording will stop; the camera will automatically wake up and start recording if motion is detected*
- *Continous loop recording: The camera automatically deletes the oldest segments to make room for new ones (Switch to action cam to disable the loop recording)*

PYLE

CAMÉRA DE SURVEILLANCE SANS FIL/WIFI / *WIRELESS IP CAMERA / WIFI*

PIPCAM5

Caractéristiques:
- Système intelligent de caméra numérique pour la surveillance
- Connexion par réseau sans fil (WIFI) ou par câble (Ethernet)
- Se contrôle à distance à l'aide d'un PC ou d'un téléphone intelligent
- Capturez, enregistrez et modifiez l'angle de la caméra à distance
- Configurez des alarmes et des avertissements par courriel déclenchées par un capteur de mouvement intégré
- Angle de vue: 90° en diagonal, 68° horizontal
- Réglage panoramique: 270° - Inclinaison: 120°

SUPPORTS: 3G, IPHONE, IPAD, ANDROID, SMART PHONE, TABLET, PC

Features:
- *Smart Digital Camera System for Surveillance and Monitoring*
- *Wirelessly Connects to the Internet via Wireless (Wi-Fi) or Wired (Ethernet) Connection*
- *Control the System Remotely with Your PC or Smartphone*
- *Capture, Record and Adjust Camera Positioning Remotely*
- *Setup Alarm and Email Alerts, Triggered by Built-in Motion Sensor*
- *Viewing Angle: 90° Diagonally, 68° Horizontally*
- *Pan Adjustment: 270° - Tilt Adjustment: 120°*

SUPPORTS: 3G, IPHONE, IPAD, ANDROID, SMART PHONE, TABLET, PC

ENS. MAINS LIBRES BLUETOOTH À CONTRÔLE VOCAL
VOICE CONTROLLED PORTABLE BLUETOOTH HANDS-FREE KIT

MKI

MKi9200
72 x 57 x 12mm

BLUETOOTH
- Jusqu'à 10 appareils jumelés
- Connexion automatique (activée ou désactivée)
- *Up to 10 paired devices*
- *Automatic connection (enabled or disabled)*

AUDIO
- Double microphone externe, orientation ajustable
- DSP-3 : annulation d'écho, réduction avancée du bruit
- Diffusion vocale et musicale sur les hauts-parleurs de la voiture*
- *External double microphone, direction adjustable*
- *DSP-3: Echo cancellation, advanced noise reduction*
- *Dispatch voice and music on car's speakers**

MUSIQUE / *MUSIC*
- Connecteurs multiples : iPod (à partir de la cinquième génération (USB, Carte SD, Carte SD-HC et entrée ligne
- Lecture de musique à partir de tout appareil compatible avec Bluetooth Stereo (A2DP)
- *Multiples connectors: iPods (from fifth generation), USB, SD card, SD-HC card and Line-In*
- *Play music from any Bluetooth Stereo (A2DP) compatibles devices*

RÉPERTOIRE / *PHONEBOOK*
- Synchronisation automatique du répertoire
- Synthèse vocale des noms du répertoire (Text-to-Speech)
- Nombre de contacts : jusqu'à 8000 au total, jusqu'à 2000 par téléphone jumelé
- *Automatic phonebook synchronization*
- *Text To Speech : vocal synthesis on the phonebook (Text-to-Speech)*
- *Number of contacts: up to 8000 in total; up to 2000 per paired phone*

*Fonctionnalité disponible sur la majorité de véhicules, vérifiez avec un installateur / **Functionality available on the majority of vehicles, check with an installer*

N

MINIKIT

MINIKITNEO2

Contrôlez le MINIKIT Neo par la voix : Émettre et recevoir des appels sans toucher aucuns boutons. Dire le mot "MINIKIT" à tout moment pour déclencher la reconnaissance vocale et dire le nom du contact que vous désirez appeler. Lorsque vous recevez un appel, seulement dire "Accepter" ou "Refuser". L'ensemble reconnaît n'importe quelle voix sans formation.

Control the MINIKIT Neo by voice: *make and receive calls without touching any buttons. Say the key word "MINIKIT" at any time to trigger the voice recognition, and then say the name of the contact you wish to call. When receiving a call, just say "Accept" or "Reject". The kit recognizes any voice without training.*

FONCTIONNALITÉS / *FUNCTIONS*
- **Bouton vert :** décrocher, appeler un contact du répertoire, lancer la reconnaissance vocale, valider, double appel, mode privé.
- **Bouton rouge :** raccrocher, allumer, éteindre, sortir des menus, annuler.
- **Bouton rotatif :** accéder aux menus, régler le volume, envoyer des signaux DTMF.
- Menus vocaux pour tous les menus.
- Reconnaissance vocale multi-locuteurs.
- ***Green button:*** *answer, call a contact from the phonebook, start voice recognition, confirm, dual call, private mode.*
- ***Red button:*** *hang up, switch on/off, exit the menus, cancel.*
- ***Rotary button:*** *access the menus, adjust the volume, send DTMF signals.*
- *Voice menus for all menus.*
- *Multi-speaker voice recognition.*

- Capacité d'appairage : maximum de 10 appareils
- Temps de la batterie : jusqu'à 10h en conversation, jusqu'à 15 jours en mode veille et jusqu'à 6 mois en mode "Ultra Low Power"
- Temps de charge : 3h maximum, 5V/500mA
- Connexion automatique par ordre d'appairage
- Microphone multidirectionnel intégré
- Commandes vocales pour tous les menus
- Synthèse vocale "Text-to-Speech" à la sonorité naturelle (lit les noms du répertoire)

- *Pairing capacity: maximum of 10 devices*
- *Battery life: up to 10 hours in conversation, up to 15 days in stand-by and up to 6 months in Ultra Low Power mode*
- *Charging time: 3h maximum, 5V/500mA*
- *Automatic connection by pairing order*
- *Built-it multidirectional microphone*
- *Voice prompts for all menus*
- *Natural sounding Text-to-Speech (reads the names in the phonebook)*

CK 3100

PACK3100

Écran LCD affichant les informations standard du téléphone mobile : appels entrants, appels récents, appels en absence, messages vocaux, répertoire, etc. Micro unidirectionnel mains libres pour la numérotation par reconnaissance vocale jusqu'à 150 noms, avec réduction de bruit et annulation d'écho. Bouton de navigation pour parcourir les menus vocaux et contrôler le volume. Utilise les haut-parleurs du véhicule.

LCD screen displays standard mobile phone information: incoming calls, recent calls, missed calls, voice mail, directory, etc. Hands-free, unidirectionnal microphone provides voice recognition dialling of up to 150 names, while reducing background noise and ambient echo. Browser button allows users to scroll through menus and control the volume. Uses the car speakers.

Rostra Precision Controls, Inc.

ENS. MAINS LIBRES BLUETOOTH POUR RADIO D'ORIGINE
BLUETOOTH HANDS-FREE KITS FOR OEM RADIO

Filage prêt à l'emploi pour une installation rapide. Composition vocale*, appel manuel et recomposition (le cellulaire doit être compatible pour une reconnaissance vocale). Profil de distribution audio avancé le plus récent (A2DP) pour musique en transit. Contrôle de volume utilisant les haut-parleurs du véhicule. Se connecte directement au combiné lorsque le véhicule est éteint. Un son de la plus haute qualité qui permet aux deux parties de converser simultanément. Les appels privés seront transférés à votre combiné. Excellente annulation d'écho pour empêcher d'entendre la rétroaction. Se joint à 5 téléphones facilement en 4 étapes. Capacité de rejeter un appel entrant.

Plug'n'play harness for quick installation. Features voice dial, manual dial and redial (*Cell phone must be compatible for voice recognition). Latest advanced audio distribution profile (A2DP) streaming for music. Volume control utilizing vehicle's stereo speakers. Links automatically to handset when vehicle is turned off. Highest quality sound features full duplex DSP (digital signal processing) allows both parties to converse simultaneously. Private call selection will transfer the call to your handset. Excellent echo cancellation to prevent callers from hearing feedback. Easily pairs up to 5 phones in 4 quick steps. Ability to reject an incoming call.*

CHARGEUR USB DOUBLE DE HAUTE PUISSANCE POUR VOITURE
HIGH POWER DUAL USB CAR CHARGER

BT26492

BRANCHEZ VOTRE CÂBLE USB DANS TOUS LES SENS

- 2 ports USB pour charge facile et rapide de vos appareils
- Sortie double à haut courant de 4.8A (2.4A + 2.4A)

PLUG YOUR USB CABLE EITHER WAY

- *2-way USB ports for fast, easy charging*
- *High current 4.8A dual output (2.4A + 2.4A)*

CHARGEUR USB POUR AUTO
USB CAR CHARGER

UGC220BL

Le chargeur de voiture USB recharge votre appareil mobile à la vitesse la plus rapide possible. Fil non inclus.

The USB car charger sits flush in your dash and charges your mobile device at the fastest possible speed. Wire not included.

FIXATION PORTATIVE "NAV-MAT 4" DE TABLEAU DE BORD POUR GPS
NAV-MAT 4 MOBILE GPS DASH MOUNTING HARDWARE

UFM444BL

Voyez et accédez facilement votre cellulaire ou votre GPS tout en conduisant. S'adapte aux surfaces incurvées de votre tableau de bord. Utilise le support pour pare-brise d'origine de la plupart des GPS.

Easily view and access your smartphone or GPS while driving. Contours to your dash. Works with the windshield mount sold with popular GPS models.

Fonctionne avec / *Works with*:
TomTom, Garmin, Magellan, Nextan, Mio.

CÂBLE LIGHTNING/MICRO USB / *MICRO USB & LIGHTNING CABLE COMBO*

BT4-833-2

Câble USB à micro USB 1 mètre avec adapteur Apple Lightning. Connecteur avec coquille métallique et câble métallique tressé en nylon gris. Le tressage en nylon est solide et minimise les plis. Les boîtiers en aluminium sont durables et protègent les têtes de câble.

1 meter USB to Micro USB cable with an Apple Lightning adapter. Metal shell connectors with a metallic grey nylon braiding. Nylon braiding is strong and minimizes kinking. Aluminum Shell housings are durable and protect cable heads.

ADAPTATEUR À 2 PRISES POUR GPS
GPS DUAL SOCKET POWER ADAPTER

UGC102BL

Parfait pour alimenter des appareils comme les GPS, les téléphones cellulaires, les radios par satellite, iPods, iPhones.

Ideal for powering devices like GPS, cell phones, satellite radios, iPods, iPhones.

CHARGEUR POUR GPS & TÉLÉPHONE INTELLIGENT
GPS & SMARTPHONE POWER CHARGER

UGC229BL

Rechargez votre GPS tout en conduisant. 4 connecteurs différents pour s'adapter aux marques les plus populaires. Cordon d'alimentation de 4'. Puissance de sortie de 5Vdc 2A.

Charge your GPS while you drive. Includes 4 different connectors to fit the most popular GPS brands. 4-ft Power Cord. Power output is rated 5Vdc 2A.

FIXATION "NAV-MAT" PORTATIVE DE TABLEAU DE BORD POUR GPS
NAV-MAT PORTABLE GPS DASH UNIT

UFM100BL

Fonctionne avec la majorité des supports à pare-brise d'origine. Le sac d'équilibre "Nav-Mat" s'adapte automatiquement aux surfaces incurvées de votre tableau de bord et le matériel antidérapant en dessous l'empêche de glisser.

Works with most stock windshield mounts included with the device. The Nav-Mat's bean bag like body conforms to the contours of your dashboard, allowing it to work on uneven or textured surfaces while the anti-skid underside keeps the device from sliding.

HARNAIS DE POITRINE
CHEST HARNESS

XV15652

S'ajuste sécuritairement à votre corps, gardant votre caméra GoPro stable et en place pour capturer toute l'action : Deux attaches latérales durables pour enfiler ou retirer facilement. Courroies latérales et d'épaule ajustables. Plaque de montage convenant à toutes les caméras GoPro. Adaptateur universel 1/4" et adaptateur de bras externe inclus.

Securely fits to your body, holding your GoPro camera steady and in place to capture all the action : Features two durable side clips for easy on/off access. Adjustable shoulder and side straps. Mounting plate fits all GoPro cameras. Universal 1/4" adapter and external arm adapters included.

SUPPORT UNIVERSEL POUR PORTE-GOBELET
UNIVERSAL CUP HOLDER MOUNTING HARDWARE

UCH101BL

Fait dans les grands porte-gobelets jusqu'à 3.75" de diamètre. Se transfère dans plusieurs véhicules. "Grip-it" s'ajuste jusqu'à 4.5" de large. Convient à la plupart des appareils portables. Aucun outil n'est nécessaire pour l'installation.

Fits large cup holder sizes up to 3.75" in diameter. Transfers to multiple vehicles. Grip-it adjusts out to 4.5" wide. Fits most portable devices. No tools required for installation.

Fonctionne avec: **GPS, iPhones, iPods, radios satellite, baladeurs MP3, téléphones mobiles, PDA.**

Works with: ***GPS units, iPhones, iPods, Satellite radios, MP3 Players, Mobile phones, PDA's.***

TELEVU

XV15502

Pour la photo parfaite d'un groupe, événement sportif ou même un "selfie". Support à ressort retenant un téléphone intelligent jusqu'à 3.5" de largeur. Pôle monopied télescopique de 38" avec poignée en mousse. Adaptateur interchangeable GoPro et connecteur fileté de 1/4" pour caméras.

Creates the perfect shot of a group, sporting event or even take a selfie. Spring-loaded mount holds smartphones up to 3.5" wide. Foam handle grip with 38" telescoping monopod pole. Interchangeable GoPro adaptor and 1/4" thread connector for action/video cameras.

HARNAIS DE TÊTE
HEAD STRAP MOUNT

XV15662

S'ajuste facilement sur votre tête ou casque. Taille unique avec courroies facilement ajustables. Matériel anti-dérapant gardant la caméra stable et en place. Adaptateur universel 1/4" inclus.

Fits easily on your head or helmet. One-size-fits-all design with easily adjustable straps. Anti-slide grip material keeps camera steady and in place. Universal 1/4" adapter included.

SUPPORT D'ACCUEIL POUR iPOD / *MOBILE iPOD DOCKING KIT*

IPM202BL

Fonctionne aussi avec d'autres appareils mobiles: cellulaires, téléphones intelligents et baladeurs MP3. Il est aussi conçu pour fonctionner avec toutes les générations d'iPod incluant le nouveau iPod Nano. Ajustable jusqu'a 2 1/2" et inclut 2 ensembles de braquettes pour tenir divers appareils. Inclut un support pour bouche d'air.
Also works with other mobile devices, such as cell phones, smart phones and MP3 players. The mobile iPod docking kit is designed to work with all generation iPods including the new iPod nano. The kits offers up to 2 1/2" of wing adjustability, and comes with 2 sets of wings for holding a variety of devices. Can be mounted on it's own using the included standard air vent mount.

SUPPORT MOBILE "GRIP-IT" POUR PARE-BRISE *MOBILE GRIP-IT WINDSHIELD MOUNT KIT*

PHW203BL

Levier de barrure rapide et de relâchement. Tête rotative 360°. Longeur de 22.8 cm. Aile ajustable, ouvre jusqu'à 4 1/2". Compatible avec de nombreux appareils électroniques mobiles d'aujourd'hui. Facilement transférable de véhicule à véhicule.
Quick lock & release lever. 360° rotating head. Convenient 22.8 cm length. Adjustable wings open up to 4 1/2". Compatible with many of today's mobile electronics. Easily transferable from vehicle to vehicle.

SUPPORT D'ACCUEIL "GRIP-IT" *MOBILE GRIP-IT UNIVERSAL HOLDER*

PHV200BL

Compatible avec tous les modèles iPod (incluant le iPod mini), cellulaire, radios satellite, PDA, lecteurs MP3 et GPS. Pas compatible avec le iPod Nano. Bras ajustable qui s'ouvre de 1.5" à 4.5" pour accomoder une grande gamme de dispositifs mobiles. S'installe facilement aux évents du véhicule (air climatisé/chauffage) et assure un support sécuritaire pour votre appareil.
Compatible with all models of Apple iPods, including the iPod mini, mobile phones, satellite radios, PDAs, portable Mp3 players and Handheld GPS units. Not compatible with the iPod Nano. Adjustable arms open from 1.5" to 4.5" wide to accomodate wide range of mobile devices. Mounts to air conditioning/heating vent in your vehicle and keeps your device secure.

FIXATION POUR SYSTÈME DE VENTILATION "GRIP-IT" UNIVERSELLE *UNIVERSAL GPS GRIP-IT VENT MOUNT*

PHV202BL

Bras ajustable de 1.5" à 4.5" pour accommoder la plupart des GPS et une grande gamme de dispositifs mobiles. S'installe facilement aux évents du véhicule (air climatisé/chauffage) et assure un support sécuritaire pour votre appareil. Fixation pour système de ventilation ajustable et rotatif.
Adjustable arms open from 1.5" to 4.5" wide to accommodate wide range GPS and other mobile devices. Mounts to air conditioning/heating vent in your vehicle and keeps your device secure. Adjustable rotating air vent mount.

BASE D'ALIMENTATION USB UNIVERSELLE *UNIVERSAL USB POWER DOCK*

IPM197BL

La base d'alimentation USB universelle est la solution idéale pour fixer et recharger (à l'aide d'un câble USB) votre GPS, iPhone ou appareil électronique rapidement.
The universal USB Power dock is an ideal solution to quickly, easily and securely mount your GPS, iPhone or Mobile electronic device and charge it at the same time with a USB cable.

Technologie/*Technology*: GPS, iPhone, BlackBerry, iPod & MP3, Satellite radio
Téléphone cellulaire/*Cell phone.*

SUPPORTS MAGNÉTIQUES POUR APPAREILS MOBILES PORTABLES *MAGNETIC MOUNTS FOR PORTABLE MOBILE DEVICES*

Fonctionnent très bien avec la plupart des téléphones intelligents et combinaison téléphones/étuis, incluant mais ne se limitant pas aux Séries: Samsung Galaxy, iPhone, HTC et Nokia.
Work great with almost all smartphones and smartphone/case combination including but not limited to Samsung Galaxy Series, iPhone series, HTC and Nokia smartphones.

BT16362

Support pour bouches d'air: S'installe sur la plupart des configurations des bouches d'air incluant les horizontales, les verticales et les rondes.
Vent Mount: Works with most air vent configurations including horizontal, vertical and rounded air vents.

SUPPORT DE TÉLÉPHONE INTELLIGENT AVEC PINCE POUR GUIDON *SMARTPHONE HANDLEBAR CLAMP MOUNT*

XV15292

Dispose aussi d'un compartiment séparé pour carte de crédit, argent et plus...
- Installez votre téléphone intelligent directement sur le guidon de votre vélo, VTT ou motocyclette, diamètre de 15-45 mm
- Résistant aux intempéries. Possède un panneau transparent qui donne accès à l'écran tactile et aux contrôles, incluant l'audio
- Des rabats de velcro retiennent votre appareil en place dans l'étui en toute sécurité

Also features a separate compartment for credit cards, money, directions and more...
- *Mount your smartphone right to your bicycle, ATV or motorcycle handlebars 15-45 mm in diameter*
- *Weather-resistant design with clear screen allows touchscreen access and control, including audio*
- *Velcro flaps hold device securely in place inside case*

SUPPORT DE PLANCHER UNIVERSEL POUR TABLETTE
UNIVERSAL TABLET FLOOR MOUNT

TMF382BX

Ce concept universel vous permet d'installer en toute sécurité votre iPad ou votre tablette pour utilisation par les occupants des sièges avant. Le support robuste à faibles vibrations retient votre appareil, en mode portrait ou paysage, en toute sécurité, tout en permettant un accès complet à tous les boutons et contrôles de l'appareil. Construction rigide avec bras flexible pour les ajustements d'angle faciles et un positionnement précis. Fonctionne bien avec iPad, Galaxy & Kindle.

Universal design safely allows you to mount your iPad or tablet for front seat navigational use. Heavy-duty, low vibration mount safely and securely holds your device in portrait or landscape modes while allowing full access to all device buttons and controls. Rigid construction with flexible arm for easy angle adjustments and precise positioning. Works great with iPad, Galaxy & Kindle.

SUPPORT POUR TÉLÉPHONE INTELLIGENT AVEC CHARGEUR USB 12V
SMARTPHONE HOLDER WITH 12V USB CHARGER

iPM423BX

Ce support universel avec tige flexible offre une rotation de 360° et base "SmartGrip" pour des angles de montage et de visualisation optimales, tout en offrant un accès complet à toutes les commandes et les ports. La tige "PowerGrip" retient solidement le support dans votre port 12V. Charge haut rendement (5V. 1.5A) avec câble USB à Micro USB fourni.

Universal holder with flexible neck design features 360° rotation and smart grip feet for optimal mounting and viewing angles while providing full access to all controls and ports. PowerGrip arms securely hold the mount in your 12V port. High output (5V. 1.5A) charge with provided USB to Micro USB charge cord.

SUPPORT POUR PARE-BRISE
WINDSHIELD MOUNT KIT

GWM702BL

S'installe en quelques secondes sans outils. Hauteur et angle ajustables. Barrure rapide & système à ventouse. Support ajustable "Grip-it". Procure plusieurs angles de visionnement. Se transfère à plusieurs véhicules.

Sets up in just seconds without tools. Height and angle adjustable. Quick lock & release suction. Adjustable Grip-it cradle. Provides optimal viewing angle. Transfers to multiple vehicles.

Fonctionne avec : **GPS, iPhones, iPods, radios satellite, baladeurs MP3, téléphones mobiles, PDA.**
Works with: ***GPS, iPhones, iPods, Satellite radios, MP3 players, Mobile phones, PDA's.***

"HOLD-IT" MINIATURE UNIVERSEL
UNIVERSAL HOLD-IT MINI

STM213BL

"Hold-it" s'attache à votre appareil mobile à l'aide d'un ruban adhésif 3M VHB. S'installe en quelques secondes. Options de montage infini sur tableau de bord. Facilite la visualisation et la portée. N'endommage pas le tableau de bord, se démonte facilement sans laisser de résidu. Étui en silicone compatible.

Hold-it attaches to your mobile device using 3M VHB tape. Installs in seconds. Infinite dash mounting options. Easy viewing & reach. Won't damage dash, easily removable with no residue. Silicone case compatible.

Fonctionne avec : **GPS, iPhones, iPods, télécommandes TV, radios satellite, baladeurs MP3, téléphones mobiles, PDA.**
Works with: ***GPS units, iPhones, iPods, TV remotes, Satellite radios, MP3 Players, Mobile phones, PDA's.***

SUPPORT SUPER ADHÉRANT POUR TABLEAU DE BORD
Mi-T GRIP DASH MOUNT

IPM495BL

GPS non inclus
GPS not included

Tête rotative qui retient solidement votre appareil avec ou sans étui. Permet un accès complet à toutes les commandes. Se monte sur la plupart des surfaces dures ou texturé, y compris votre pare-brise.

Unique grip with rotating head securely holds your device with or without a case. Allows full access to all device controls. Mounts to most hard or textured surfaces, including your windshield.

SUPPORT "iTILT"
iTILT STAND

iP360L

MARINE SPEAKERS

Les enceintes JBL marine sont spécialement conçues pour les applications marines. Une structure motorisée étanche, des connes scellés et des grilles intégrées garantissent que ces enceintes resteront à flot pendant des années. Un châssis moulé en polymère d'une seule pièce tient le coup, même après une exposition excessive au soleil et au sel.

The JBL marine loudspeaker was designed specifically for marine applications. A waterproof motor structure, sealed cones, and integrated grilles ensure that these speakers will stay alfoat for years. One-piece cast-polymer basket holds up, even after excessive exposure to sun and salt.

Le Commander TOUCH est une radio à écran tactile installée sur votre tableau de bord, une solution entièrement intégrée.
Commander TOUCH is a dash-mounted touchscreen radio for a fully integrated solution.

SXVCT1C

Contrôlez SiriusXM au moyen de la chaîne stéréo de votre automobile à l'aide d'un écran tactile. Profitez d'un contrôleur compact à écran tactile installé sur votre tableau de bord et d'un syntoniseur dissimulé en arrière. Écran couleur affichant la pochette de l'album, le nom de l'artiste, le titre de la chanson, les logos de station et les renseignements sur l'émission. Obtenez des alertes quand votre chanson, artiste ou équipe préférée est en ondes. Écoutez les chansons à partir du début grâce à TuneStart™. Utilisez TuneMix™ pour écouter un mix de chansons de vos stations favorites. Mettez en pause, rembobinez et faites rejouer la radio satellite en direct. Le Commander TOUCH peut être facilement mis à niveau à l'aide d'une clé USB (non comprise), afin d'y ajouter de nouvelles fonctionnalités et capacités au fil du temps. Se branche à n'importe quelle radio avec une prise AUX et une connexion FM.
Control SiriusXM through your car stereo with a touchscreen display. Compact touchscreen controller mounts to your dash and the tuner hides discreetly behind the dash. View a full color display with album art, artist name, song title, channel logos and program information. Automatically start a song from the beginning with TuneStart™. Use TuneMix™ to hear a mix of songs from your favorite channels. Pause, rewind and replay live satellite radio. Commander TOUCH can easily be updated by a USB flash drive (not included) to add new features and capabilities as they become available. Connects to any radio with either an AUX input or FM connection.

Écoutez SiriusXM sur la chaîne stéréo actuelle de votre voiture grâce à cette radio prête à l'emploi, avec écran couleur vous permettant de voir les pochettes d'album, ainsi que les logos et graphiques des stations. Elle est dotée de fonctions musicales évoluées dont TuneStart™, TuneMix™ et TuneScan™. Compatible avec le réseau XM.
Listen to SiriusXM through your existing vehicle stereo on this plug & play radio with a full colour display featuring album art, channel logos and graphics. It has advanced Music features including TuneStart™, TuneMix™ and TuneScan™. Works on the XM network.

SXPL1V1C

Écran couleur affichant la pochette d'album et les logos et graphiques des stations. Écoutez SiriusXM par l'entremise de la radio actuelle de votre véhicule – installation facile à faire vous-mêmes. Programmez jusqu'à 20 stations favorites Smart : obtenez un accès rapide à vos stations préférées et aux fonctions évoluées. Réécoute rehaussée – faites une pause, reculez et réécoutez la radio par satellite en direct, ainsi que vos stations favorites Smart. TuneStart™: syntonisez une station favorite et écoutez automatiquement la chanson du début. TuneMix™: créez votre propre station qui présente le mélange parfait de vos préférées. TuneScan™: scannez et sélectionnez des chansons qui ont déjà joué sur vos stations favorites. Des alertes d'interprète, de chansons et de sport vous garantissent de ne jamais manquer vos artistes et sports préférés. Contrôles parentaux: verrouillez ou déverrouillez facilement les stations. Pendant que vous écoutez une station, parcourez les autres pour voir ce qui y joue. La fonction One-Touch Jump™ vous permet de revenir à la station que vous écoutiez auparavant. Programmation des chaînes FM : programmez les meilleures fréquences FM dans votre région pour une intégration optimale avec la radio de votre véhicule. Avec trousse pour le véhicule – ajoutez des accessoires en option pour le domicile, le plein air et d'autres véhicules.
Full colour display featuring album art, channel logos and graphics. Hear SiriusXM through your existing vehicle stereo with easy, do-it-yourself installation. Store up to 20 Smart Favourite channels: get quick access to your favourite channels and easy access to Advanced Features. Enhanced Replay – pause, rewind and replay live satellite radio as well as your Smart Favourite channels. TuneStart™: Tune to a favourite channel and automatically start a song from the beginning. - TuneMix™: Create your own music channel that's a blend of your favourites. TuneScan™: Scan and select songs already played on your favourite channels. Artist, Song & Sports alerts so you won't miss any of your favourite artists and sports. Parental controls: Easily lock and unlock channels. Browse what's playing on other channels while listening to the current one. One-Touch Jump™ to the previous channel that you were listening to. FM preset function: Store the best FM frequencies in your area for optimum integration with your vehicle's radio.

ST8TK1C

LA TROUSSE COMPREND: Socle pour véhicule. Adaptateur d'alimentation. Antenne. Fixations pour tableau de bord et prises d'air. Câble d'entrée AUX.
WHAT'S INCLUDED: *Vehicle Dock. Power adapter. Antenna. Dash and vent mounts. Aux in cable.*

SYNTONISEUR • SiriusXM Connect • *TUNER*

SXV300V1C

Connectez, contrôlez et profitez de la radio par satellite sur votre radio existante compatible SiriusXM. Sa taille compacte et discrète permet de le dissimuler derrière le tableau de bord pour une installation complètement intégrée. **Caractéristiques** : Pause, revenez en arrière et rediffusez jusqu'à 30 minutes de radio satellite en direct • Obtenez des alertes lorsque votre chanson, artiste ou équipe favorite est diffusé • Découvrez de la nouvelle musique et marquez-les pour achat avec le marquage radio de iTunes • Fonctionne sur le réseau XM

Connect, control and enjoy Satellite Radio through your compatible SiriusXM-Ready car stereo. The compact size installs easily and discreetly behind the dash for a fully integrated look.
***Features :** Pause, Rewind and Replay up to 30 minutes of live Satellite Radio • Get alerts when your favorite song, artist or team is playing • Discover new music and tag for purchase with iTunes radio tagging • Works on the XM Network*

CÂBLE DE RALLONGE D'ANTENNE DE SIRIUS *SIRIUS ANTENNA EXTENSION CABLE*

50'

SIREC50C

Sert aussi bien à l'intérieur qu'à l'extérieur, à la maison, dans votre VR, sur votre bateau, ou lorsque le câble fourni avec votre radio n'est pas assez long. L'amplificateur de signal intégré élimine les pertes de signal afin de garantir une réception fiable.

Indoor / outdoor use for home, RVs, boat or any application where the cable included with your radio isn't long enough. Built-in signal amplifier eliminates signal loss to ensure reliable reception.

ADAPTATEUR DIRECT FM / *FM DIRECT ADAPTOR*

FMDA25C

Raccorde la sortie modulée FM de votre récepteur prêt à l'emploi ou portable SIRIUS directement à votre radio via son antenne. Aide à éliminer les problèmes d'interférence dus aux conditions locales de radio. Longueur de câble de 21 pi. Peut exiger l'utilisation d'un adaptateur d'antenne supplémentaire pour certains véhicules.

Connects the FM modulated output from your SIRIUS Plug & Play or Portable receiver directly to your radio via its antenna. Helps eliminate interference problems due to local radio conditions. 21' cable length. May require additional antenna adapters in some vehicles.

ADAPTATEURS 5V POUR VOITURE *5V CAR ADAPTORS*

Se branche dans l'allume-cigarette.
Plug into cigarette lighter socket

ANTENNE DE VÉHICULE DE RECHANGE POUR RADIOS SIRIUS & XM *REPLACEMENT VEHICLE ANTENNA FOR SIRIUS AND XM RADIOS*

NGVA1C

Câble de 23' vous permet de placer l'antenne pratiquement n'importe où sur le véhicule afin de capter le signal au maximum. Compatible avec toutes les radios par satellite fonctionnant sur les réseaux Sirius et XM.

23' of cable allows the antenna to be placed almost anywhere on the vehicle to ensure optimal signal reception. Compatible with all satellite radios that work on the Sirius and XM networks.

STATION D'ACCUEIL UNIVERSELLE *UNIVERSAL DOCKING STATION*

POUR LA MAISON / *FOR HOME*

SUPH1C

Sortie audio stéréo pour chaîne stéréo ou haut-parleurs alimentés. Antenne intérieure/ extérieure anti-intempéries, Câbles audio, Adaptateur c.a.

Stereo Audio output for use with any vehicle radio with an Aux input. Weatherproof indoor/ outdoor antenna, Audio Cables, AC adapter.

Compatible: Sportster 3 (**SP3TK1C**), Sportster 4 (**SP4-TK1C**), Starmate 3 (**ST3-TK1C**), Starmate 4 (**ST4-TK1C**), Stratus (**SV3TK1C**).

TROUSSE UNIVERSELLE POUR LA MAISON / *UNIVERSAL HOME KIT*

SXDH3KC

Compatible avec Sirius et "XM Plug & Play" avec connecteurs d'antenne SMB par pression à entrée simple. La sortie audio stéréo vous permet de vous connecter à votre système audio domestique ou aux haut-parleurs alimentés. L'antenne compacte se monte facilement à l'intérieur ou à l'extérieur, sur le seuil de la fenêtre, sur un mur ou sur le toit. Compatible avec Sportster 5/6, Starmate 3/4/5/6/7/8, Stratus 3/5/6/7 et Edge, Onyx, Onyx EZ, Onyx Plus, Xpress RCi, XpressRC and XpressR. Ens. inclus: station d'acceuil, Adaptateur d'alimentation CA, antenne pour fenêtre avec câble de 21'. Câbles audio.

Compatible with both Sirius and XM Plug & Play radios with push on style. Single input SMB antenna connectors. Stereo audio output lets you connect to your home audio system or powered speakers. The compact design antenna mounts easily inside the house or outside, on the window sill, on a wall or on the roof. Compatible with the Sportster 5/6, Starmate 3/4/5/6/7/8, Stratus 3/5/6/7 and Edge, Onyx, Onyx EZ, Onyx Plus, Xpress RCi, XpressRC and XpressR. Kit Includes: Home Docking Station, AC Power Adapter, Window Sill Antenna with 21ft cable, Audio Cables.

TROUSSE UNIVERSELLE POUR VÉHICULE / *UNIVERSAL VEHICLE KIT*

SXDV3KC

La trousse universelle pour véhicule vous permet de déplacer facilement votre radio SiriusXM à un deuxième véhicule afin que vous puissiez profiter de votre programmation SiriusXM préférée dans n'importe quel véhicule que vous choisissez de conduire. Compatible avec Sirius et "XM Plug & Play" avec connecteurs d'antenne SMB par pression à entrée simple. Se monte sur la plupart des surfaces de véhicules en métal et a des pieds en caoutchouc pour éviter les égratignures. Profil bas, de petite taille et 23' de câble vous permet de placer l'antenne pratiquement n'importe où sur le véhicule afin de capter le signal au maximum. Compatible avec: Sportster 5/6, Starmate 3/4/5/6/7/8, Stratus 3/5/6/7, Edge, Onyx, Onyx EZ, Onyx Plus, Xpress RCi, XpressRC et XPressR. Fonctionne avec Sirius et XM Radios. Ensemble inclus: socle de véhicule interopérable, antenne à fixation magnétique, adaptateur d'alimentation, accessoires de montage et câble auxiliaire.

The Universal vehicle kit lets you easily move your SiriusXM radio to a second vehicle so you can enjoy your favorite SiriusXM programming in whichever vehicle you choose to drive. Compatible with both Sirius and XM Plug & Play radios with push on style. Single input SMB antenna connectors. Mounts on most metal vehicle surfaces and has rubber feet to prevent scratching. Low profile, small size and 23' of cable allows the antenna to be placed almost anywhere on the vehicle to ensure optimal signal reception. Compatible with the Sportster 5/6, Starmate 3/4/5/6/7/8, Stratus 3/5/6/7, Edge, Onyx, Onyx EZ, Onyx Plus, Xpress RCi, XpressRC and XpressR. Works with Sirius and XM radios. Kit includes: Interoperable vehicle dock, magnetic mount vehicle antenna, power adapter, mounting accessories, auxiliary cable.

CAMÉRAS DE RECUL - INTÉGRATION POUR MONITEURS D'ORIGINES
REAR VIEW CAMERAS - INTEGRATION FOR FACTORY DISPLAYS

CHRYSLER, DODGE & JEEP

RVCCH75

Permet l'activation des fonctions vidéo des radios MYGIG et procure une entrée Audio/Vidéo supplémentaire. Il s'intègre avec le système MYGIG d'origine et inclut tous les composants requis pour utiliser les multiples facettes visuelles pouvant être activées à partie de la radio d'origine.

- Comprend une caméra de recul
- Change automatiquent à la vision de recul lorsque le vehicule est mis en marche arrière
- Installation branchez-et-utilisez

It enables the activation of Video features in MYGIG Radios and also provides an additional Audio/Video input. It seamlessly integrates with the factory installed MYGIG system & includes all components needed for utilizing the multiple visual facets that may be activated within the OEM radio.

- *Aftermarket Rear-view Camera included*
- *Automatically switches to Rear-view when car is in Reverse mode*
- *Plug & Play Installation*

JEEP WRANGLER

RVCCH75W

Permet l'activation des fonctions vidéo des radios MYGIG et procure une entrée Audio/Vidéo supplémentaire. Il s'intègre avec le système MYGIG d'origine et inclut tous les composants requis pour utiliser les multiples facettes visuelles pouvant être activées à partie de la radio d'origine.

- Comprend une caméra de recul
- Change automatiquent à la vision de recul lorsque le vehicule est mis en marche arrière
- Installation branchez-et-utilisez

It enables the activation of Video features in MYGIG Radios and also provides an additional Audio/Video input. The unit seamlessly integrates with the factory installed MYGIG system & includes all components needed for utilizing the multiple visual facets that may be activated within the OEM radio.

- *Aftermarket Rear-view Camera included*

- *Plug & Play Installation*

HONDA CIVIC

RVCHN76C

Honda Civic 12-15 sans Navigation. Permet l'activation des fonctions vidéo de la radio d'origine et procure une entrée Vidéo supplémentaire. Il s'intègre avec la radio d'origine et inclut tous les composants requis pour utiliser les multiples facettes visuelles pouvant être activées à partie de la radio d'origine.

- Comprend une caméra de recul
- Change automatiquent à la vision de recul lorsque le vehicule est mis en marche arrière
- Installation branchez-et-utilisez

12-15 Honda Civic without Navigation. It enables the activation of Video features in the OEM Radio and also provides an additional Video input. The unit seamlessly integrates with the factory radio & includes all components needed for utilizing the multiple visual facets that may be activated within the OEM radio.

- *Aftermarket Rear-view Camera included*
- *Automatically switches to Rear-view when car is in Reverse mode*
- *Plug & Play Installation*

TOYOTA

RVCTY71

Véhicules Toyota 12-14 avec radio d'origine avec moniteur vidéo intégré. Il inclut tous les composants requis pour brancher la caméra au système d'origine.

- Comprend une caméra de recul
- Change automatiquent à la vision de recul lorsque le vehicule est mis en marche arrière
- Installation branchez-et-utilisez

12-14 Toyota vehicles with factory in-dash radio with integrated video monitor. Comes with the necessary harnesses and cables to connect the rear-view camera to your Toyota vehicle's factory system.

- *Aftermarket Rear-view Handle-Camera included*
- *Automatically switches to Rear-view when car is in Reverse mode*
- *Plug & Play Installation*

INTERFACES POUR REMPLACEMENT DE RADIO / *RADIO REPLACEMENT INTERFACES*

CHRYSLER, DODGE & JEEP

SOOCR26

Facilite l'installation d'une radio de marché secondaire dans les véhicules Chrysler, Dodge et Jeep tout en préservant certaines caractéristiques d'origine et conservant la fonctionnalité de l'amplificateur, si présent.

- Prend en charge les systèmes amplifiés ou non
- Fonctionne avec tout les véhicules CAN-Bus de Chrysler
- Déclencheur inverse
- Détection de la vitesse du véhicule
- Sortie d'éclairage

Facilitates the installation of aftermarket radios in select Chrysler, Dodge and Jeep vehicles while retaining certain factory features and maintaining functionality of the factory amplifier, if present.

- *Supports amplified and non-amplified systems*
- *Works with all Chrysler CAN-Bus vehicles*
- *Reverse Trigger*
- *Vehicle Speed Sense (VSS)*
- *Illumination Output*

CHRYSLER, DODGE & JEEP

SWRCR59

Véhicules Chrysler, Dodge & Jeep 04-15. Facilite l'intégration d'une radio de marché secondaire pour préserver les caractéristiques d'origine. **Cette interface perfectionnée est préprogrammé pour conserver les commandes au volant**.

- Préserve l'amplificateur d'origine
- Avec sorties de navigation (Marche arrière, éclairage et signal de vitesse)
- Procure une alimentation d'accessoire (2A maximum)

04-15 Chrysler, Dodge & Jeep vehicles. It facilitates the integration of an aftermarket radio to retain factory features in select models. ***This enhanced interface is also pre-programmed for retention of steering wheel controls****.*

- *Retains factory-installed Amplifier*
- *With navigation outputs (Reverse gear, Illumination and Speed signal)*
- *Provides Accessory Power (2A MAX)*

INTERFACES POUR REMPLACEMENT DE RADIO / *RADIO REPLACEMENT INTERFACES*

GENERAL MOTORS

SOOGM15

Conçu pour l'installation d'une radio de marché secondaire sur les sytèmes Bose amplifiés ou non, tout en préservant la fonctionnalité OnStar et conservant les fonctions Carillon et Accessoire dans une large gamme de véhicules General Motors avec bus de données de classe II. **Cette interface conserve les commandes au volant** dans les véhicules munis de signaux numériques.

- Fonctionne avec les systèmes Non-Bose, Bose Standard & Bose amplifié Premium / Y91.

Designed to allow for the installation of aftermarket radios while retaining OnStar functionality with Bose Amplified & Non-Amplified Systems, while also retaining Chime & Accessory features in a wide range of General Motors Class II Data-bus vehicles. ***The interface also retains steering wheel controls*** *in vehicles equipped with digital signals.*

- *Works with Non-Bose, Standard Bose & Premium Bose / Y91 amplified systems.*

GENERAL MOTORS

SOOGM16

Conçu pour l'installation d'une radio de marché secondaire sur les sytèmes Bose amplifiés ou non, tout en préservant la fonctionnalité OnStar et conservant les fonctions Carillon et Accessoire dans les véhicules General Motors avec 29-Bit LAN. **Cette interface conserve les commandes au volant**.

- Connexions faciles
- Conserve le Bluetooth d'origine dans les véhicules 2008 en montant munis d'appareil OnStar
- Conserve le carillon d'avertissement d'origine
- Conserve la caméra de recul
- Conserve la fonction de 2 zones contrôlées indépendamment

Designed to allow for the installation of aftermarket radios while retaining functionality of OnStar, Bose® Amplified and Non-Amplified Systems, Chime and Accessory features in General Motors LAN 29-Bit vehicles. ***Also retains steering wheel controls****.*

- *Easy Plug-and-Ready Connections.*
- *Retains Factory Bluetooth in Vehicles 2008-upwards if equipped with new OnStar Device.*
- *Retains Factory Warning Chimes.*
- *Retains Back-up Camera.*
- *Retains Independently-controlled Dual-zone functions.*

GENERAL MOTORS

SOCGM17

Conçu pour l'installation d'une radio de marché secondaire tout en préservant la fonction du carillon d'avertissement d'origine dans les véhicules General Motors de classe II.

- Sortie Accessoire 12 volts (2.5 Amp), incluant RAP (alimentation Accessoire conservé), maintien l'alimentation à la radio quand la clé est retiré, jusqu'à ce qu'on ouvre la porte ou que la minuterie d'origine prend fin.
- Sortie d'éclairage
- Fonctionne avec les sytèmes amplifiés non-Bose ou Bose standard

Ne fonctionne pas avec les systèmes Bose Premium / Y91.

Designed to allow for the installation of aftermarket radios while retaining factory featured safety and warning chimes in General Motors Class II vehicles.

- *12 Volt Accessory output (2.5 Amp), including RAP (Retained Accessory Power), keeps the radio powered after the key is off, until the driver door is opened or the OEM timer ends, whichever happens first*
- *Illumination Output*
- *Works with Non-Bose and Standard BOSE Amplified systems.*

Does not support Premium Bose / Y91 systems.

GENERAL MOTORS

SOCGM17B

Conçu pour l'installation d'une radio de marché secondaire tout en préservant la fonction du carillon d'avertissement d'origine et de l'amplificateur Bose d'origine dans les véhicules General Motors de classe II.

- Sortie Accessoire 12 volts (2.5 Amp), incluant RAP (alimentation Accessoire conservé), maintien l'alimentation à la radio quand la clé est retiré, jusqu'à ce qu'on ouvre la porte ou que la minuterie d'origine prend fin.
- Sortie d'éclairage
- Fonctionne avec les sytèmes amplifiés Bose standard

Ne fonctionne pas avec les systèmes Bose Premium / Y91.

Designed to allow for the installation of aftermarket radios while retaining factory featured safety chimes and factory-installed Bose Amplifiers in General Motors Class II vehicles.

- *12 Volt Accessory output (2.5 Amp), including RAP (Retained Accessory Power), keeps the radio powered after the key is off, until the driver door is opened or the OEM timer ends, whichever happens first*
- *Illumination Output*
- *Works with Standard BOSE Amplified systems.*

Does not support Premium Bose / Y91 amplified systems.

GENERAL MOTORS

SOCGM18

Conçu pour l'installation d'une radio de marché secondaire tout en préservant la fonction du carillon d'avertissement d'origine dans les véhicules General Motors avec 29-Bit LAN. Il procure une sortie Accessoire 12 volts (4 Amp), incluant RAP (alimentation Accessoire conservé), une sortie éclairage (2 Amp maximum), un déclencheur muet négatif pour téléphone (sortie à la nouvelle radio), basse tension (protection de la batterie) et un volume du carillon ajustable.

Conserve les fonctions d'origine suivantes :

- Systèmes non-Bose ou Bose amplifié (excluant Bose Y91 ou Z75
- Rétroviseurs repliables (incluant marche arrière)
- Aide au stationnement (avant / arrière)
- Sièges chauffants
- Clignotant, sans relais additionnel
- Marchepieds électriques (si d'origine)

Designed to allow for the installation of aftermarket radios while retaining factory featured safety and warning chimes in General Motors LAN 29-Bit vehicles. It provides 12 Volt Accessory output (4 Amp), including RAP (Retained Accessory Power), Illumination Output (2A. max), telephone negative mute trigger (output to new stereo), low voltage (battery run-down protection), and adjustable chime volume.

Maintains the following factory options:

- *Bose amplified and Non-Bose audio systems (excluding Y91 or Z75 Bose)*
- *Folding Mirrors (including reverse)*
- *Park Assist (Front / Rear)*
- *Heated Seats*
- *Turn Signal (Clicker), without additional relay*
- *Power Running Boards (if factory equipped)*

INTERFACES POUR REMPLACEMENT DE RADIO / *RADIO REPLACEMENT INTERFACES*

GENERAL MOTORS

SOCGM18B

Conçu pour l'installation d'une radio de marché secondaire tout en préservant la fonction du carillon d'avertissement d'origine dans les véhicules General Motors avec 11-Bit LAN. Il procure une sortie Accessoire 12 volts (4 Amp), incluant RAP (alimentation Accessoire conservé), une sortie éclairage (2 Amp maximum), un déclencheur muet négatif pour téléphone (sortie à la nouvelle radio), basse tension (protection de la batterie) et un volume du carillon ajustable.

Conserve les fonctions d'origine suivantes :

- Systèmes non-Bose ou Bose amplifié (excluant Bose Y91 ou Z75

VOLKSWAGEN

SOCVW21

Véhicules Volkswagen 02-16. Facilite l'intégration d'une radio de marché secondaire pour préserver les caractéristiques d'origine avec les systèmes amplifiés ou non.

- Avec sorties de Navigation (Marche arrière, Éclairage et signal de vitesse)

02-16 Volkswagen vehicles. It facilitates the integration of an aftermarket radio to retain factory features with Amplified and Non-Amplified Systems.:

- *With Navigation Outputs (Reverse gear, Illumination and speed signal)*

INTERFACE D'ACTIVATION VIDÉO EN MOUVEMENT
VIDEO IN-MOTION ACTIVATION INTERFACE

DODGE, JEEP & RAM

VIMCF93C

Active la fonction vidéo lorsqu'en mouvent sur les véhicules Dodge, Jeep et Ram 13-16 munis d'un écran 8.4". Permet l'accès au menus fixes et donne au passager l'accès au système de navigation en tout temps.

- Permet l'accès à l'écran du clavier Bluetooth d'origine
- Permet la saisie de l'adresse de destination du système de navigation, en tout temps
- Conçu pour l'équipement d'origine seulement

Enables Video in-motion features in select 13-16 Dodge, Jeep and Ram vehicles that are equipped with a 8.4" Screen. Allows access to fixed menus and enables passenger access to navigation system at any time.

- *Allows onscreen access to Factory Bluetooth Keypad*
- *Allows for Navigation Destination Address Entry at any time*
- *Designed for OEM equipment only*

TROUSSES DE CONNECTIVITÉ BLUETOOTH / *BLUETOOTH CONNECTIVITY KITS*

- Conforme à Bluetooth 2.1
- Permet aux appels d'être entendu par le biais des haut-parleurs d'origine
- Permet à l'usager de répondre et terminer les appels avec les commandes du volant
- Permet à l'usager d'utiliser la numérotation vocale
- Le texte-parole annonce le numéro ou le nom de l'appelant
- Coupe automatiquement toute source lorsqu'un appel arrive et résume une fois l'appel terminé.

- *2.1 Bluetooth Compliant*
- *Allows calls to be heard through the factory car speakers.*
- *Allows user to answer and end calls using the steering wheel controls.*
- *Allows user to make calls using voice dialing feature.*
- *Text to Speech (TTS) announces caller's name or number.*
- *Automatically mutes any source as soon as a call is received and resumes when call is ended.*

TOYOTA / SCION

BEEBT22

Une solution compréhensive qui intègre les téléphones cellulaires avec une large gamme de véhicules Toyota et Scion

- Également compatible avec les radios Eclipse

It is a comprehensive solution that seamlessly integrates mobile phones with a wide range of Toyota and Scion automobiles.

- *Also compatible with Eclipse Radios*

INTERFACE DE CONTRÔLE POUR VOLANT
STEERING WHEEL CONTROL INTERFACE

MEASWC1

- Une interface qui fait tout, aucunes interfaces additionnelles requises.
- Pioneer, Kenwood, Eclipse, aucun problème. Le ASWC fonctionne avec toutes ces compagnies et plusieurs autres fabricants de radio.
- Détecte automatiquement la majorité des véhicules sur le marché aujourd'hui et programme automatiquement les fonctions du volant.
- Détecte automatiquement à quelle radio le ASWC est connecté.
- Mise à jour par USB pour les données les plus récentes.

- *One interface does it all, no additional interfaces needed.*
- *Pioneer, Kenwood, Eclipse, no problem. The ASWC works with them all plus many more radio manufacturers.*
- *Auto detects the majority of vehicles on the market today and presets the steering wheel controls automatically.*
- *Auto detects what radio the ASWC is connected to.*
- *USB updatable to make sure you have the most up to date inventory.*

GMOS INTERFACES

Depuis que OnStar est intégré dans le système audio d'origine pour une communication avec le conducteur, une personne ne peut pas simplement remplacer la radio sans perdre les fonctionnalités de OnStar. Aussi, plusieurs de ces véhicules sont équipés d'un système audio amplifié qui nécessite un signal numérique pour contrôler les entrées audio et l'activation. Ces systèmes audio numériques ne peuvent pas être facilement contrôlés par les radios qui ne sont pas d'origine. C'est pourquoi une interface est nécessaire pour ceux qui désirent améliorer la qualité de leur système audio de leur véhicule tout en maintenant les dispositifs OnStar et les amplificateurs d'origine.

Since OnStar is integrated into the OEM audio system for communication with the driver, a person cannot simply replace the radio without losing OnStar's functionality. Also, many of these vehicles are equipped with amplified audio systems that require a digital signal to control audio inputs and activation. These digital audio systems cannot be easily controlled by the standard aftermarket radio, which is why an interface is needed for those who desire to upgrade the quality of their vehicule's audio system while retaining the OnStar features and OEM amplifiers.

ÉCRANS DE HAUT-PARLEUR / *SPEAKER BAFFLES*

VENDU À LA PAIRE / *SOLD IN PAIRS*

Les écrans de haut-parleur sont faits de mousse polyéthylène qui enveloppe le haut-parleur pour empêcher la saleté et l'humidité de s'infiltrer, en fournissant une coquille protectrice. Aussi, ils maximisent la performance du haut-parleur en isolant la fréquence, tout en atténuant la vibration du métal et de l'encadrement.

Speaker baffles are made from high-tech closed-cell polyethylene foam which encases the speaker to seal out dirt and moisture while providing a protective shell. They also maximize speaker performance by isolating the correct frequency response while damping reverberation in the sheet metal and panel-to-frame resonance.

MATÉRIEL POUR PERFORMANCE ACOUSTIQUE / *PERFORMANCE ACOUSTICAL MATERIAL*

Au dessus de 24°C l'assourdissement est 40% plus élevé que la compétition. Maintien l'adhérence de -34°C à 204°C. Atténus les basses fréquences et sert de barrière pour les médiums et hautes fréquence. S'adhère à des surfaces irrégulières. Aucune préparation de la surface requise. Tailler à la grandeur désiré avec des ciseaux ou couteau, retirer le support et appliquer.

40%+ better damping performance above 24°C vs. leading competitive brand. Maintains adhesion from -34°C to 204°C. Low frequency damping. Mid & high frequency barrier. Bonds to irregular and contour shaped surfaces. No surface preparation required. Trim to size with scissors or knife, peel backing and apply.

DOUBLURE THERMIQUE ACOUSTIQUE SOUS LE CAPOT
UNDER HOOD THERMAL ACOUSTIC LINING

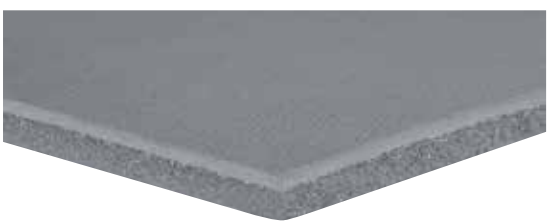

DEi050130
32" x 54"
12 pi. ca. / *sq. ft.*

Conçu principalement pour le compartiment moteur comme un moyen de réduire considérablement la chaleur et le bruit tout en étant facile à installer avec sa surface autocollante.

Designed primarily for the engine compartment as a way to greatly reduce heat and noise with an easy peel and stick product anyone can install.

SOUS TAPIS - UC / *UNDER CARPET - UC*

DEi050101
48" x 54"
18 pi. ca. / *sq. ft.*

Avec sa deuxième couche insonorisante, Under Carpet élimine tous les sons de moteurs, les grincements, les vibrations et la chaleur indésirable (5.6 db et 25% de réduction). Peut être ajouté sous les tapis, sur la cloison pare-feu, ou n'importe où à l'intérieur de la voiture.

Under carpet is a second layer sound deadening and insulaton mat. It eleminates squeaks, rattles, vibration and unwanted engine noise and heat (by 5.6 db and 25% reduction). Can be added under carpet, on fire walls, or anywhere in the interior of a vehicle.

OUTIL / *TOOL*

DEI050218
Rouleau d'installation
"Boom Mat"
Boom Mat installation roller

AÉROSOL "BOOM MAT" / *BOOM MAT SPRAY-ON*

BOOM MAT
PERFORMANCE ACOUSTICAL MATERIAL

DEi050220

Boom Mat est parfait pour les endroits dur à atteindre comme l'intérieur du coffre, le panneau latéral, dessous du véhicule, tôle de carrosserie et à l'intéreur des panneaux de porte. En plus de réduire le bruit, la vibration et servir de sous-couche, l'aérosol "Boom Mat" sert également de barrière thermique isolante contre la chaleur. Aide à prévenir la rouille. Ne craque et ne s'écaille pas. Surface prête pour l'application dans 6 heures. Couvre environ 20 pied carré.

Boom Mat Spray-On is perfect for those hard to reach places such as trunk interiors, fender wells, undercarriage, body panels and inside door panels to name a few. In addition to reducing noise, vibration and serving as an undercoating, Boom Mat Spray-On also serves as a thermal barrier insulating against heat. Helps prevent rust. Won't crack or chip. Paintable in 6 hours. Covers approximately 20 sq. ft.

HushMat

ÉLIMINATEURS DE DISTORTION / *DISTORTION ELIMINATORS*

Élimine le grincement et le claquement, les bruits non désirés provoqués par la vibration du système d'audio/video, le bruit de la route et du moteur. Aucun pré-traitement, nettoyage ou chaleur requis pendant l'installation. Ne tombera pas à cause du froid et aucune odeur agacante. 20% plus de poids par pied carré que le compétiteur. Ne nécessite pas de deuxième couche car il y a plus de matériel par pied carré.

Eliminates nuisance squeaks and rattles, unwanted noise caused by audio/video system vibration, and road and engine noise. No surface pre-treatment, cleaning, or heat required during installation. Won't fall off in the cold and no annoying odor. 20% higher weight-per-square-foot than the closest competitor. More material per square foot means less "double layering".

MD-5200

DOUBLE CAMÉRA HD INTÉGRALE DE TABLEAU DE BORD M5
M5 FULL HD DUAL DASH CAM

- Enregistre en HD intégrale 1080p (caméra avant seulement)
- Enregistrement avant et arrière lorsque vous roulez ou êtes stationné
- ACL tactile sur la caméra avant
- Capteur Sony Exmor R pour une clarté d'image
- Détecteur de chocs intégré pour activer la sauvegarde automatique
- Détecteur de mouvements intégré pour activer la sauvegarde automatique
- Antenne GPS suit la position et la vitesse
- Comprend carte micro-SD 32 Go
- Compatible avec tous les véhicules

- *Records in 1080p Full HD (front camera only)*
- *Records at front and rear while driving or parked*
- *Touch LCD on front camera*
- *Sony Exmor R sensor for image clarity*
- *Built-in shock sensor to activate AutoSave*
- *Motion detection to activate AutoSave*
- *GPS antenna tracks location & speed*
- *32GB micro-SD card included*
- *Compatible with all vehicles*

Comprend :
Caméra avant avec ACL, caméra arrière, faisceaux de câbles d'installation, antenne GPS + vitesse, carte micro-SD 32 Go

Bundle Includes:
Front Camera w/ LCD, Rear Camera, Installation Harnesses, GPS + Speed Antenna, 32GB Micro-SD Card

MD-4200

DOUBLE CAMÉRA HD DE TABLEAU DE BORD M4
M4 FULL HD DUAL DASH CAM

- Enregistre en HD 720p
- Enregistrement avant et arrière lorsque vous roulez ou êtes stationné
- ACL tactile sur la caméra avant
- Détecteur de chocs intégré pour activer la sauvegarde automatique
- Détecteur de mouvements intégré pour activer la sauvegarde automatique
- Antenne GPS suit la position et la vitesse (vendu séparément)
- Comprend carte micro-SD 16 Go
- Compatible avec tous les véhicules

- *Records in 720p HD*
- *Records at front and rear while driving or parked*
- *Touch LCD on front camera*
- *Built-in shock sensor to activate AutoSave*
- *Motion detection to activate AutoSave*
- *GPS antenna tracks location & speed (sold separately)*
- *16GB micro-SD card included*
- *Compatible with all vehicles*

Comprend :
Caméra avant avec ACL, caméra arrière, faisceaux de câbles d'installation, carte micro-SD 16 Go

Bundle Includes:
Front Camera w/ LCD, Rear Camera, Installation Harnesses, 16GB Micro-SD Card

DÉMARREURS À DISTANCE / *REMOTE STARTERS*

AS2482TWS — AS2482TWSD (combo avec / *with:* DBALL2)

- Une télécommande 2 voies à 5 boutons SST ACL avec port chargeur micro USB
- Une télécommande compagnion 1 voie à 5 boutons
- Portée de 1.6 km

- *One 2-Way, 5-button SST LCD transmitter with micro USB charger port*
- *One 1-way, 5-button companion transmitter*
- *1.6 km of range*

SmartStart Compatible

AS2386TWS — AS2386TWSD (combo avec / *with:* DBALL2)

- Une télécommande 2 voies à 5 boutons SST DEL
- Une télécommande compagnion 1 voie à 5 boutons
- Portée de 1.6 km

- *One 2-Way, 5-button SST LED transmitter*
- *One 1-way, 5-button companion transmitter*
- *1.6 km of range*

SmartStart Compatible

AS1780 — AS1780D (combo avec / *with:* DBALL2)

La technologie AM permet une portée maximale et une meilleure immunité contre le brouillage RF.
Includes AM technology and will provide maximum range and better immunity against RF interference.

- (2) télécommandes à 5 touches
- Rayon d'action pouvant atteindre jusqu'à 900 m
- Mode turbo

- *(2) 5-button transmitters*
- *Up to 900 m of range*
- *Turbo mode*

SmartStart Compatible

AS1774SR — AS1774SRD (combo avec / *with:* DBALL2)

L'un des systèmes unidirectionnels les plus populaires. Inclut une grande portée, une bonne flexibilité et 2 télécommandes à 5 touches.
One of the most popular 1-way systems. Includes great range, flexibility and two 5-button transmitters.

- Deux télécommandes à 5 touches
- Rayon d'action pouvant atteindre jusqu'à 550 m
- 5e touche servant de touche arrêt / panique

- *Two 5-button transmitters*
- *Up to 550 m of range*
- *5th button with stop / panic functions*

SmartStart Compatible

AS1272 — AS1272D (combo avec / *with:* DBALL2)

La plus petite télécommande à 2 touches à longue portée
The smallest 2-button transmitter on a long range remote control car starter

- (2) télécommandes miniatures à 2 touches
- Rayon d'action pouvant atteindre jusqu'à 450 m
- Mode turbo

- *(2) 2-button miniature transmitter*
- *Up to 450 m of range*
- *Turbo mode*

SmartStart Compatible

AUTOSTART

ASRFS7505

BIDIRECTIONNEL ACL, PORTÉE DE 1,5 KM
2-WAY LCD, 1.5 KM

- Une télécommande 2 voies, 5 boutons SST ACL avec port chargeur micro USB
- Antenne, 2 voies
- Nécessite XL202 à l'installation
- *One 2-way, 5 button SST LCD transmitter with micro USB charger port*
- *2-way, antenna*
- *XL202 needed on installation*

ASRFS3520

BIDIRECTIONNEL DEL, PORTÉE DE 1,5 KM
2-WAY LED, 1.5 KM

- Une télécommande 2 voies, 5 boutons SST DEL
- Antenne, 2 voies
- Nécessite XL202 à l'installation
- *One 2-way, 5 button SST LED transmitter*
- *2-way, antenna*
- *XL202 needed on installation*

ASRFS1554

UNIDIRECTIONNEL, PORTÉE DE 1,5 KM
1-WAY, 1.5 KM

- Une télécommande 1 voie, 5 boutons SST
- Antenne, 2 voies
- Nécessite XL202 à l'installation
- *One 1-way, 5 button SST transmitter*
- *2-way, antenna*
- *XL202 needed on installation*

INTERFACE DATABUS / *DATABUS INTERFACE*

PLATE-FORME NUMÉRIQUE. N'EST PLUS UN MODULE SÉPARÉ. LA TECHNOLOGIE "DBALL2" EST MAINTENANT INTÉGRÉE. CONVIENT À PLUS DE 1800 VÉHICULES - PEUT ÊTRE REPROGRAMMÉ ET MIS À NIVEAU. PROGRAMMATION SUR PC RAPIDE ET FACILE AU MOYEN DU NOUVEAU ASSISTANT DE CONFIGURATION. PLATEFORME COMBINÉE DÉMARREUR ET MODULE DE CONTOURNEMENT.
DIGITAL PLATFORM. NO LONGER A SEPARATE STANDALONE MODULE. DBALL2 TECHNOLOGY IS BUILT RIGHT IN. SUPPORTS 1800+ VEHICLES - FLASHABLE AND UPGRADEABLE - FAST AND EASY PC-BASED PROGRAMMING WITH THE NEW CONFIG WIZARD. COMBINED PLATFORM AND STARTER BYPASS MODULE.

AS2650D

UNIDIRECTIONNEL, PORTÉE DE 914M
1-WAY, 914M RANGE

- Deux émetteurs unidirectionnels
- Antenne unipolaire avec DEL bleu clair
- *(2) 1-way, 5 buttons FM transmitters*
- *Monopole antenna with bright-blue LED*

AS2700DTW

BIDIRECTIONNEL, PORTÉE DE 1584M
2-WAY, 1584M RANGE

- Émetteur bidirectionnel FM, DEL à 5 boutons
- Émetteur compagnon unidirectionnel à 5 boutons
- *2-way, 5 buttons FM LED transmitters*
- *1-way, 5 button companion transmitter*

AS2805DTW

BIDIRECTIONNEL, PORTÉE DE 1484M
2-WAY, 1484M RANGE

- Émetteur bidirectionnel ACL à 5 boutons avec technologie de l'étalement de spectre
- Émetteur compagnon unidirectionnel à 5 boutons
- *2-way, 5 buttons SST LCD transmitters*
- *1-way, 5 button companion transmitter*

OUTIL DE DIAGNOSTIC/PROGRAMMATION / *TECH TOOL*

ASPRG1000

Outil de diagnostic/programmation portatif. Grand écran ACL 20 caractères sur 4 lignes rétroéclairé, facilement lisible. Aisément actualisable lors de futures mises à niveau du micrologiciel. Connexion facile à l'unité du télédémarreur via le câble de l'antenne. Programme sans effort les différentes fonctions et options, le tachymètre et les télécommandes du télédémarreur. Possibilité de multiples présélections configurables par l'utilisateur pour une programmation rapide des différentes caractéristiques/options. Rapidité d'accès aux options de programmation et de sauvegarde, facilitant ainsi les changements d'unités. Facilité de diagnostic: codes d'échec au démarrage, déclenchements d'alarme, outil de localisation du tachymètre (câbles fournis avec l'unité), réinitialisation de l'unité à l'aide d'un seul bouton, outil de réinitialisation de code OBD2 intégré, compatible avec CAN.
Hand-help programmer/diagnostic tool. Large, easy to read 20-caracter-by-4-line, bright blue backlit LCD. PC updatable for future firmware upgrades. Easy connection to remote car starter unit via antenna cable. Effortlessly programs remote starter's: functions, options, tach, transmitters. Multiple user programmable memory preset for quick programming. Quick read/write funcitons, perfect when swapping a unit. Diagnostic/troubleshooting made easy: start failure codes, alarm triggers, tach finder tool (cables supplied with unit), 1-button unit reset, built-in OBD2 code eraser, CAN ready.

SYSTÈME PASSIF DE DÉVERROUILLAGE SANS CLÉ
PASSIVE KEYLESS ENTRY SYSTEM

Verrouillez et déverrouillez votre véhicule sans rien toucher !
Lock & unlock your car without touching anything!

DE2102T

Le **DE2102T** utilise des technologies de pointe pour détecter la présence du transpondeur RF qui est dans votre poche ou dans votre sac à main et lorsqu'il est à portée, le système va automatiquement déverrouiller vos portières et les verrouiller lorsque vous quittez la zone.
*The **DE2102T** use advanced technology to detect the presence of a RF tag that is kept in your pocket or purse and when it's in range the system will automatically unlock your doors and relock them when you left the zone.*

OUTIL DE PROGRAMMATION POUR ORDINATEUR / *COMPUTER PROGRAMMING TOOL*

XKLOADER2

Interface USB 2e génération qui sert d'intermédiaire entre votre ordinateur et le module d'interface XPRESSKIT modernisable.
- Plan d'encodage plus puissant, téléchargement plus rapide et sortie de courant plus élevé.
- Branchez et utilisez compatible avec DBALL.
- Branchez et utilisez avec Windows Vista 32 & 64, XP et Windows 2000
- Mettez à jour tout Xpresskit en tout temps et de n'importe où (accès internet requis)
- Détecte automatiquement le micrologiciel installé et averti l'usager de toute mise à jour critique

2nd generation USB computer interface (Bootloader) that acts as a bridge between your pc & an XPRESSKIT upgradeable vehicle interface module.
- *More powerful encryption scheme, faster download speed and higher current output.*
- *Direct Plug and play compatible with the DBALL.*
- *Plug & play with Windows Vista 32 & 64, XP and Windows 2000 O/S*
- *Upgrade any Xpresskit anytime from anywhere (internet access is required)*
- *Auto detects installed firmware and alerts user of any critical updates*

XKLOADER3

Utilise la connection Bluetooth pour créer un lien puissant entre vous et des milliers de véhicules et regroupent plusieurs outils dans un petit appareil qui est contrôlée par votre téléphone intelligent ou votre tablette. Branchez le XKLoader3 dans le connecteur OBDII du véhicule et vous pouvez maintenant programmer les interfaces, changer les options du démarreur à distance, diagrammes de câblage pour véhicule et guide d'installation et le meilleur de tous dépannage rapide de votre installation.
It uses Bluetooth connectivity to create a powerful link between you and thousands of vehicles and cosolidates multiple tools into one small device that is controlled by your smartphone or tablet. Plug the XKLoader3 into a vehicle's OBDII port and you can now flash interfaces, program remote start systems, find vehicle wiring diagrams and install guides, and best of all troubleshoot your installation in a flash.

ENDUIT PROTECTEUR D'ASPHALTE / *ASPHALT DRIVEWAY SEALER*

L'ENDUIT PROTECTEUR D'ASPHALTE "RESISTOSEAL" – SUPER CAOUTCHOUTÉ DE QUALITÉ ENTREPRENEUR contient plus de caoutchouc et de latex que les protecteurs ordinaires au goudron. Il est donc beaucoup plus flexible et résistant aux fissures et à l'oxydation.
This RESISTOSEAL ASPHALT DRIVEWAY SEALER – SUPER RUBBERIZED CONTRACTOR GRADE asphalt protection contains more rubber and latex than ordinary tar protectors. It is still much more pliant and resistant to cracks and oxidation.

• Permet de sceller efficacement la surface asphaltée contre la pénétration de l'eau
• Sans odeur incommodante • Application simple et rapide
• Effectively seals the asphalt surface against water infiltration • No unpleasant smell • Easy and fast application

RESISTO
4.5 gal. (17L)

Caractéristiques
- Température minimale pour l'application : 10°C (50°F)
- Pouvoir couvrant : 23 à 55m² (250 à 600 pi²)
- Temps de séchage : 24h à 48h. 48h avant de stationner un véhicule.

Avantages
- Prévient les fissures et la détérioration des surfaces asphaltées
- Sèche rapidement
- Sans odeur incommodante
- Facile à mélanger et à appliquer
- Seau recyclable et réutilisable
- Bonne résistance aux fissures et à l'oxydation

Characteristics
- *Minimum application temperature: 10°C (50°F)*
- *Coverage: 23 to 55m² (250 to 600pi²)*
- *Drying time: 24 to 48 hours. 48 hours before parking a vehicle.*

Benefits
- *Prevents cracking and deterioration of asphalt paving blocks*
- *Cures quickly*
- *No unpleasant odor*
- *Easy to mix and apply*
- *Recyclable and reusable bucket*
- Good resistance to cracking and oxidation

THERMOPOMPES / *HEAT PUMPS*

SEULEMENT DISPONIBLE AU QUÉBEC, EN ONTARIO ET DANS LES MARITIMES
AVAILABLE ONLY IN QUEBEC, ONTARIO AND THE MARITIMES

Remise en fonction automatique intelligente

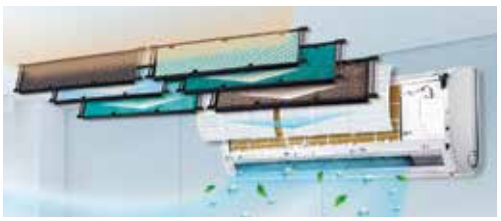

Après une panne de courant, lorsque le courant est rétabli, les appareils de l'immeuble ne se remettront pas en fonction en même temps pour éviter une surcharge sur le réseau électrique.

Intelligent Auto Restart

Upon power is resumed after power failure, the units in the whole building will not be restarted at the same time to avoid impact of electricity net (suitable for engineering project).

Remise en fonction automatique intelligente *Intelligent Auto Restart*	Courbes de sommeil comfortable *Comfortable Sleep Curves*	Protection contre l'air froid *Cold Air Prevention*	Affichage à DEL *LED Display*	Minuterie *Timer*

OPTIONS DE FILTRE / *FILTER OPTIONS*

Filtre à charbon actif
Active carbon filter

Le charbon activé capte efficacement la fumé, les odeurs des animaux de compagnie et autres odeurs désagréables
Activated carbon can effectively absorb smoke, pet odors, and other unpleasant odors.

Filtre à ion argent
Silver Ion filter

L'ion argent stérilise 99% des bactéries en supprimant la prolifération de moisissure et de bactéries et empêche la formation de mauvaises odeurs.
Silver ion is able to sterilize 99% of bacteria by suppressing proliferation of mold and bacteria and preventing the cause of unpleasant odors.

Filtre multi-fonction
Multi-function filter

Pour répondre à vos besoins, jumelez 3 filtres à partir de 4 types différents.
Combine 3 filters from 4 different types to meet your various needs simultaneously.

	Fonction / *Function*	Efficace sur / *Works on*	Durée de vie / *Life Span*	Comment nettoyer / *How to Clean*	Notes
YE11012025	Charbon activé avec fibre électrostatique *Activated carbon with electrostatic fiber*	Ammoniac, acide acétique, acétaldéhyde *Ammonia, Acetic Acid, Acetaldehyde*	6~12 mois *6~12 months*	---	Est largement choisi pour ses caractéristiques économiques et fonctions écologiques *Is widely selected for its economic-friendly and environmental-friendly features*

LAKES

- Prix très abordable / *Affordable price*
- Technologie et fiabilité éprouvée / *Technology and reliability proven*
- 3e boîte permettant une installation efficace
  3rd box for efficient installation

Contient / *Includes*:
7.5m - Tuyau de cuivre pré-évasé
Pre-flared copper pipe
7.5m - Fillage électrique
Electric wiring
6' - Tuyau de drain
Drain pipe

- Pouvant chauffer jusqu'à -8°C / *Can heat up to -8°C*
- Unité vendue dans plus de 180 pays (Production 10 millions par année)
  Unit sold in over 180 countries (Production of 10 million per year)

SIGNIFICATION DES CODES / *CODE DEFINITIONS*

FF : La température extérieure est au-dessous de -10°C.
DF : L'unité est en mode dégivrage, dure de 10 à 20 minutes.
FF: *The outside temperature is below -10°C.*
DF: *The unit is in defrost mode, lasts10 to 20 minutes.*

TOSOT — Alimenté par / *Powered by* GREE

Cette technologie de pointe permet à l'appareil d'adapter sa puissance à tout moment en fonction des besoins du local à chauffer ou à rafraîchir.
Les thermopompes inverter fonctionne en permanence mais avec une régulation beaucoup plus fine et précise.
De plus, elle peut fonctionner au-delà de sa puissance nominale pour faire face à une demande de pointe ou pour une mise en température plus rapide. Pouvant chauffer jusqu'à -20°C.

This advanced technology allows the device to adjust its power at any time according to the needs of local heat or cool.
The inverter heat pump runs continuously but with a much more refined and precise control.
In addition, it can operate beyond its rated capacity to meet peak demand or for a faster time temperature. Can heat up to -20°C.

SIGNIFICATION DES CODES / *CODE DEFINITIONS*

H1 : L'unité est en mode dégivrage, dure de 10 à 20 minutes.
H1: *The unit is in defrost mode, lasts 10 to 20 minutes.*

POMPE À VIDE / *VACUUM PUMP*

4660184

La pompe à vide VP6D Pro-Set® de 6 pi3/min est un appareil bi-tension polyvalent à 2 étapes. Moteur HP.

Caractéristiques:
- Fonctionnement bi-tension 110-120V / 220V 50 / 60Hz
- Taux de vide exceptionnel aussi bas que 10 microns
- Conception avancée du moteur refroidi par air pour une utilisation à des températures ambiantes élevées
- Ports de connexion multiples pour 1/4", 8/3" et 1/2" ACME
- Facile d'entretien avec indicateur de niveau d'huile et un large port de remplissage ainsi qu'un drain d'huile facilement accessible
- Base de caoutchouc solide offre une résistance aux chocs extrêmes
- Poignée ergonomique pour un confort supérieur

The VP6D Pro-Set® Premium Series vacuum pump is a 6 CFM, 2 stage unit with a versatile dual voltage. HP motor.

Features:
- *Dual voltage operation 110-120V / 220V 50 / 60Hz*
- *Exceptional ultimate vacuum rating as low as 10 microns*
- *Advanced air cooled motor design for operation in high ambient temperatures*
- *Multiple port connections for 1/4", 3/8" and 1/2" ACME*
- *Easy maintenance with large oil sight glass and fill port with easily accessible oil drain port*
- *Solid rubber base provides extreme shock resistance*
- *Sure grip handle ergonomically designed for superior comfort*

ÉVASEUR / *FLARING TOOL*

4660172

Évaseur à embrayage avec clé à cliquet et coffret, pour tubes de 3/16", 1/4", 5/16", 3/8", 1/2", 5/8" et 3/4" de diamètre extérieur

Caractéristiques :
- Conçu pour créer des joints évasés plus résistant pour les systèmes à haute pression
- La vis d'alimentation à embrayage et le cône produisent un évasement propre et uniforme sans tache ni grippage
- Procure un couple d'évasement exact avec son système d'embrayage à rupture
- Une prise carré de 3/8" est incorporée dans la poignée pour l'utilisation d'une clé à cliquet
- Coffret de rangement robuste en polyéthylène inclus.

Clutch driven flaring tool with ratchet and case for 3/16", 1/4", 5/16", 3/8", 1/2", 5/8" & 3/4" O.D. tubing

Features:
- Engineered to create stronger flare joints for high pressure systems
- Unique clutch driven feed screw and faceted cone produce uniform, clean flare walls without thin spots or galling
- Provides an exact amount of flaring torque with break away clutch system
- Innovative 3/8" square drive incorporated directly in yoke handle for use of ratchet
- Rugged polyethylene storage case included.

TUYAUX DE RÉFRIGÉRATION PRÉ-ISOLÉS *PRE-INSULATED REFRIGERATION TUBES*

KENATO

COUTEAUX DE STYLE JAPONAIS
JAPANESE KITCHEN KNIVES

Le superbe acier Damas qui enveloppe un noyau en acier à teneur élevée en carbone est façonné naturellement selon un ancien procédé de feuilletage qui aurait été découvert à Damas environ 300 ans avant notre ère, et ensuite perfectionné par des forgerons japonais. L'art de replier 33 couches d'acier inoxydable de chaque côté du noyau en acier dur est reconnu internationalement pour produire un tranchant extrêmement affûté, flexible et durable d'une qualité inégalée. Le noyau en acier à teneur élevée en carbone offre une meilleure résistance à l'usure et à l'abrasion, tout en permettant au tranchant de demeurer incroyablement affûté, ce qui permet des coupes précises.

The beautiful damascus stainless steel that surrounds the high carbon core, is naturally formed by an ancient layering process that is believed to have been discovered in Damas around 300 BC, and perfected by japanese swordsmiths. The art of folding 33 layers of stainless steel on each side of the high carbon core is world-renowned for producing extremely sharp, yet flexible and long-lasting, cutting edges of unsurpassed quality. The high carbon core ensures superior resistance to water and abrasion while maintaining the ultra-sharp edges for precision cutting.

ACIER DAMAS

Lames à 67 couches fait d'acier inoxydable premium DAMAS Japonais utilisant des techniques perfectionnées par les anciens forgerons Japonais.

DAMASCUS/ STAINLESS STEEL

67-ply layered blades are made of premium Japanese DAMASCUS stainless steel using techniques perfected by anciant japanese swordsmiths.

VÉLOS / *BIKES*

Le vélo à pneus surdimensionnés, c'est plus qu'une mode, c'est un phénomène! Les promenades sur la route et les courses de vélo de montagne se pratiquent maintenant autant en hiver qu'en été avec nos vélos à pneus surdimensionnés. Plus besoin d'attendre, sortez-le, peu importe la température et les conditions!
The oversized tire bikes are more than a fad, it's a phenomenon! The bike rides and races are now practiced as much in winter as in the summer with our oversized tire bicycles. No more waiting, take it out, regardless of the temperature and conditions!

TAPIS FLOTTANTS / *FLOATING MATS*

Nous avons recherché et développé un nouveau type de tapis flottant avec une valve améliorée. Ils mesurent 4.6m de long par 1.8m de large et 3.81cm d'épaisseur. Peut supporter de 6 à 8 adultes ou jusqu'à 600 kg. Les tapis sont fait de 2 couches de polyoléfines croisés XPE (la couche supérieur et la sous-couche), ainsi que d'un filet de nylon inséré entre les 2 couches qui renforcent la ténacité et la sécurité du tapis. Le revêtement des tapis ont un traitement spécial donnant une meilleure flottabilité. Comprend également un dispositif d'arrimage pour attacher facilement le tapis au bateau ou au quai. Ces tapis ont un brevet de modèle d'utilité.

We researched and developed a new type of floating water mat with a improved grommet. They measure 4.6m long by 1.8m wide and are 3.81cm thick. Holds 6 to 8 adults or up to 600 kg. The mats are constructed of 2 layers of XPE material (upper layer and the sublayer) and inserted in between is a nylon net that strengthen the mat's tenacity and security. The mats have a special surface treatment giving you the ULTIMATE flotation! It also includes 1 of our proprietary patent pending grommets for maximum anchoring and towing strength. The mats also have a certificate of utility model patent.

Nos planches All Around sont versatiles et performantes dans tous types de conditions, et offrent toute la flexibilité requise pour la pratique très diversifiée du SUP. Nous proposons cinq dimensions de planche pour répondre aux besoins tant des débutants que des experts pagayeurs. Ces planches sont faites pour performer tout aussi bien en eau calme ou agitée. Stables et faciles à manœuvrer, elles sont idéales pour une balade zen, une session de fitness – yoga, une partie de pêche mais aussi pour le sup surf sur des petites ou moyennes vagues. La plupart des débutants opteront pour une planche de cette catégorie.

All Around boards are versatile in all conditions and have the flexibility to do many different types of paddleboarding. We offer five different sizes which are designed for beginners to advanced paddlers. These boards are made to perform well in both flat water and rough conditions. Each of these boards is stable, easy to paddle and therfore perfect for leisurely outings and fitness sessions on flat water, fishing and catching small- to medium-size waves in the ocean. Most beginners will fall into this category.

SUP174

Notre planche Touring a été spécialement conçue pour les voyageurs de longue distance qui aiment pagayer tant en eau calme qu'en eau très agitée. Sa coque est profilée pour vous donner une bonne accélération au moment de pagayer. La plupart des planches de randonnée dépassent les 12 pieds de longueur, alors que notre mini Touring 10'6'' vous offre toute la puissance d'une grande planche, en version beaucoup plus manœuvrable, Cette forme unique présente une coque à fort déplacement, un step deck prononcé et une tail effilée pour une résistance minimale. Le profilage de cette petite planche de 10'6'' de long sur 29,5'' de large et 7'' d'épaisseur la rend super stable et idéale pour l'entraînement de course ou de longue distance. Les attaches élastique à l'avant offre beaucoup d'espace pour arrimer vos effets personnels lors de longues excursions. Également disponible en version 11'6'' et 12'6''.

Our Touring board has been designed for the long distance travelers who like to paddle on the flat to very choppy water conditions. The shape of the hull is especialy made to give you speed while paddling. Most touring style boards are over 12 feet long, our mini Touring 10'6'' gives you all the power of a true touring board, but in a much more manageable size. This unique shape still features a strong displacement hull, a recessed deck area and slimmed down tail for minimal drag. The 10'6'' has a 29.5'' width and a 7'' thick profile making this tiny board super stable and perfect for race training or long distance paddles. Tie downs at the nose give you added space for gear on longer paddles. Also available in 11'6'' and 12'6''.

SUP SURF

POUR LE PUR PLAISIR DE LA VAGUE
DONE FOR THE PURE SURFING FEEL

Geometry

Cette planche est le compromis idéal. À la fois vraie fonceuse et bon SUP surf tout usage, elle est parfaitement manœuvrable dans tous types de vagues. Son gainage de PVC ainsi que son dessous en filet de fibre de carbone lui confèrent souplesse et excellente capacité de torsion pour affronter la vague. Son rocker prononcé permet de dévaler la vague sans que le nez s'enfonce dans l'eau, évitant ainsi d'être projeter vers l'avant. La bordure de la tail moins prononcée agit de concert avec celle du nez pour faciliter la manœuvre. Pour le pur plaisir du surf...

This board is a perfect compromise, a total ripper but a good all around surfer that is totaly rippable and great on smaller waves. With his pvc wrap and his carbon fiber net bottom this help to keep the torsion and flex needed while being in the waves. His ample nose rocker allows the board to travel down the face of a wave without pearling- digging into the water, which will send you off the front of the board. The tail rocker is less pronounced and works in conjunction with the nose rocker to help facilitate maneuvering. Done for the pure surfing feel...

SOFTIES

IDÉALE POUR LA FAMILLE ET LES DÉBUTANTS
PERFECT BOARD FOR FAMILIES AND BEGINNERS

Indigo & Coral

Les Softies sont idéales pour familiariser les familles et les débutants au sport parce qu'elles sont le tout premier niveau de SUP expressément conçu comme planche polyvalente. Populaires qu'importe l'âge ou le niveau d'expertise, elles sont aussi économiques que durables. Si la grande majorité des premiers acheteurs les trouvent géniales comme planche familiale, à cause même de leur prix, elles sont aussi pleinement fonctionnelles dans un très large éventail de conditions nautiques.

The Softies are the perfect boards for families and beginners to get familiar with the sport of paddling since they are entry level sup designed to ride like an All Rounder. Popular for all ages and skill levels they are also economical and durable. While the vast majority of first time buyers will consider this a great family board because of the price, these boards are also fully functional across a wide variety of water encounters.

PLASTIQUE

POUR USAGE TRÈS INTENSIF
FOR HEAVY DUTY PURPOSES

Indestructible

Notre SUP Plastique, fabriquée pour résister aux pires conditions, est une de nos planches les plus durables. Excellente pour débuter ou partager en famille, c'est aussi la planche parfaite pour les flottes de location! Elle offre beaucoup de volume hors de l'eau et une grande stabilité. Elle est évidemment plus robuste qu'une construction en fibre de verre et résine d'époxy, grâce à sa coquille d'ABS/PC. Vous pouvez donc la ranger facilement, la poser sur le sable ou les rochers du ravage sans inquiétude.

Our plastic sup is made for the heavy duty purposes and represent one of our most durable board. Good beginner or family shared board it is also ideal for rental fleets! It offers plenty of volume out on the water and it's very stable. It can obviously takes more punishment than fiberglass - epoxy construction since it is covered by an ABS + PC shell. You can therefore store it easier, strap it to roof racks without concern and you don't have to worry about it when you lay it down on a beach or a rocky shore.

PAGAIES / *PADDLES*

La meilleure pagaie de SUP est toujours celle qui vous rend la tâche plus facile. Encore faut-il déterminer à quelle tâche vous l'emploierez au moment de l'achat et de la mise à l'eau de votre SUP.
The SUP paddle that'll make your job the easiest, is the best one. Further more, you will have to define what your job is when it comes to owning and using your SUP.

POUR/*FOR*: SUP110 & PDL001-MATT

Nos deux modèles d'entrée de gamme sont parfaits pour les flottes de location et les débutants. Leurs palmes confèrent plus de puissance aux pagayeurs à faible cadence. Faites de matériaux ultra résistants - aluminium et/ou fibre de verre – mélangé au plastique ces pagaies sont versatiles et robustes. Grâce au contour protecteur de la palme en caoutchouc ceci les rend quasi indestructibles. Comme elles sont ajustables, vous pouvez en régler la longueur à loisir pour pagayer en tout confort.
• Disponible en noir au fini mat, avec protecteur de pale bleu ou blanc.

Our 2 entry level models are perfect for rental fleets and suitable for beginners. Their wider blades put more power into a lower-cadence stroke. They are made of very resistant materials - aluminum or fiberglass - very versatile and pair well with plastic which make them almost unbreakables and they both have a rubber blade protector. Since they are adjustable you can easily adapt the length that fits you for more comfort while paddling.
• Comes in black color matt finish with blue or white blade protector.

POUR/*FOR*: PDL002-MATT

Cette pagaie, entièrement faite de fibre de verre, offre plus de force et de durabilité, tout en restant très légère. La palme plus étroite, est un bon choix pour le surf agressif et les virages dynamiques, mais aussi performante en eau calme parce qu'elle est moins exigeante sur les articulations et vous permet de pagayer à cadence plus élevée. Pour un usage en eau vive vous pourriez aussi considérer une palme de fibre de verre, qui est plus robuste que la fibre de carbone.
• Disponible en noir fini mat.

This paddle made of full fiberglass add strength and durability while keeping a light weight. The narrower blade which is best for dynamic surfing and turning also works well for flatwater paddling since it's easier on the joints and let you paddle with a faster cadence. For use in whitewater you can also consider the rugged fiberglass blade instead of full carbon fiber.
• Comes in black color matt finish

POUR/*FOR*: PDL003-004-005-006-007-008

Ces pagaies offrent les mêmes caractéristiques que notre modèle de fibre de verre, mais elles sont faites de carbone 3K plain - 3K twill ou 12K, ce qui les rend super légères, solides et résistantes. Le manche de carbone mélangé à un ingrédient secret offre une meilleure flexibilité qu'un manche tout en carbone. Le renforcement du bord de palme en ABS évite de l'abîmer en frappant la planche ou tout objet en cours de route.
• Pagaie non ajustable ou ajustable 2 pièces disponible
• Renforcement du contour de la palme en ABS disponible pour les modèles **PDL005-006-MATT**
• Offerte en noir au fini mat ou lustré

These paddles features the same caracteristics as our full fiberglass model but they are made of matt or glossy 3K plain - 3K twill or 12K carbon which make them super light, strong and resistant. The carbon shaft has been mixed with a secret ingredient which gives a better flex than the full carbon paddles. The ABS reinforcement blade edge helps from shattering when hitting it against your board or anything in your way.
• Non-adjustable and 2pcs adjustable shaft available
*• ABS rail reinforcement available on models **PDL005-006-MATT***
• Comes in black color matt or glossy finish

POUR/*FOR*: PDL009-010-011-012-013-014

La superficie de la palme de ces pagaies est faite pour offrir plus de résistance et nécessite moins de coups de pagaie à la minute. La tête de la palme étant plus petite, a été conçue pour vous donner toute la stabilité, l'équilibre et le contrôle directionnel dont vous avez besoin. L'angle de la palme convient parfaitement aux manœuvres en eau vive ou en eau calme. L'amalgame du carbone 3K plain - 3K twill ou 12K, auquel s'ajoute notre ingrédient secret, assure une grande flexibilité.
• Pagaie non ajustable ou ajustable 2 pièces disponible
• Renforcement du contour de la palme en ABS disponible pour les modèles **PDL011-012-014-MATT**
• Offerte en noir au fini mat ou lustré

These paddles have a blade area that gives resistance producing fewer strokes per minute. The smaller head has been designed to give you the stability, balance and directional control you need. The blade angle fits perfectly for waves or flat water paddling. The mix of 3K plain - 3K twill or 12K carbon add to our secret ingredient allows a better flex.
• Non-adjustable and 2pcs adjustable shaft available
*• ABS rail reinforcement available on models **PDL011-012-014-MATT***
• Comes in black color matt or glossy finish

LAMPE À DEL UV-A ANTI-INSECTES RECHARGEABLE AVEC ÉCLAIRAGE DE SECOURS
RECHARGEABLE UV-A LED LIGHT BUG ZAPPER WITH EMERGENCY LIGHT

BZ5001

5 DEL UV-A pour attirer les insectes, 10 DEL blanches qui peuvent servir pour un éclairage de secours. Fabriqué en ABS ignifuge avec grilles en métal. Muni d'une poignée rétractable sur le dessus et d'un réflecteur interne en plastique pour attirer les insectes. Avec brosse pour faciliter le nettoyage. Couverture: 50m^2. DEL UV-A/lumière violette: 20 heures approx. DEL blanche/lumière blanche: 24 heures approx.

5 UV-A LED lights to attract insects, 10 white LED lights that can be use as an emergency light. Made with ABS fireproof plastic and metal grids. Equipped with an extractable handle on top for portable use and an inner plastic reflector to attract insects. Comes with cleaning brush for easy cleaning. Coverage : 50m^2. UV-A LED/ purple light : 20 hours approx. White LED/ white light : 24 hours approx.

LAMPE ANTI-INSECTES SILENCIEUSE INTÉRIEURE/EXTÉRIEURE
INDOOR/OUTDOOR SILENT BUG ZAPPER

BZ5002

Muni d'un tube de lumière noire de haute qualité avec UV-A 100% invisible et un réflecteur en plastique spéciale pour une attirance maximale des insectes. Fabriqué en ABS ignifuge. Tue les insectes avec un gros et puissant ventilateur CC qui aspire les insectes. Il n'y a pas de décharge électrique, ce qui élimine les risques de chocs. Comprend 4 pattes amovibles pour ajuster la hauteur et un plateau inférieur pour un nettoyage facile. Type de lampe : Tube de lumière noire 7W 2U; durée de vie approx. 8000 heures. Couverture: 100m^2.

Equipped with high quality BLB tube with 100% invisible UV-A lighting for the best attraction and special plastic reflector for maximum attraction of insects. Made with ABS fire resistant material. Kills bugs with 1 big and powerful DC fan that suck the bugs in. There is no zapping eliminating the risk of electric shock. Comes with 4 detachable legs to adjust the height of the lantern and a detachable bottom tray for easy cleaning. Lamp Type : 7W 2U BLB; approx. 8000 hours working life of tube. Coverage: 100m^2.

LAMPE ANTI-INSECTES INTÉRIEURE/ EXTÉRIEURE AVEC LAMPE UV-A 18W À RENDEMENT ÉLEVÉ
INDOOR/OUTDOOR BUG ZAPPER WITH 18W HIGH EFFICIENT UV-A LAMP

BZ5003

Les grilles intérieures sont en métal galvanisé pour tuer les insectes avec 100% d'efficacité et ne pas rouiller. Fabriqué en ABS ignifuge. Vous pouvez la suspendre ou la poser sur une surface. Type de lampe : Tube de lumière noire 18W PL; durée de vie approx. 8000 heures. Couverture: 160m^2.

Inner grids are made with galvanized metal to ensure 100% insect killing rate and no rust. Made with ABS fire resistant plastic. You can hang or place the latern on a surface. Lamp Type: 1 x 18W BL PL; approx. 8000 hours working life. Coverage: 160m^2.

LAMPE ANTI-INSECTES INTÉRIEURE AVEC LAMPES UV-A 30W À RENDEMENT ÉLEVÉ
INDOOR BUG ZAPPER WITH 30W HIGH EFFICIENT UV-A LAMPS

BZ5004

Cette lampe UV-A de haute qualité a un spectre de 365 nm. Conçu avec le dessus ouvert pour augmenter l'attirance des insectes. Fabriqué en métal galvanisé et en ABS ignifuge. Elle peut être suspendu ou se tenir debout. Elle est muni d'une chaîne pour suspendre et d'un plateau amovible pour un nettoyage facile. Type de lampe : 2 tubes de lumière noire 15W T8/BL368L; durée de vie approx. 8000 heures. Couverture: 100m^2.

The high quality UV-A lamp has a spectrum of 365 nm. Uniquely designed with an open top cover to increase the attraction of insects. It is made with galvanized metal and fire resistant ABS plastic. This bug zapper can be hung or free stand. Equipped with a chain holder for easy hanging and a removable tray for easy cleaning. Lamp Type: 2 x 15W T8/BL368L; approx. 8000 hours working life. Coverage: 100m^2.

DRONE TRANSFORMABLE (4 EN 1)
TRANSFORMER DRONE (4-IN-1)

U841-1B

Items inclus :
Protecteurs d'hélice, 2 grandes roues, 4 petites roues, tige de liaison, câble USB, carte 4G, instruction, carte TF, pile au lithium polymère, 4 hélices de rechanges et télécommande

Included items:
Propeller protectors, 2 big wheels, 4 small wheels, linkage rod, USB cable, card 4G, reader, TF card, lithium-ion polymer battery, 4 spare propellers and remote.

Spécifications:
- Télécommandé
- 4 canaux
- Système gyroscopique à 6 axes.
- Vol à l'envers et à l'horizontal
- Télécommande (4 piles AA non incluses)
- 2 vitesses de contrôle (lent/rapide)
- Caméra HD (Pas de Wi-Fi)
- Conception 4 en 1 : 1.Vole dans le ciel. 2.Roule dans la rue. 3.Grimpe sur les murs. 4.Vole au plafond.

Specifications :
- *Remote controlled*
- *4 channel*
- *6-axis gyro system*
- *Fly upside down and horizontal flying*
- *Controller (4 AA batteries not included)*
- *2 speeds control (slow/fast)*
- *HD camera (Not Wi-Fi)*
- *4-in-1 Design: 1.Fly in the sky. 2.Run on the street. 3. Climb the walls. 4. Fly on the ceiling.*

- Certifications/*Certificates* : LED, FCC, EN62115, RTTE, EN71, ROHS, ASTM, 6P
- Temps de chargement/*Charging time*: 60 minutes
- Cap. de la batterie/ *Battery capacity*: 3.7V (450 MAH)
- Fréquence/*Frequency* : 2.4G
- Durée de fonctionnement/*Running time* : 6-9 minutes
- Portée/*Range* : +30 mètres/*meters*
- Camera HD/*HD camera* : 2.0 megapixels
- Résolution & fréquence de la capture d'images
- *Resolution & framerate* : 1280 x 720, 30fps

Coccinelle / *Ladybug*
14 x 14 x 3.5 cm

Spécifications:
- Télécommandé
- 4 cannaux
- Système gyroscopique à 6 axes.
- Vol à l'envers et à l'horizontal
- Triple boucles à une touche
- Fonction mode non-orienté
- Touche de retour à la télécommande
- Télécommande (2 piles AA non incluses)
- 2 vitesses de contrôle (lent/rapide)

Specifications :
- *Remote controlled*
- *4 channel*
- *6-axis gyro system*
- *Fly upside down and horizontal flying*
- *One key triple flips*
- *Headless function*
- *One key return*
- *Controller (2 AA batteries not included)*
- *2 speeds control (slow/fast)*

48.6 x 48.6 x 12.2 cm

Items inclus :
4 protecteurs d'hélice, 4 hélices de rechanges, 6 vis, tournevis, câble USB, carte TF, pile au lithium polymère et télécommande avec affichage ACL de 4.3".

Included items:
4 propeller protectors, 4 spare propeller, 6 screws, screwdriver, USB cable, card TF, lithium-ion polymer battery and 4.3" LCD display remote.

Spécifications:
- Télécommandé
- 4 cannaux
- Tourne à gauche et droite, se déplace de haut en bas et de gauche à droite.
- Vol acrobatique 3D
- Télécommande (4 piles AA non incluses)
- 2 vitesses de contrôle (lent/rapide)
- Caméra
- Avertissement de basse tension
- Transmission en temps réel de la vision subjective

Specifications :
- *Remote controlled*
- *4 channel*
- *Left and right turning, forward to backward and left to right flying*
- *3D stunt flying*
- *Controller (4 batteries AA not included)*
- *2 speeds control (slow/fast)*
- *Camera*
- *Low voltage warning*
- *First person view real time transmission*

ENSEMBLE UN-QUI-VOLE/UN-QUI-CHARGE *FLY ONE/CHARGE ONE KIT*

Accompagné d'un étui en aluminium en édition limitée !
Comes with a limited edition aluminum case!

2 mini drones et 1 télécommande.

- Vitesses réglables.
- Télécommandé.
- Virage et basculement sur 360°.
- Gyroscopes: 6 axes.
- Se calibre instantanément.
- Fait d'ABS robuste.
- Peut atteindre 20 à 30 m.
- Batterie rechargeable par câble USB.
- Temps de vol: environ 10 mins.
- Temps de charge: 15 mins
- 8 hélices de remplacement.

2 mini drones and 1 remote.

- *Adjustable speeds.*
- *Remote controlled.*
- *360 degree flips and turns.*
- *6-axis gyro system.*
- *Calibrates instantly.*
- *Incredibly durable body.*
- *Flies up to 80 feet in the air.*
- *Rechargable battery with portable USB cable.*
- *15 minute battery life.*
- *15 minutes to charge battery*
- *8 additional blades included.*

Spécifications:
1. Le bagage est controllé par la télécommande
2. Inclut une batterie rechargeable (9.6V 600mA). La batterie doit être retirée avant d'être chargée. Il faut environ 6 heures pour charger complètement la batterie. Les piles (2) pour la télécommande ne sont pas incluses.
3. Fonctions: Avant, arrière, tourner à gauche, tourner à droite
4. Bagage à main
5. Grandeur : 16.61" x 12.28" x 9.84"
6. Fréquence : 2.4GHz

Specifications :
1. *The suitcase can be controlled by the controller*
2. *The suitcase comes with a rechargeable battery (9.6V 600mA). The battery needs to be taken out before charged. It takes about 6 hours to fully charge the battery. 2pcs AAA batteries for the controller are NOT included.*
3. *Functions: Forward, reverse, turn left, turn right*
4. *Carry-on baggage*
5. *Size : 16.61" x 12.28" x 9.84"*
6. *Frequency* : 2.4GHz

*(F.A.B. port de Montréal)				

- **Territoires du Nord Ouest, Yukon, Terre-Neuve et certaines destinations éloignées :** Toute commande sera expédiée au frais du client selon la procédure suivante:
  A) La commande parviendra prépayée au client.
  B) Le client sera facturé ultérieurement pour le coût réel du transport selon nos taux préférentiels.
- Les conditions ci-dessus ne s'appliquent pas aux roues d'acier.
- Certains autres produits spécifiques (lourds, surdimensionnés et/ou non-emballés) sont sujets à des frais de transport additionnels.
- Toute commande chez un fournisseur en «livraison express» est sujette à des frais de transport additionnels.
- Les frais de livraison sont sujets à changement en fonction de l'évolution des prix de l'essence.

LIVRAISON
Aucun montant minimum. Toute commande sera livrée.

- Heures de tombée locales pour livraison le lendemain:

Robert Thibert	Purolator	Loomis	Fastfrate	Morneau	Manitoulin
17h00	15h30	15h30	14h00	14h00	14h00

FACTURES
Les factures sont disponibles sur notre Site Internet au www.rthibert.com ou peuvent être envoyées soit ****avec vos commandes***, par fax ou courriel, la veille de la livraison.

****Noter que l'option 'avec vos commandes' est valide seulement pour les clients desservis par le réseau de transport Robert Thibert. Seuls les envois par fax ou courriel sont applicables dans tous les autres cas. (À défaut d'être inscrit à l'envoi par courriel ou par fax, ces factures seront postées).*

COMMANDE «PICK-UP»
Toute commande pour être ramassée doit être placée au préalable et un délai est requis pour la préparation de celle-ci.
Aucun ajout ou ajustement ne peut être effectué sur place.
Toute commande doit être ramassée dans les 24 heures qui suivent.

PRIX
Toutes nos conditions et nos prix de vente sont sujets à changement sans préavis.

MARCHANDISE PERDUE OU ENDOMMAGÉE
Nous vous recommandons d'inspecter attentivement chaque article lors de la réception et de communiquer avec le service à la clientèle pour toute anomalie. Toute réclamation pour marchandise perdue ou endommagée devra nous être soumise et la marchandise retournée dans les **24 heures** suivant la réception d'une commande.
Notez qu'aucun dossier de réclamation ne sera traité par nos transporteurs externes s'il est reçu plus de 10 jours après la date de livraison.

PIÈCES MANQUANTES
Nous vous recommandons d'inspecter attentivement chaque article lors de la réception et de communiquer avec le service à la clientèle pour toute pièce manquante, dans les 24 heures après la réception de la marchandise.

PAIEMENT
Tout client ayant une facture impayée le 25 du mois suivant se verra automatiquement refuser l'envoi de toute nouvelle marchandise jusqu'à ce que la dite facture soit payée. Tout chèque retourné « provision insuffisante » (N.S.F.) ou autre sera sujet à un frais administratif de 25,00 $. Surcharge de 2 % par mois (24 % par année) sur solde passé dû.
Tout retour fait pour régler un solde passé dû est assujetti à un frais de reprise de 25 %.

POLITIQUES DE RETOUR

- **Seuls les retours préalablement acceptés par Entreprise Robert Thibert Inc. pourront être effectués. Tout retour de marchandise non autorisé sera refusé, ou sera sujet à un frais d'administration de 5%.**
- Vous devez utiliser le formulaire fourni par Entreprise Robert Thibert Inc. et nous le faire parvenir par :

  - **Télécopieur** : (450) 691-2392 - **Site Internet :** www.rthibert.com
    (450) 691-3407
    1 (888) 660-2392

- **Le numéro de facture d'achat d'origine et les raisons détaillées du retour sont obligatoires.**
- Chaque retour devra avoir un numéro d'autorisation. Aucun remboursement, crédit au compte seulement.
- Aucune marchandise achetée depuis plus d'un an ne pourra être retournée.
- **Tout retour de marchandise devra être effectué dans les 10 jours ouvrables suivants son autorisation. Les autorisations de retour en suspens depuis plus de 10 jours seront cancellées.**
- Les retours de marchandise doivent être effectués aux entrepôts suivants:

PROVINCE	ENTREPÔT
Québec, Ontario, Manitoba	Châteauguay
Maritimes	Moncton
Saskatchewan, Alberta	Calgary
Colombie-Britannique	Pitt Meadows

MARCHANDISE NEUVE

- Toute marchandise neuve doit nous être retournée dans son emballage d'origine et en parfait état.
- Tout retour de marchandise neuve devra être effectué « PORT PAYÉ » sauf pour les clients desservis par les camions de livraison Robert Thibert.
- Toute marchandise doit être vérifiée sur le véhicule avant l'installation.
- **Toute marchandise modifiée, peinturée ou installée sera refusée.**
- **Les produits suivants sont non-retournables :**
  - Audio - Accessoires de roues - Batteries Optima
  - Tous les produits de la section maison/sports/loisirs

- **Marchandise discontinuée**
  - Tout retour de marchandise discontinuée achetée dans la dernière année sera accepté, selon les conditions établies pour les retours de marchandise neuve.

- **Commande spéciale**
  - Aucun retour de commande spéciale ne sera accepté.
  - Toute commande spéciale ne pourra être annulée une fois commandée.

- **Ajustement d'inventaire d'une ligne de produit spécifique**
  - Un pourcentage de retour maximum de 5 % des achats de l'année précédente par ligne de produit sera accepté, contre une commande obligatoire 2 pour 1 de la même ligne de produit. Ces retours ne pourront être effectués qu'une seule fois par année, entre le 1er janvier et le 1er mars, sur approbation du directeur des ventes (contacter le service à la clientèle pour procédure). Ces retours ne seront cependant pas considérés dans le calcul du pourcentage de retour par client.

- **Frais de reprise :**

POURCENTAGE DE RETOUR : **MOINS DE 10 % DES ACHATS DE L'ANNÉE PRÉCÉDENTE**	***POURCENTAGE DE RETOUR :*** **ENTRE 10 % ET 15 % DES ACHATS DE L'ANNÉE PRÉCÉDENTE**	***POURCENTAGE DE RETOUR :*** **PLUS DE 15 % DES ACHATS DE L'ANNÉE PRÉCÉDENTE**
Aucun frais de reprise si achetée dans les derniers 6 mois	Aucun frais de reprise si achetée dans les derniers 30 jours.	
15 % frais de reprise si achetée entre 6 mois et 1 an	15 % frais de reprise si achetée entre 1 mois et 1 an.	25 % frais de reprise. Entreprise Robert Thibert se réserve le droit de refuser tout retour.

MARCHANDISE SOUS GARANTIE

- **Crédit au compte, réparation ou remplacement selon les garanties des manufacturiers**, suite à l'inspection du produit défectueux. Notez que certains manufacturiers exigent que vous fassiez votre retour directement avec eux.
- La nature du défaut du produit doit être spécifiée sur la demande de retour.
- Tout produit refusé suite à l'inspection sera automatiquement retourné au client, à ses frais.
- Les pourcentages de retours de défectueux supérieurs à 5% des achats de l'année précédente pour une ligne de produits spécifique seront soumis au manufacturier pour analyse.
- **TOUT RETOUR DE MARCHANDISE SOUS GARANTIE POURRA ÊTRE EFFECTUÉ « PORT DÛ », EN SUIVANT LES DIRECTIVES DE TRANSPORT SUR LA CONFIRMATION DU RMA.**
- Toute marchandise trouvée non-défectueuse après inspection, sera sujette à une facturation des frais de transport applicables.

2017 SALE TERMS AND CONDITIONS

PAYMENT
Net the 25th of the following month.

FREIGHT CHARGES
A daily freight charge is applicable as outlined below:

DESTINATION	DAILY ORDERS ($)	DAILY FREIGHT CHARGE	DAILY ORDERS ($)	DAILY FREIGHT CHARGE
British Columbia	$400 & more	-	Less than $400	$11.00
Alberta	$400 & more	-	Less than $400	$10.00
Saskatchewan	$400 & more	-	Less than $400	$10.00
Manitoba	$400 & more	-	Less than $400	$10.00
Ontario	$400 & more	-	Less than $400	$17.50
Quebec	$400 & more	-	Less than $400	$17.50
*Madeleine Islands	$400 & more	-	Less than $400	$17.50
New Brunswick	$400 & more	-	Less than $400	$ 8.00
Nova Scotia	$400 & more	-	Less than $400	$ 8.00
Prince Edward Island	$400 & more	-	Less than $400	$ 8.00
*(F.O.B. port of Montreal)				

- Orders destined to the **Northwest Territories, Yukon, Newfoundland and certain other remote destinations,** are sent at the customer's expense, using the following procedure:
  A) Order is sent prepaid.
  B) Subsequently, the customer is invoiced for the actual cost of consignment, using our preferential freight rates.
- The conditions above do not apply to steel wheels.
- Other specific products such as overweight, oversized and/or unpackaged items are subject to additional freight charges.
- An «*expedited delivery*» from supplier is subject to additional freight charges.
- Freight charges are subject to change according to the fluctuation of fuel prices.

SHIPPING
No minimum amount is required. All orders will be shipped.

- Local cut-off times for next day deliveries:

ROBERT THIBERT	PUROLATOR	LOOMIS	FASTFRATE	MORNEAU	MANITOULIN
5:00 p.m.	3:30 p.m.	3:30 p.m.	2:00 p.m.	2:00 p.m.	2:00 p.m.

INVOICES
Invoices are available on our Website at www.rthibert.com and are sent either **with your order*, by e-mail or by fax, prior to delivery.

**Please note that the option 'with your order' is valid only for customers serviced by the Robert Thibert delivery networks. Fax and e-mail options are the only options available for all other delivery service suppliers. (If you are not registered to the e-mail or fax options, your invoice will be sent by mail)*

PICK-UP
A minimal delay is required for the preparation of the order prior to pick up.
Modifying/adding to the order is not permitted on site.
An order requested for pick-up must be retrieved within the following 24 hours, after which it will be put back in stock.

PRICES
Prices and sale conditions are subject to change without notice.

LOST OR DAMAGED GOODS
We recommend a careful inspection of each item received.
All/any abnormalities must be reported to our customer service department within **24 hours** of receiving goods.
Please note that all claims received beyond 10 days of delivery will automatically be dismissed by our service carriers.

MISSING PARTS
We recommend a careful inspection of each order received. Missing parts must be reported to our customer service department within **24 hours** of receiving goods.

PAYMENT
If payment of your account has not been received as of the 25th of the following month, you may be denied shipment of all/any additional orders, until payment has been received in full. N.S.F. cheques or returned payments are subject to a $25.00 administrative fee. Overdue accounts are subject to a 2% monthly (24% yearly) finance charge.
An authorized merchandise return, in resolution of a past due amount, will be subject to a 25% handling charge.

RETURN POLICY

- **All/any merchandise returns must be preauthorized by Robert Thibert Inc. Unauthorized returns will be refused, or will be subject to a 5% administration charge.**
- A return authorization must be requested by using the appropriate form supplied by Robert Thibert Inc. and submitted thereafter either by:

  - **Fax :** (450) 691-2392
    (450) 691-3407
    1 (888) 660-2392
  - **Internet Website :** www.rthibert.com

- **The original bill of sale and a detailed reason(S) for the return are mandatory.**
- All merchandise returns must have a return authorization number. No refunds; credit to account only.
- Only items purchased within the last year will be accepted for return.
- **Merchandise must be returned within 10 business days of receiving the authorization. A return authorization pendent for more than 10 days will be cancelled.**
- Merchandise must be returned to the following warehouses:

PROVINCE	WAREHOUSE

NEW MERCHANDISE

- New merchandise must be returned in its original packaging and in perfect condition.
- All returns must be sent "PREPAID," except for customers serviced by the Robert Thibert trucks.
- All parts must be test-fitted prior to installation.
- **All merchandise that has been modified, painted or installed will be refused.**
- **The following products are not returnable:**

  - Audio **- Wheel accessories** **- Optima batteries**
  - All/any products listed in the home/sports/leisure section

- **Discontinued items**
  - Discontinued items purchased within the last year, will be accepted for return and are subject to the same return policy as «New Merchandise.

- **Special order**
  - Special orders are not returnable.
  - Special orders cannot be cancelled once ordered.

- **Stock adjustment of a specific line of product**
  - Up to 5% of the previous year's purchases, per line of product, will be accepted for return by means of an offsetting order (of 2 for 1 value) in that same line of product. These returns are allowed once yearly, between January 1st and March 1st, and only upon approval of the sales director (*contact our customer service department for additional information*). A '*stock adjustment'* return does not affect your return percentage.

- **Handling charge:**

RETURN RATE: **LESS THAN 10% OF PREVIOUS YEAR'S PURCHASES**	***RETURN RATE:*** **BETWEEN 10% AND 15% OF PREVIOUS YEAR'S PURCHASES**	***RETURN RATE:*** **MORE THAN 15% OF PREVIOUS YEAR'S PURCHASES**
No handling charge if purchased within 6 months.	No handling charge if purchased within the last month.	
15% handling charge if purchased between 6 months and 1 year.	15% handling charge if purchased between 1 month and 1 year.	25% handling charges. Robert Thibert Inc. reserves the right to refuse any return.

WARRANTY

- **A credit, the repair or the replacement of the defective good will be applied, according to the manufacturer's warranty,** and upon inspection of the defective item. Certain manufacturers require that they handle their own warranty claims, in which case you will be required to do so.
- An accurate description of the defect must be provided.
- Any item refused for warranty upon inspection will automatically be returned to the customer at his own expense.
- Any line of product with a defect rate exceeding 5% will be referred to the manufacturer for further analysis.
- **ANY RETURN OF DEFECTIVE MERCHANDISE CAN BE SENT « COLLECT », BY FOLLOWING THE TRANSPORT REGULATIONS INDICATED ON THE RETURN AUTHORIZATION FORM.**
- If, after inspection, no defect is found with the merchandise returned, the applicable freight charges will be invoiced to customer.
